Right Before Sleep Miro Tartan, 2020-12-02 The little ones will have so much fun listening and reading this funny rhyme story that takes place right before sleep. Milo and Cat have a very effective sleep routine, but this night, it just doesn't work! They even know a few tricks that helped them quickly fall asleep before. When these tricks won't work - at least not for Milo - it takes a lot of creativity, Cat's magic whiskers, the *Know It All* book, and a drop of exaggeration to lead Milo to dreamland. ★ Who's going to fall asleep first? Milo, Cat or you? ★ Short extract from the story It was right before sleep, it was already night, But for Milo and Cat, something wasn't quite right! ... We tried counting sheep and we counted the stars, We even tried counting the distance to Mars. ... We'll be sleeping in no time; without any doubt. Trust my whiskers, said Cat. We will figure it out! ... This should have some clues, so let's go have a look There's always advice in the *KNOW IT ALL* book. ...

Reading Picture Books with Children Megan Dowd Lambert, 2015-11-03 A new, interactive approach to storytime, *The Whole Book Approach* was developed in conjunction with the Eric Carle Museum of Picture Book Art and expert author Megan Dowd Lambert's graduate work in children's literature at Simmons College, offering a practical guide for reshaping storytime and getting kids to think with their eyes. Traditional storytime often offers a passive experience for kids, but the *Whole Book* approach asks the youngest of readers to ponder all aspects of a picture book and to use their critical thinking skills. Using classic examples, Megan asks kids to think about why the trim size of Ludwig Bemelman's *Madeline* is so generous, or why the typeset in David Wiesner's *Caldecott* winner, *The Three Pigs*, appears to twist around the page, or why books like Chris Van Allsburg's *The Polar Express* and Eric Carle's *The Very Hungry Caterpillar* are printed landscape instead of portrait. The dynamic discussions that result from this shared reading style range from the profound to the hilarious and will inspire adults to make children's responses to text, art, and design an essential part of storytime.

I am Abraham Lincoln Brad Meltzer, 2014-01-14 Each picture book in this series is a biography of an American hero, told in a simple, conversational, vivacious way, and always focusing on a character trait that made the person heroic. (Cover may vary) The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. This book spotlights Abraham Lincoln who always spoke his mind and was unafraid to speak for others. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Abraham Lincoln's compassion made him a great leader. You'll want to collect each book in this dynamic, informative series!

With My Mummy James Brown, 2017-02-09 From playing in the park to cuddles at bedtime, being with Mummy makes every moment of every day special. *With My Mummy* is a heartwarming picture book and the perfect gift to share time and time again. Days with my mummy are always such fun, and ever so special together, as one. A touching celebration of the special relationship between mother and child. How I Met My Monster Amanda Noll, 2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

The Family Book Todd Parr, 2009-11-16 Represents a variety of families, some big and some small, some with only one parent and some with two moms or dads, some quiet and some noisy, but all alike in some ways and special no matter what.

I Am Every Good Thing Derrick Barnes, 2020-09-01 An upbeat, empowering, important picture book from the team that created the award-winning *Crown: An Ode to the Fresh Cut*. A perfect gift for any special occasion! I am a nonstop ball of energy. Powerful and full of light. I am a go-getter. A difference maker. A leader. The confident Black narrator of this book is proud of everything that makes him who he is. He's got big plans, and no doubt he'll see them through--as he's creative, adventurous, smart, funny, and a good friend. Sometimes he falls, but he always gets back up. And other times he's afraid, because he's so often misunderstood and called what he is not. So slow down and really look and listen, when somebody tells you--and shows you--who they are. There are superheroes in our midst!

The Heart and the Bottle Oliver Jeffers, 2010-03-04 From #1 New York Times bestseller Oliver Jeffers, comes a poignant and beautiful story about finding joy after loss. There is a wonder and magic to childhood. We don't realize it at the time, of course . . . yet the adults in our lives do. They encourage us to see things in the stars, to find joy in colors and laughter as we play. But what happens when that special someone who encourages such wonder and magic is no longer around? We can hide, we can place our heart in a bottle and grow up . . . or we can find another special someone who understands the magic. And we can encourage them to see things in the stars, find joy among colors and laughter as they play. Oliver Jeffers delivers a remarkable book, a touching and resonant tale reminiscent of *The Giving Tree* that will speak to the hearts of children and parents alike.

Two Hungry Bears Linda Jane Cornwell,2010 Big Brown Bear and Little Bear shared a cosy cave. They shared each other's company and they shared each other's food. I Love You Forever and a Day Brandi L McMahan,2019-07-18 The fourth book in the I Love You Forever and a Day series features father with daughter in a beautiful illustration of the bond they share, even when apart. Keeping in tune with the first three books in the series, you will enjoy reading with your little one as they learn about shapes, colors, days of the week, months, and seasons of the year. More importantly reminding them of how the time spent apart makes the time spent together that much more special. This book was inspired by the author's father, a naval officer who retired in order to be home with she and her mother. His dream was to have a naval career, but all of that changed as soon as he became a father. He proved his Citadel buds wrong who claimed he would never have kids, that he wasn't the type. Well, he put them all to shame, and not only can I, his first born, attest to this, but just ask his other two children. He's not just a dad, he's a friend and an amazing example of what a father should be. Now he can add Pops to his title with four grandkids to share his tales of growing up as a navy brat and his many travels and experiences as a Citadel grad and officer in the navy. His knowledge of history replaces the need to Google and he loves his family without abandon. I hope this book will be another way to remind your child of just how much you love them and miss them when you are apart. Enjoy the journey following the mermaid's tail/tale and writing your own story of the mermaid mom, pirate dad and how their story unfolded. It's a mystery that I know readers will enjoy solving together.
