The 97% Swing Trade Tim Morris,2021-09-17 ■■■■■■■■■■ Stop Listening to Authors Who Won't Show You Proof! ■■■■■■■■■■ Condensed stats can be found at - linkpony.com/97stats - with a link to full statistics included in Chapter 6 In this book, best-selling, no-BS, finance author Tim Morris goes over a swing trading strategy which he has coined The 97% Swing Trade. By proving the results with over 10 years of data, which include multiple corrections and the crash of 2020, Tim lays out a swing trading strategy that has a 17.50% annual return, an average trade duration of just 10 days, and a 97.71% win rate (with all statistics shown in Chapter 6). There are no special programs, confusing algorithms, or costly subscriptions required. Everything needed to use this strategy is free on FinViz! Here's the concept behind the trade: ► Use the free website FinViz to find the stocks which are eligible to trade (which takes less than 5 minutes). ► Put in your order and wait for it to get executed. ► Once executed, sell at the exact exit point Tim provides. You may have read some books where you could spend hours searching for a good setup. Who wants to do that? This trade is limited to just a handful of stocks, which take all of 5 minutes to find on your computer. This is easily done on the website FinViz, which Tim of course shows you how to do in the book. Tim includes detailed charts, trading examples, and statistics to help you understand the concepts behind the strategy. He also gives you the exact entry and exit points, and even where to set your stop loss. Meaning you know exactly where to get in and get out. No guess work! It really can't get any simpler than the strategy Tim shows you in this book!

—————▼————— As a complimentary bonus, only for book buyers, you'll receive Tim's special report titled *Crush the Market*. This special report is packed with 14 incredibly beneficial tips to help you make money in the stock market! This report is not available to the general public, or anywhere else. It exists solely as a thank you to buyers of this book. —————▲————— Sick of reading about trade ideas that don't work? Stock Trading Strategy Mark Elder,2020-10-19 If you have been looking for a way to kiss your 9-to-5 goodbye for good, then this is the book you have been waiting for! When it comes to not just getting by, but truly accruing real wealth, there are few more well-known-but largely misunderstood-ways of doing so than through proper manipulation of the stock market. Here's the deal. You've tried all the trading strategies online... But you still look in your bank account and see it empty. And no matter how hard you work, you always seem to have the same money. Sound familiar? If it does, then the information inside this book is your answer. Because this is not some quick rich scheme which ruins your finances and leaves you feeling worse off than before. This is a scientifically constructed, yet easy to follow, trading protocol designed for both short and long term investing plans. In this book you will find everything you need in order to get started on the right foot as quickly as possible. First, you will learn all about the basics of the stock market to ensure you are well-prepared to take full advantage of it when the time comes. Next, you will learn how to tell a good trade from a bad one using both fundamental and technical analysis as well as key consolidation chart patterns to know. From there you will find plenty of strategies for success regardless of the time frames you are comfortable working in. You will then learn the importance of diversification when it comes to the success of any long-term investments you make. Finally, you will find a variety of common mistakes that new traders make as well as ways to easily avoid them once and for all. Even if you have never seen a financial graph in your life, you will be able to apply practical easy strategies, science-backed actions that can create real change if practiced regularly. So, what are you waiting for? Do you want to take control of your financial future like never before? Then scroll to the top of the page and buy this book today!

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
