Appearances Nicolas D Sampson,2011-01-14 APPEARANCES is a collection of twelve short stories revealing how fragile and elusive reality is. It is full of playful and powerful images that exist all around us. Funhouse mirrors of life. Or maybe the other way round. Raw images of a reality normally photoshopped and made to look gorgeous in the beauty parlors of everyday society, now shown for what they are, revealing their true nature. The mirror theme helps reflect on this reality. Stories are mirrors of life, of people and circumstances. Images in those mirrors range from the exact to the distorted. They can be revealing, misleading, or indicative of something. They can be full of promises and lies, changing the world according to their whims, or brutally honest, revealing the world as it was never meant to be seen. Whatever the case, the images are real, and so are the mirrors, phenomena of the everyday world, reflecting back to us who we are, what we do and how we have set up the world around us. They indicate to us the various aspects of humanity and the human psyche, exposing our longings and fears. Victor and Xavier share these stories with us, offering their perspective on life through the prism of mirrors that are playful, powerful and present wherever one looks. Nothing can be taken for granted. Only one thing's for certain. Appearances are not what they seem.

Cowboy Fire Kim Redford,2021-05-25 Maybe I just make it seem possible. You make what seem possible? Love. I came to Wildcat Bluff County for one reason only: to convince hunky Mr. July from the Wildcat Bluff Fire Rescue annual calendar to be the face—and body—of my new online dating service. Easy, right? I had no idea he'd be so difficult. Or that he'd end up being my new landlord... He might think he has the upper hand, but I don't give up so easy.

Kemp Lander, a.k.a. Mr. July, says he wants nothing to do with my app or with me. And he seems particularly annoyed to discover I wasn't exactly honest in my rental agreement. I'm nowhere near the full-fledged cowgirl I claimed to be. But I can learn, and sometimes a girl has to fudge the rules a little to get what she needs. And I definitely need this cowboy... This cowboy romance is perfect for readers looking for: A cowboy firefighter who isn't afraid of a little heat A feisty woman who knows what she wants A sassy small town that feels like home Opposites-attract romance that can't be denied

The storm Alexander Nikolaievich Ostrovsky, 1907

Frederic Eric D. Grizzle, 2012-07 In August of 1979, Hurricane Frederic formed in the Caribbean and then weakened to a tropical depression before it could come ashore, leaving the residents of the Gulf Coast relieved and continuing with their daily lives. But in the peculiar, unpredictable manner of storms, Frederic "reorganized" and was born again as a hurricane, roaring toward the coast and causing millions of dollars in damage when it struck two weeks later. This is the fictionalized account of five families in the Midtown district of Mobile, Alabama, who experience Frederic's devastating yet transforming power. Richard and Alan, best friends since childhood, are

on a fishing trip when Frederic churns up the gulf, leaving loved ones to live with both dread and hope. Andrew, a teenager, struggles to take care of the house and his mother in his father’s absence. A young pastor, experiencing his first hurricane, realizes he must keep the church open as people seek both physical and spiritual shelter. A retired firefighter named Man reaches out to help his neighbors for the first time in years. Each person faces Frederic on the outside while confronting entirely different inner storms—guilt, pain, and the search for purpose and meaning. Old wounds are healed even in the midst of loss and grief, sprinkled with the unexpected moments of humor that are part of our ability to cope with trauma and reach toward wholeness. In Frederic, God’s glory is revealed not only in sunshine and laughter but in the wind, the waves, and the storms, culminating in triumphant transformation.

Dave Hill Doesn't Live Here Anymore Dave Hill,2016-05-10 With his signature matter-of-fact humor, comedian and musician Dave Hill explores his increasingly close relationship with his recently widowed father in a series of painfully funny essays you will want to read again and again by the fire, at the beach, in a truck stop men’s room, or just about anywhere. It’s your call, really. These days, Dave has just the right amount of spare time to write books at home, preferably in his underwear, but things weren’t always perfect. When he found himself pushing thirty while still living with his parents in Cleveland, unsuited for anything but what an “employment expert” vaguely called a career in “art, music, writing, or entertainment,” he decided to visit some friends in New York for the weekend and never left. However, getting his life together wasn’t as easy as he’d hoped, and even an illegally subletted, rent controlled fifth-floor walk-up studio apartment with a (for the most part) working toilet wasn’t glamorous enough to erase the fact that his four siblings were all married with steady jobs and actual human offspring. And in recent years, Dave’s father had grown tired of loaning him cash and living alone in the empty family home, neither of which made much sense to Dave, but whatever. Through the process of his father’s eventual move to a retirement community, Dave and his dad bonded over the things in life that really matter: scorching-hot rock jams, the gluten allergy craze, eighteen-wheelers, Italian food (pizza and spaghetti), and whatever else could possibly be left after that. Meanwhile, Dave discovered his late-blooming manhood via experiences as disparate and dangerous as a visit to a remote Mexican prison, where he learned that people everywhere love the Eagles, and a martial arts class that pushed his resolve and his groin to their limit. In Dave Hill Doesn’t Live Here Anymore, Hill’s voice is sharp, carefree, laced with just the right amount of profanity, and he is—seemingly despite himself—deeply empathetic as he portrays a difficult time in his family’s life and grows up just enough to realize that maybe he and his dad aren’t so different after all.
