The Open Boat and Other Stories Stephen Crane,1968-01-01

The Open Boat and Other Stories Stephen Crane,2021-01-05 With two parts and seventeen stories, Stephen Crane’s *The Open Boat and Other Stories* is an eclectic collection that stuns with its use of naturalism and angst. In the first part, titled *Minor Conflicts*, Crane shares eight works of short fiction. Among these is *The Bride Comes to the Yellow Sky*, a tense drama that explores themes of change with the portrayal of a Texas marshal who is saved from gunfight by his bride. *Death and the Child* follows a journalist who, after becoming sympathetic to the Greeks as he acts as a correspondent for the war, decides to join them in their fight. Also featured in part one of *The Open Boat and Other Stories* is the title work. *The Open Boat* follows the emotional journey of four men who have survived a shipwreck as they wrestle with the realization that nature is apathetic to their fate. Titled *Midnight Sketches*, the second part of *The Open Boat and Other Stories* pays special attention to the class struggles of American Society. *An Experiment in Misery* features the wrenching story of a young man who wanders the streets of New York, enduring taunts and cruelty as he searches for affordable food and living accommodations. Similarly, *An Ominous Baby* is a brief, symbolic tale of socioeconomics as it follows a young child exploring a rich neighborhood, becoming fixated on a rich kid’s toy. With themes of romance and coming-of-age, *The Pace of Youth* depicts a young couple who, despite the disapproval of the girl’s father, decides to indulge in their love and elope. With dramatic and wrenching prose, Stephen Crane’s *The Open Boat and Other Stories* examines universal topics and themes that are still relevant to contemporary society. While depicting a vivid variety of settings, including both exotic and American landscapes, and with the depiction of complex protagonists ranging from innocent children, to journalist-turned soldiers, *The Open Boat and Other Stories* celebrates and features some of Stephen Crane’s best work. Now presented in an easy-to-read font and redesigned with an eye-catching cover, this edition of *The Open Boat and Other Stories* by Stephen Crane is catered to a modern audience.

The Monster and Other Stories Stephen Crane,2021-01-05 *The Monster and Other Stories* (1899) is a collection of short fiction by American writer Stephen Crane. “The Monster,” a novella, was originally published in 1898 in Harper’s Magazine and has since been recognized as one of Crane’s most important works, a story which critiques the racism prevalent in American society. In 1899, it was published alongside “The Blue Hotel” and “His New Mittens” in *The Monster and Other Stories*, which was the last work by Crane to be published during his lifetime. In “The Monster,” set in the fictional town of Whilomville, an African American coachmen employed by the wealthy Trescott family is horribly disfigured while attempting to save their young son Jimmie from a house fire. Despite his gruesome injuries, Henry Johnson survives, and Dr. Trescott gratefully nurses him back to health and offers him a place to stay on the family property. Meanwhile, the white townspeople, who view Johnson as a monster, vilify the Trescotts for transgressing the unspoken rules of racial segregation. As Johnson attempts to return to some sense of normalcy, he is rejected both by the African American and white communities, and retreats into a lonely, quiet life. “The Blue Hotel” is a story of violence, fate, and hatred, of a place where loneliness reigns among strangers, and where fear is a troublesome friend. With a beautifully designed cover and professionally typeset manuscript, this edition of Stephen Crane’s *The Monster and Other Stories* is a classic of American literature reimagined for modern readers.

A Self-Made Man and Other Stories Stephen Crane,2008-04 Stephen Crane (1871-1900) was an American novelist, poet and journalist. He is best known for his novel *Red Badge of Courage* (1895). The novel introduced for most readers Crane's strikingly original prose, an intensely rendered mix of impressionism, naturalism and symbolism. He lived in New York City a bohemian life where he observed the poor in the Bowery slums as research for his first novel, *Maggie: A Girl of the Streets* (1893), a milestone in uncompromising realism and in the early development of literary naturalism. He became shipwrecked in route to Cuba in early 1897, an experience which he later transformed into his short story masterpiece, *The Open Boat* (1898). Crane's poetry, which he called 'lines' rather than poems, was also strikingly new in its minimalist meter and rhyme. It employed symbolic imagery in order to communicate at times heavy-handed irony and paradox. Other works include *Active Service* (1899), *The Monster* (1899), *The Blue Hotel* (1899), *Whilomville Stories* (1900) and *Wounds in the Rain* (1900).

The Open Boat Stephen Crane,2013-09-20 This carefully crafted ebook: *The Open Boat* is formatted for your eReader with a functional and detailed table of contents. *The Open Boat* is a short story by American author

Stephen Crane. First published in 1897, it was based on Crane's experience of surviving a shipwreck off the coast of Florida earlier that year while traveling to Cuba to work as a newspaper correspondent. Crane was stranded at sea for thirty hours when his ship sank after hitting a sandbar. He and three other men were forced to navigate their way to shore in a small boat. Crane's personal account of the shipwreck and the men's survival, titled *Stephen Crane's Own Story*, was first published a few days after his rescue. Stephen Crane (1871-1900) was an American novelist, short-story writer, and poet who is often called the first modern American writer. Crane was a correspondent in the Greek-Turkish War and the Spanish American War, penning numerous articles, war reports and sketches. In addition to six novels, Crane wrote over a hundred short stories including *The Blue Hotel*, *The Bride Comes to Yellow Sky*, and *The Open Boat*.

Turf Elizabeth Crane,2017-06-01 “Twenty-two often witty, sometimes-disquieting short stories . . . Autobiography and imagination walking hand in hand into the sunset.” —Kirkus Reviews Through her three story collections and two novels, Elizabeth Crane’s singular literary vision has created worlds of characters standing boldly in the face of their complicated circumstances. And that has never been truer than in her new collection, *Turf*. The end of the world as seen through a young couple in Brooklyn, who find a baby in a bucket on their front step; a group of geniuses who meet every Wednesday, able to unlock all the secrets of the universe except for the unknowable mystery of love; a woman and her dog walker whose friendship is uprooted by an incident at the park; these are dark, intriguing vistas explored in Crane’s glowing collection. For as places change, and people come and go, these stories in *Turf* remind us that it is the unchanging nature of the human heart that connects us all. “[Crane’s] stories are fun and bizarre and wonderful and so, so sneaky . . . Elizabeth Crane mines the everyday and reveals what we’re missing. It’s unsettling. It’s hilarious. It’s . . . beyond. And you just know she’s having a great time, because suddenly you are, too.” —Lindsay Hunter, *Electric Literature* “A daring piece of literature delicately teetering between story and observation . . . Crane demonstrates insight into our deepest fears and desires and what makes people tick.” —Publishers Weekly

The Complete Short Stories and Sketches of Stephen Crane Stephen Crane,2013-04-03 For the first time all 112 of Stephen Crane’s short stories and sketches—including several that have not been included in any previous collection and two that are now in print for the first time—have been brought together in one volume. Critics call Stephen Crane, who is best known for his Civil War novel, *The Red Badge of Courage*, the first “modern” American writer. Crane was only twenty-eight when he died, but his work had a profound influence on American letters. He helped to kill sentimentality in American writing, giving this country’s fiction renewed strength and dignity as an art form. Crane is considered the American counterpart of such European Nationalists as Zola, Tolstoy, and Flaubert. He refused to bow to the conventions of the day or to popular taste, but wrote

about life as he saw it in the closing years of the nineteenth century. And “honest vision of life” was the foundation stone of his artistic aims, and so he sought first-hand experiences and personal involvement in his themes. He lived the life of “The Open Boat” before he wrote the story. His stories of war and conflict, such as “A Mystery of Heroism” and “Virtue in War,” reflect his experiences as a war correspondent. Crane strove for originality in his writing; “his style—tense, darting, abrupt, ironic—blends perfectly with an impressionistic technique to give emotional, psychological, and symbolic significance to a series of astutely observed and richly colored episodes.” The stories and sketches that were a product of his one-man literary revolution are as “modern” today as ever. This collection includes an authoritative introduction by the editor, in which he evaluates the artistic significance of Crane’s work. The stories and sketches are presented in chronological order and have been carefully edited to ensure that they are in their original form.

The Monster and Other Stories Stephen Crane, 2016-03-17 Three Stories about Human Actions and Reactions “The child would possibly be scarred badly, but his life was undoubtedly safe. As for the negro Henry Johnson, he could not live. His body was frightfully seared, but more than that, he now had no face. His face had simply been burned away.” - Stephen Crane, The Monster The Monster is the story of an African-American who saves his master’s son from a fire and is severely disfigured in the process. The Blue Hotel tells the troubles of a man after staying at a hotel while His New Mittens presents the world as a young child sees it. You Must Be This Happy to Enter Elizabeth Crane, 2008-02-01 “Crane seems to be carving out a younger, brassier, less dystopic territory to complement the fiction of George Saunders and David Foster Wallace.” —The Quarterly Conversation In her third short story collection, following *When the Messenger is Hot* and *All This Heavenly Glory*, Elizabeth Crane presents a quirky cast of characters all searching for, showing off, or seriously questioning what makes them happy. There’s a woman who speaks in all exclamation points, one enamored by her boyfriend’s closet, a zombie reality TV star, a mother whose baby turns into Ethan Hawke, and a woman whose moods are printed on her forehead. Whether breathlessly enthusiastic, serenely calm, or really concentrating right now on their issues, Elizabeth Crane’s characters shine a spotlight on our spirituality-starved, self-

improvement-seeking, celebrity-obsessed culture. “In her third collection of inventive short stories, Crane continues to ingeniously satirize our muddled quest for meaning in all the wrong places.” —Booklist “A well-crafted collection of short stories, one whose clarity of tone and theme unites each and every piece into a cohesive whole. At a time when it seems almost antediluvian to be optimistic, Crane’s sincerity stands as a bewitching reminder that there is more to literature than tragedy.” —Bookslut “Zombies, time travelers, reality TV contestants and even a few normalish folks populate the pages of Elizabeth Crane’s quirky, charming new collection.” —PopMatters

Wounds in the Rain Stephen Crane,1900 Twenty-five men were making a road out of a path up the hillside. The light batteries in the rear were impatient to advance, but first must be done all that digging and smoothing which gains no encrusted medals from war. The men worked like gardeners, and a road was growing from the old pack-animal trail. Trees arched from a field of guinea-grass which resembled young wild corn. The day was still and dry. The men working were dressed in the consistent blue of United States regulars. They looked indifferent, almost stolid, despite the heat and the labour. There was little talking. From time to time a Government pack-train, led by a sleek-sided tender bell-mare, came from one way or the other way, and the men stood aside as the strong, hard, black-and-tan animals crowded eagerly after their curious little feminine leader.
