

Storm Surfers Big Wave Hunters

Bruce Jenkins

Big Juice John Long, Sam George, 2011-11-08 The best and newest big-wave surfing stories from the sport's insiders More than a decade ago, John Long published his now classic *The Big Drop*, an unprecedented look at the larger-than-life frontier of big wave surfing. Since then, the sport has exploded in popularity. The big wave bar keeps rising as extreme surfers continue to seek out, surf, and survive a ride on the elusive 100-foot wave. The incredible stories of a new generation of thrill-seeking, death-defying surfers and stunning, full-color photography of monster waves fill the pages of this new collection by John Long and former surfing pro Sam George. A powerful, contemporary look at the men and women who live and breathe for the next big wave and the bigger, more dangerous challenge, *The Big Juice* presents a rich history of characters, controversies, heroism, humor, and tragedy that define the sport. With contributions from: - Ben Marcus, author of *The Surfing Handbook* and *The Art of Stand Up Paddling* - Chris Dixon, writer, *Surfer* magazine - Kimball Taylor, writer, ESPN - Bruce Jenkins, author of *North Shore Chronicles*; writer, *Sports Illustrated* - Drew Kampion, former editor of *Surfer*, *Surfing*, *Wind Surf*, and *Wind Tracks* magazines; author of *The Book of Waves: Form and Beauty on the Ocean* - James Hollmer-Cross, writer, *Surfing* magazine . . . and big-wave surfers: - Laird Hamilton - Dave Kalama - Evan Slater - Shane Dorian - Greg Noll- and more

North Shore Chronicles Bruce Jenkins, 1999 Provides updated profiles of surfers the author has met during his many years of surfing on Oahu's North Shore.

The Wave Susan Casey, 2011 This is a story about hunting for a monster. Unlike many monsters, however, this one is known to exist: the 100-foot wave. Susan Casey exposes a world of obsession and dare-devil surfing, a world filled with eccentric wave-hunters both scientists and surfers who are universally convinced that bigger waves are coming.

The Wave Susan Casey, 2011-05-31 NEW YORK TIMES BESTSELLER • In this wonderfully vivid, kinetic narrative (*The New York Times*), the bestselling author of *Voices in the Ocean* captures colossal, ship-swallowing waves, and the surfers and scientists who seek them out. For legendary surfer Laird Hamilton, hundred foot waves represent the ultimate challenge. As Susan Casey travels the globe, hunting these monsters of the ocean with Hamilton's crew, she witnesses first-hand the life or death stakes, the glory, and the mystery of impossibly mammoth waves. Yet for the scientists who study them, these waves represent something truly scary brewing in the planet's waters. With inexorable verve, *The Wave* brilliantly portrays human beings confronting nature at its most ferocious.

Big Wave Surfer Kai Lenny, 2021-10-26 A jaw-dropping photographic display of the world of big wave surfing, featuring the biggest and most dangerous waves and the legendary men and women who risk their lives to surf them. Over the last decade, a handful of surfers have been progressing the sport of big wave surfing to new extremes. Kai Lenny, one of the preeminent big wave surfers, offers readers a glimpse into this world. Lenny shares his personal stories and perspectives, and invites over 30 elite surfers—from legends who pioneered the way, to young guns who are the future of the sport—to contribute personal tales of the greatest waves ever ridden. These are the stories we've been waiting for: Shane Dorian pushing the boundaries in the gladiator arena of Pe'ahi (Jaws), Maui; Peter Mel on riding the greatest wave ever caught at Mavericks, California; Keala Kennelly breaking the women's glass ceiling at the death-defying slabs of Teahupoo, Tahiti; Kai Lenny and Lucas Chumbo's groundbreaking wins at the incredible Nazaré, Portugal; Brett Lickle's epic incident at the mystical Pyramids with Laird Hamilton, and many more. Accompanying stunning photographs from the world's top surf photographers capture the drama of life and death, and the unwavering commitment of these brave extreme athletes.

Maverick's Matt Warshaw, 2003-10-09 With its massive faces, punishing rocks, and treacherous currents, *Maverick's* presents a surfing challenge

like no other. Author Matt Warshaw has updated his critically acclaimed illustrated history of Maverick's to cover important recent developments, and we've added a fresh new cover to kick this edition off in style. A fascinating account, to quote Surfer magazine, it takes a cue from Sebastian Junger's *The Perfect Storm*...Warshaw focused on a single event...and expands on it to illuminate an entire culture and its world beyond waves. The event was the death of celebrated surfer Mark Foo, one of those who congregate every winter to test themselves in the dark, foreboding waters. And what unfolds in Maverick's is no less than the story of big-wave surfing, from its ancient Hawaiian origins to modern tow-in riders. It's a book to be enjoyed not only by those who surf deep in the waves, but also by those whose taste for adventure is satisfied deep in the pages of a very good book.

Eddie Would Go Stuart Holmes Coleman, 2004-02-07 In the 1970s, a decade before bumper stickers and T-shirts bearing the phrase Eddie Would Go began popping up all over the Hawaiian islands and throughout the surfing world, Eddie Aikau was proving what it meant to be a waterman. As a fearless and gifted surfer, he rode the biggest waves in the world; as the first and most famous Waimea Bay lifeguard on the North Shore, he saved hundreds of lives from its treacherous waters; and as a proud Hawaiian, he sacrificed his life to save the crew aboard the voyaging canoe Hokule'a. *Eddie Would Go* is the compelling story of Eddie Aikau's legendary life and legacy, a pipeline into the exhilarating world of surfing, and an important chronicle of the Hawaiian Renaissance and the emergence of modern Hawaii. Splendid...clear and fascinating.--Greg Ambrose, San Francisco Chronicle Enlightening...an impressive history...of surfing...of Hawaiian culture both at home and across the world.--Matt Walker, Surfing Magazine Eddie Aikau's life is a story waiting to be told, and it could not have been told any better than in Stuart Coleman's *Eddie Would Go*. This is a bestseller in the same way as the *The Perfect Storm*.--Peter Cole, Big-Wave Surfing Pioneer It's amazing the impact Eddie had on the surfing world and Hawaii. It touches the community at a real grass-roots level.--Kelly Slater, World Champion Surfer A meaningful biography of a surfing hero...extraordinary. -Terry Rogers, The San Diego Union-Tribune Coleman, a surfer himself, does an admirable job of de-mystifying this remarkable man. -Terry Tomalin, The St. Petersburg Times Fantastic...a treat to read.-Mark Cunningham, Honolulu Weekly

The Big Drop John Long, Hai-Van K. Sponholz, 1999 A classic collection of big wave surfing stories that heralded a new era in surfing literature--32 tantalizing and terrifying true tales from the sport's pioneers

The Finest Line Rusty Long, 2015-04-14 *The Finest Line* explores the world of big-wave surfing and its dynamic evolution. Through images of hallmark days from the best big-wave locations around the world, firsthand accounts from those who dedicate their lives to chasing and riding giant waves, and expert commentary about the treacherous characteristics of each location, *The Finest Line* offers an unprecedented glimpse into the psychology of big-wave surfing, as well as its extreme risks and unparalleled rewards. Big-wave surfing has long been a part of the sport, but this subculture of the surf world is now moving out of the fringes. The current generation of surfers is continually reinventing the limits, making this the most advanced, dynamic, and exciting period in big-wave surfing history. This stunning coffee table book captures the essence of the sport through breathtaking images and stories, as well as exclusive interviews with the surfers who play the starring roles during these rare, large-swell events. Here you discover the complex logistics behind staging missions to the Cortes Bank, a phantom reef 100 miles out to sea; the mental and physical regimens of surfers such as Shane Dorian, Greg Long, and Grant "Twiggy" Baker; the psychology of living in pursuit of the world's meanest waves; the stories behind the paddle-in renaissance that has come to define the next level of big-wave surfing; and firsthand accounts of those now-rare "tow-only" days that captivate audiences worldwide. More than a collection of big-wave photographs, *The Finest Line* covers the giant, hallmark sessions from the most impressive spots around the globe, capturing the international flavor of the sport and exploring the insatiable drive of a rare breed of thrill seekers.

Big Wave Surfing Jim Buckley, 2018-11-30 You want intense? How about a mountain of water as high as a building? The world's greatest big

wave surfers face that challenge and conquer whatever the ocean can throw at them! Find out how big wave surfing started, meet the top wave riders, and learn how these daring athletes conquer the world's biggest waves! This title will allow students to explain events, procedures, ideas, or concepts in a historical, scientific, or technical text, including what happened and why, based on specific information in the text. • Profiles of athletes • Text based questions • Bolded keywords

Could You Be a Monster Wave Surfer? Matt Doeden,2020 Surf's up! Do you have what it takes to surf a monster wave? Test your skills against the extreme--and dangerous--sport of big wave surfing. In this sport, one false move can lead to a deadly wipeout. Will you catch a wave to victory?

Hands On - All Media Producing Marcus Gillezeau,Evelyn Saunders,2013-11-21 'Hands On - All Media Producing' is a follow up to AACTA and Emmy® award winning filmmaker Marcus Gillezeau's 2004 book 'Hands On - A practical guide to production and technology in film, TV and new Media'. 'Hands On - All Media Producing' is a compendium of tips, advice and experiences for producers and filmmakers and aims to provide some key answers to the most pressing question facing screen practitioners today: 'How do I produce for multiple platforms?' All Media projects represent the future of the screen industry. The entire cultural and entertainment business landscape is changing in response to the growing integration of story, content and brand across media platforms. Combined with the role consumers are playing in shaping how they want to be entertained it is at once a daunting, yet exciting space to be working in. Based on the experiences of film-maker Marcus Gillezeau and case studies of recent projects by the world's best All Media producers, this entirely accessible guide aims to help screen practitioners, producers, directors and writers, plan, finance and produce their next project as an All Media production. This eBook is being provided free of charge to the industry, due to the assistance of Screen Australia and Screen NSW.

Ocean in Motion! Paul Mason,2008 What links all of these subjects? Surfing giant waves Surviving killer currents How the ocean ate the land Simple-they're all Extreme! Ocean in Motion! is packed full of incredible information about surfing, from the story of the biggest wave ever ridden and where do waves come from to, most amazing of all, how it's possible to survive on a wave as big as a city block. Extreme is an action-packed series that brings together incredible tales and secret facts about the most radical things you really want to know---such as how to avoid a shark, survive a snowstorm, or spot the world's most poisonous snake! Discover the fascinating stories behind how things work and why they happen.. Book jacket.

The Voodoo Wave Mark Kreidler,2011-09-06 Offers an intimate look at the surfers who challenge the 50-foot waves of Maverick's surf point in California--all in search of the perfect ride.

Storm Surfer Jake Maddox,2008 Jill never thought her week at surf camp would be interrupted by a hurricane, but one is heading for the North Carolina coast. She knows to stay away from the water when a storm is coming. But Abby and Sara think surfing in a hurricane will be amazing. Who will save them when the waves get out of control? Wes, the local guy whose waves the girls always steal? Jill, who they pushed off her surfboard? Or Meg, who can barely stand on her board? Time is running out, and the storm is coming.

Amazing Surfing Stories Alex Wade,2012-09-28 This eclectic mix of surfing stories has something for everyone, from classic tales of monster waves and epic battles to stories of when life among the breakers goes wrong. There are accounts of death and disaster, as well as bravery and triumph. The bizarre and the extreme rub shoulders with perfect breaks and beautiful beaches. Be thrilled by legendary surfers, as well as learning about local heroes who never made the headlines. Each compelling tale has been chosen to stoke the fire of armchair surfers and hardcore wave-riders alike, and many are illustrated with colour photographs.

Super Surfers Michael Sandler,2009-08-01 Looks at the early origins of surfing in Hawaii, its subsequent history, the state of surfing today, and

some of the different elements that make up the sport.

Ride the Giant Waves with Garrett McNamara Carol Parenzan Smalley, 2019-12-05 Garrett McNamara, or G-Mac, dreams of being the first to ride a 100-foot wave. As the current tow-in surfing champion of the world, the Hawaiian surfer trains daily, pushing his body to its limit as he prepares for gnarly waves, crashing surf, breathtaking plunges, and adrenaline-rushing rides. Garrett knows no limits. Injured multiple times, he has been towed onto and released into giant waves by skidoos and even a helicopter. He has starred in an IMAX film called *Big Wave Hunters* about his extreme adventures, and he has worked on creating an extreme surfing reality television show. In this **AUTHORIZED BIOGRAPHY** with eye-popping photographs, Garrett shares his passion with young readers.

The Weather Surfer Vic Morris, Joe Nelson, 1977

Swell Evan Slater, 2012-04-27 “Not only a gorgeously photographed guide to the best waves in the world but a lucid introduction to the science behind them.” —The Wall Street Journal Wave watchers around the world know that no two waves are the same. Yet each and every wave that rises, peaks, and crashes onto the beach is generated by a much larger force originating thousands of miles away. Surf journalist team Evan Slater and Peter Taras capture the essence of waves and the swells that produce them in this breathtaking collection of wave photography. Slater characterizes four distinct swells from different corners of the globe and traces their journeys throughout the year from storm to seashore. His reflective, informative essays amplify these powerful images of hundreds of waves frozen in time, beautiful, simple, universal, yet wholly unique—and the best thing to watch on the planet.

This is likewise one of the factors by obtaining the soft documents of this **Storm Surfers Big Wave Hunters** by online.
