**The Impact of Radical Right-Wing Parties in West European Democracies** M. Williams, 2006-09-02 This book contends that far-right parties play pivotal roles in setting the tone of political debates, shaping the political party system, and structuring government policy. Increasingly, as national governments attempt to cope with new realities of greater global migration, strained welfare states, and threats of foreign terror, opportunities have opened for parties of the far right to position themselves strategically.

**Recovery** Russell Brand,2017-10-03 A guide to all kinds of addiction from a star who has struggled with heroin,

alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into recovery “This manual for self-realization comes not from a mountain but from the mud...My qualification is not that I am better than you but I am worse.” —Russell Brand With a rare mix of honesty, humor, and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his fourteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction—from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily activity. He believes that the question is not “Why are you addicted?” but What pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person’s arms? Russell has been in all the twelve-step fellowships going, he’s started his own men’s group, he’s a therapy regular and a practiced yogi—and while he’s worked on this material as part of his comedy and previous bestsellers, he’s never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

like? Why should you consider becoming a welder? How do you become a successful craftsman as a welder? How much can you make as a welder? What are your career options once you become a welder? How long does it take to be successful at each stage in a welder's career? How and where do you find work as a welder? What does it take to strike out on your own? What does it take to launch and build a successful small business? At Your Best is the only step-by-step handbook to finding if a career in the trades is right for you, educating yourself and earning the proper certifications, establishing yourself as an excellent apprentice and journeyman in the industry, and moving on to start your own small business in the trades. Whether you are beginning your first career, changing careers, or ready to move up and start your own business as a carpenter, plumber, HVAC/R tech, or other tradesman, this is the book that will tell you how. There are currently over 6.5 million unfilled jobs in the skilled trades in the US.
