Growing Together Taro Gomi, 2016-04-25 A brand-new set of refreshingly off-beat picture books from the best-selling author of *Everyone Poops* From best-selling children's author Taro Gomi comes a set of four new books: *Playing*, *Imagining*, *Growing*, and *Sharing*. Each book features a different pair of family members loving and learning from one another... seasoned with the honesty, warmth, and eccentricity that Gomi so beautifully delivers. A little boy imagines the journeys that he and his father go on together; a little girl speculates about her mother's life before she became a mom; an older brother thinks back to when he was the baby; and sisters attempt to halve and share everything in their path. Each humorously narrated story is as messy, unpredictable, and endearing as everyday life with a child! Created for ages 2-5 years

Urashima Taro and Other Japanese Children's Stories Florence Sakade, 1961

Taro-San the Fisherman and the Weeping Willow Tree Richard Hatch, András Balogh, Yukishige Kadoya, 2012-12-01 This is a bilingual (English and Japanese) story about the struggles and triumph of a young fisherman in old Japan. Inspired by the ancient Japanese feat of "Nankin Tamasudare" in which bamboo sticks are manipulated into figures, and the art of the great Japanese master Hokusai, the story was written in America, translated in Japan and illustrated in Hungary! Richard Hatch, the author, is a professional magician and co-founder of the Hatch Academy of Magic and Music. He includes his telling of this tale, illustrated with the mysterious tamasudare mat, in many performances, often accompanied by his wife, violinist Rosemary Kimura Hatch. András Balogh, the illustrator, is a children's book designer and digital painter living in Székesfehérvár, Hungary. He studied at the Free School of Fine Arts in Kecskemét where he received a strong foundation in the arts, visual creativity and traditional painting. Since 2003 he has been an invited member of the government of Bács Kiskun's country painter camp and is a full member of the Society of Children's Book Writers and Illustrators

(SCBWI). Yukishige Kadoya, the translator from English into Japanese, is a freelance translator and writer based in Nagoya, Japan. He is also a performing magician and a scholar of magic. He often serves as the interpreter for the many major foreign magicians who lecture and perform in Japan. He has written several books, including Tokyo-do Shuppan Publishing's best-selling "Eigo de Pera-Pera Magic (Let's perform magic in English)". Children's Bookwatch, Vol. 23, no. 2 (February 2013): Taro-San the Fisherman and the Weeping Willow Tree is a beautiful, traditionally illustrated, bilingual children's tale written in Japanese and translated into English for children age 8 and up. Taro-San grew up as a boy sitting on a river bank under a weeping willow tree, fishing all day long. He wanted nothing more than to be a professional fisherman. However, when Taro-San is finally able to buy a boat and cast out to sea to fish, his nets come up empty for two weeks in a row! He decides to make a special pilgrimage to a sacred Shinto shrine. When he arrived at the beautiful O-Torii gate to the harbor of the sacred shrine, he enjoyed seeing the beauty of the setting. Taro-San crossed on a bridge to approach a special well, like a wishing well, where he respectfully wrote his wish to become a successful fisherman on a piece of parchment, dropped it into the well, and struck a bell three times to summon his ancestors to hear the request he made of them. A rainbow cheers and heartens him as he leaves the shrine. Soon he meets an old man who is a successful fisherman and asks him for his secrets for success. Here Taro-San

discovers he has omitted an important step in his venture: He has not chosen a name for his boat. With the guidance of the old man, Taro-San chooses just the right name and paints it on the boat in Kanji characters. After that, Taro -San is so successful with his fishing that he can barely sail his catch home each day. What was the name he chose, the name that enchanted the fish so they came to the boat willingly to be caught? Of course, it was the Weeping Willow Tree. Taro-San the Fisherman and the Weeping Willow Tree is presented in both English and Japanese, beautifully illustrated with a traditional appearing style of delicately tinted paintings by Hungarian artist Andras Balogh. The story of Taro-San the Fisherman and the Weeping Willow Tree was inspired by a traditional storytelling art called Nankin Tamasudare, in which a bamboo mat is used to represent many different figures in the story. For a visually stunning, multi-cultural reading-storytelling experience, Taro-San the Fisherman and the Weeping Willow Tree is an exquisite choice for juvenile audiences age 7 and up.

Fortunes Jim Markus, 2021-06 Fortunes: The Tarot Card storytelling game might be played after a rousing seance or during the quietest hours of the night, ideally in a room with a candle. It could be played by an eccentric family who lives in a dilapidated mansion on a hill overlooking a small town in autumn, or it could be played by a curious young couple sitting on a hay bale as a harvest festival finally winds down on a Sunday evening. However it is played, Fortunes is a game for storytellers. Your story might involve a

famous mystery writer, increasingly passionate about the potential existence of fairies. It might include a furious magician, desperate to disprove a wealthy medium's supernatural claims. It could introduce a vengeful mouse with connections to a secret society beneath the cobblestones or a roguish airship pilot failing to raise funds for the world's largest dirigible airship. This storytelling game requires a deck of tarot cards or regular playing cards. You'll use this in conjunction with a list of story prompts inside the book.

Boy Alone Karl Taro Greenfeld, 2009-05-12 "Boy Alone unlocks the heart and lets the emotions pour out: grief, despair, anger, love, devotion and wonder.

Whether you are a parent or a sibling of someone with autism or just looking in from the outside through this rarely opened window into the complex life of a family coping with autism, you will never forget this book.” –Portia Iversen, Co-Founder of Cure Autism Now Foundation and author of *Strange Son* A Washington Post Book World Best Book of the Year In this literary tour de force, Karl Taro Greenfield, acclaimed journalist and author of *China Syndrome*, tells the story of his life growing up with his brother, chronicling the hopes, dreams, and realities of life with an autistic sibling. Karl Taro Greenfeld knew from an early age that his little brother, Noah, was not like other children. He was unable to communicate verbally or tie his shoes, and despite his angelic demeanor was prone to violent outbursts. No doctor, social worker, or specialist could pinpoint what was wrong with Noah beyond a general diagnosis: autism. The boys' parents dedicated their lives to caring for their younger son—a challenging, often painful experience that their father detailed in a bestselling trilogy of books. *Boy Alone* is Karl Taro Greenfeld's unforgettable memoir of growing up in Noah's shadow, revealing the complex mix of rage, confusion, and love that defined the author's childhood—a beautiful, haunting, and wholly original exploration of what it means to be a family, a brother, a person.
