Staying in love with Jack Storm the rock star while adjusting to a new life in Los Angeles is anything but easy. Is this the rock star life? To Marissa, her future seems as mysterious as dusk's shimmering shadows beneath the surface of the luxurious guitar shaped pool. There is no doubt this could be her dream house, her dream life with the man she loves. Not so dreamy is all that she is beginning to see packaged with him. The crazy hours of a very active life. The garbage behind the glam. Mostly, a moody and presumptuous rock star whose public persona is opposite of the sweet celebrity she fell for. Storm's Eye is book 2 of the G Strings Anniversary Set. It is Jack Who as originally written, in first POV with extra steamy chapters. It can stand alone, but is greatly enhanced by reading Eye of the Storms.

Museum curator, turned-cyber defense agent Calla Cress, resolves never to pick up a weapon again. Nicknamed the Decrypter, she finds answers in every encrypted cipher, code, and script. Ancient and cyber. And now she wants a deserved break. All of that changes when, a continent away, something strange brews in the skies. The US and British governments take notice as the weather follows commands from a decades-old, abandoned research facility on an uninhabited island. The only problem is... no one is there. Crown of Shadows Adolfo Benjamin Kunjuk, 2023-12-08 In the mystical world of Eldoria, a land divided by ancient enmities and magical lore, *Crown of Shadows* by Adolfo Benjamin Kunjuk weaves an epic tale of power, betrayal, and the quest for harmony. The story unfolds in a realm where the twilight-shrouded forests of the Dark Elves clash with the radiant expanses of the White Elves, setting the stage for a conflict that threatens to consume their world. At the heart of this enthralling narrative is Elenya Nighbloom, a young and gifted Dark Elf diplomat. Torn between her loyalty to her shadowy kin and a secret longing for peace, Elenya finds herself thrust into a perilous journey to retrieve the legendary Aether Crystal. This ancient artifact, imbued with immense power, becomes the pivot upon which the fate of Eldoria balances. As the prophesied solar eclipse draws near, a time when the crystal's power will reach its zenith, Elenya must navigate a labyrinth of political intrigue, ancient magic, and her own conflicted heart. Opposing her is the formidable Lord Caelum Lightbringer, leader of the White Elves, whose pursuit of the crystal threatens to unleash a war that could ravage Eldoria. *Crown of Shadows* delves deep into the complexities of war, where lines between right and wrong blur, and the price of peace often weighs heavy. The narrative explores themes of moral ambiguity, the corrupting influence of power, and the possibility of unity in diversity. Elenya's journey is not just a physical battle but an emotional and spiritual odyssey that challenges her deepest beliefs and forces her to confront the harsh truths of her kingdom and its leaders. Adolfo Benjamin Kunjuk masterfully crafts a world rich in detail and mythology, where every action has a reaction, and maintaining harmony in the natural world is crucial. The story is a tapestry of intrigue and heroism, love and loss, and the eternal struggle for balance between light and darkness. Will Elenya find the courage to use the crystal to forge peace, or will it become a weapon in the hands of those who seek to rule by fear and force? As the eclipse casts its shadow, the destiny of Eldoria and its people hangs in the balance. *Crown of Shadows* is a gripping fantasy thriller that invites readers into a world where the fate of kingdoms lies in the hands of one young diplomat and the choices she makes.

The Rising Flood Juliet Kemp, 2021-10-15 Hope alone cannot withstand a rising flood A darkness writhes in the heart of Teren. The Academy is unleashing demons on dissenters, and refugees rush to leave the capital with nothing but their lives and a hope. That hope brings them to the city of Marek, Teren's only major port, which harbours dreams of independence. But Marek is not as stable as it seems. Marcia, Heir to House Fereno, has spent the last two years fighting to keep Marek safe and prosperous – but with child, her relationship in ruins and the increasing threat of Teren to worry about, can she find her way through? The printing houses of the city run rabble-rousing polemic, penned by an increasingly frustrated majority who feel left out of the rule and riches of Marek. They demand change, and Marcia can't help but agree with much of what they're saying. On the other side of the bridge, the tiny group of Marek's remaining sorcerers must negotiate their way through troubles of their own. Cato, Marcia's exiled brother, and Reb, her ex-lover, are trying to train a new generation of sorcerers and both are having problems. Jonas simply won't take 'no' for an answer from Cato; and Reb's two students feel held back, both know that change, and strife, may be coming – and neither are ready to deal with it. But Reb cannot bring herself to move faster. Between them, the five sorcerers alongside Marek's cityangel can expel a single demon. But Teren has many, and other fears loom on the horizon. Out-of-season storms rampage across the Oval Sea, threatening trade – and Jonas' family, out plying the trade winds – and the unseasonable weather threatens Marek itself. Menaced by the distant capital, by dissension from within, and even by nature itself – will the rising flood lift all boats? Or will they be capsized? Book 3 of the Marek series "Fantasy politics with real nuance and believable uncertainty, characters whose richness and depth has developed over three books, and a growing threat that starts pulling together threads across the series make *The Rising Flood* a fantastic read, while Marek is a textured place that is a joy to return to." Malka Older, author of the Centenal Cycle trilogy, Hugo Award finalist Cover artwork by Tony Allcock
