The Sparrow's Story at the King's Command Judith Crabtree,1983 A sparrow delivering the Storyteller's story to the King experiences numerous adversities en route.

The Sparrow Mary Doria Russell,2008-05-27 A visionary work that combines speculative fiction with deep philosophical inquiry, *The Sparrow* tells the story of a charismatic Jesuit priest and linguist, Emilio Sandoz, who leads a scientific mission entrusted with a profound task: to make first contact with intelligent extraterrestrial life. The mission begins in faith, hope, and beauty, but a series of small misunderstandings brings it to a catastrophic end. Praise for *The Sparrow* "A startling, engrossing, and moral work of fiction."—The New York Times Book Review "Important novels leave deep cracks in our beliefs, our prejudices, and our blinders. *The Sparrow* is one of them."—Entertainment Weekly "Powerful . . . *The Sparrow* tackles a difficult subject with grace and intelligence."—San Francisco Chronicle "Provocative, challenging . . . recalls both Arthur C. Clarke and H. G. Wells, with a dash of Ray Bradbury for good measure."—The Dallas Morning News "[Mary Doria] Russell shows herself to be a skillful storyteller who subtly and expertly builds suspense."—USA Today

Sparrow Giovanni Verga,1994 This is the first English translation of Verga's novel *La Storia di una Capinera* and is the official tie-in with the Zeffirelli film *Sparrow*. Set in 1854 in a Sicily devastated by a cholera epidemic. *Sparrow* tells of a love that can never be; the brief existence of a girl, forced to become a nun, who falls in love with a young man, but who, on returning to the convent, goes insane. Zeffirelli chose to film *Sparrow* as he was intrigued by the need for idealised and absolute love. It is a challenge for me to tell of 'The Insanity of Absolute Love' with its emotional yearnings and enchantment, its exchanges of furtive glances and stolen caresses.

Sparrow: The Story of Joan of Arc Michael Morpurgo,2012-03-29 Eloise has always loved Joan of Arc. Noble, honest and brave, she was everything Eloise wishes to be. And on a bright sunny day in Orleans, Eloise has a very special daydream... A superb re-imagining of Joan of Arc by master storyteller and author of *War Horse*.

A Tale of Two Sparrows Bettina Danielle,2014-11-29 We occasionally see sparrows in a variety of places such as trees, parks, attics, and even stores. When moving, they always seem to be in a hurry. Where else do they go? What are they doing? Why do they seem so busy? How is it that we see them on more than one continent? Do they use technology? In this chapter book series, author Bettina Danielle provides fanciful answers to those questions, and others, with refreshingly lighthearted stories. The stories take the reader on a fun exploration of today's world from a sparrow's perspective. Written especially for children, the series is an entertaining way to exercise a child's imagination, increase vocabulary, and increase knowledge of the world. And, with the eBook editions on a touch-enabled device, looking up new words and places can be as easy as holding a finger on a word. This first book of *The Modern Sparrow* series centers around a young, single, hard-working, and level-headed sparrow who decides to go on a vacation for a change. That decision leads to a series of big events in the life of this little bird! Sharing the story with a child leads to opportunities to teach them about true friendship, true love, personal responsibility, family responsibilities, and about places they've never been.

The Bone Sparrow Zana Fraillon,2016-11-04 Indispensable. -- Booklist (starred review) Subhi is a refugee. He was born in an Australian permanent detention center after his mother and sister fled the violence of a distant homeland, and the center is the only world he knows. But every night, the faraway whales sing to him, the birds tell him their stories, and the magical Night Sea from his mother's stories brings him gifts. As Subhi grows, his imagination threatens to burst beyond the limits of the fences that contain him. Until one night, it seems to do just that. Subhi sees a scruffy girl on the other side of the wire mesh, a girl named Jimmie, who appears with a notebook written by the mother she lost. Unable to read it herself, Jimmie asks Subhi to unravel her family's love songs and tragedies that are penned there. Subhi and Jimmie might both find comfort -- and

maybe even freedom-as their tales unfold. But not until each has been braver than ever before and made choices that could change everything.

Sparrow James Hynes,2023-06-20 For readers who have been moved and overwhelmed by Hilary Mantel's Wolf Hall and Douglas Stuart's Shuggie Bain, Sparrow tells the story of Jacob, son of no one, last survivor of an abandoned British Roman town. Raised in a brothel on the Spanish coast in the waning years of the Roman Empire, a boy of no known origin creates his own identity. He is Sparrow, who sings without reason and can fly from trouble. His world is a kitchen, the herb-scented garden, then the loud and dangerous tavern, and finally the mysterious upstairs where the 'wolves' - prostitutes of every ethnic background from the far reaches of the empire - do their mysterious business. When not being told stories by his beloved 'mother' Euterpe, he runs errands for her lover the cook, while trying to avoid the blows of their brutal overseer or the machinations of the chief wolf, Melpomene. A hard fate awaits Sparrow, one that involves suffering, murder, mayhem, and the scattering of the little community that has been his whole world. Through meticulous research and bold imagination, Hynes brings the entirety of the Roman city of Carthago Nova - its markets, temples, taverns of the lowly and mansions of the rich - to vivid life. You will feel you have been to this place, and understand how a slave class - conquered people of every age, walk of life, or skin colour - made the brutal empire function. Sparrow recreates a lost world of the last of old pagan Rome as its codes and morals give way before the new religion of Christianity, and introduces readers to one of the most powerfully affecting and memorable characters of recent fiction.

Sparrow Jack Mordicai Gerstein,2003-05-01 A lively twist on the immigrant story When John Bardsley leaves England to seek his fortune in America, he finds that his new city, Philadelphia, is crawling with inchworms! No one seems to know how to get rid of them, and the American birds turn up their beaks at the thought of eating any. Recalling his rescue of a very hungry baby sparrow when he was a boy, John comes up with a novel way to solve the problem, and he once again sets sail across the ocean in order to save his new city - with some help from his feathered friends. Using detailed illustrations, Mordicai Gerstein tells the little-known story of how sparrows came to America and how John Bardsley came to be known as Sparrow Jack. Sparrow Jack is a 2004 Bank Street - Best Children's Book of the Year.

The Talkative Sparrow Elizabeth Clark,2016-10-15 The stories include The Talkative Sparrow; The Tale of Peter Peregrine Patch; The Spindle, The Shuttle and the Needle, The Story of Mother Fox and the Tiger; and The Old Woman, the Pixies, and the Tulips.

Cricket and Sparrow Edward Bartholic,1979 In four encounters Cricket and Sparrow meet, pretend, visit, and picnic

A Thousand Small Sparrows Jeff Leeland,Marcus Brotherton,2009-02-04 In 1992, Jeff and Kristi Leeland's infant son, Michael, needed a bone marrow transplant. It cost \$200,000 they didn't have. That's when Dameon, the most picked-on kid in the junior high where Jeff taught, emptied his bank account and handed Jeff twelve \$5 bills to help save Michael's life. Other students rallied behind Dameon's \$60 donation of hope--and a community rallied behind them. In less than four weeks, they raised over \$227,000 for Michael's life-saving transplant. Sometimes it's the small who are mighty and the young who are wise.... Kids will do heroic things when they have heroic things to do. Out of the Leelands' experience came Sparrow Clubs USA, an organization of kids helping kids in medical need. Each child helped by Sparrow Clubs faces a battle for life, and yet each of these sparrows lives with a vibrant courage. Taking you into the communities that became sanctuaries of love for families in need, A Thousand Small Sparrows will revive your hope in the Father heart of a God who cares. This is a book about the power of compassion that can change the world--one

sparrow at a time. One hundred percent of the author's proceeds from this book will benefit Sparrow Clubs USA

The Naughty Sparrow, indonesian story Setiawan G Sasongko,2020-10-29 "If you do not give me a new nest promptly, I will push my brothers and my sisters to fall out of this nest!" The parent of sparrow surprised to hear the threat. Then they conferred to solve the problem. What's the next happen? Please, read the full story!

Sparrow Girl Sara Pennypacker,2016-08-04 Ming-Li looked up and tried to imagine the sky silent, empty of birds. It was a terrible thought. Her country's leader had called sparrows the enemy of the farmers--they were eating too much grain, he said. He announced a great Sparrow War to banish them from China, but Ming-Li did not want to chase the birds away. As the people of her village gathered with firecrackers and gongs to scatter the sparrows, Ming-Li held her ears and watched in dismay. The birds were falling from the trees, frightened to death! Ming-Li knew she had to do something -- even if she couldn't stop the noise. Quietly, she vowed to save as many sparrows as she could, one by one...

My Mistress's Sparrow Is Dead Jeffrey Eugenides,2009-01-06 When it comes to love, there are a million theories to explain it. But when it comes to love stories, things are simpler. A love story can never be about full possession. Love stories depend on disappointment, on unequal births and feuding families, on matrimonial boredom and at least one cold heart. Love stories, nearly without exception, give love a bad name It is perhaps only in reading a love story (or in writing one) that we can simultaneously partake of the ecstasy and agony of being in love without paying a crippling emotional price. I offer this book, then, as a cure for lovesickness and an antidote to adultery. Read these love stories in the safety of your single bed. Let everybody else suffer.—Jeffrey Eugenides, from the introduction to My Mistress's Sparrow Is Dead All proceeds from My Mistress's Sparrow is Dead will go directly to fund the free youth writing programs offered by 826 Chicago. 826 Chicago is part of the network of seven writing centers across the United States affiliated with 826 National, a non-profit organization dedicated to supporting students ages 6 to 18 with their creative and expository writing skills, and to helping teachers inspire their students to write.

Sparrow and the Trees, The Sharon Chriscoe,2015-09-10 The Sparrow family is ready for their trip south for the winter, but Papa's wing is hurt and he cannot make the trip. He asks the trees for help. One by one, the mighty, leafy trees of the forest say no! Will any of the trees help Papa Sparrow? What will happen to the selfish trees that turned him away? Discover why some trees lose their leaves in winter in this retelling of a Native American pourquoi tale.

Sparrows Horace W. C. Newte,2022-08-10 Sparrows is a novella by Horace W. C. Newte. Excerpt: To the indifferent observer, the Miss Mees were exactly alike, being meagre, dilapidated, white-haired old ladies, with the same beaked noses and receding chins; both wore rusty black frocks, each of which was decorated with a white cameo brooch; both walked with the same propitiatory shuffle. They were like a couple of elderly, moulting, decorous hens who, in spite of their physical disabilities, had something of a presence. This was obtained from the authority they had wielded over the many pupils who had passed through their hands.
