A Woman in Love C. Dale Baldwin, How can true love win out when outside forces constantly pull at our marriage? Living and loving have become a daily routine. Then disdain will strike, like a chord being played by a moody trumpet. It's loud, brash, and harsh, breaking apart what God has put together. All I can do is sit in wait, as my obsession won't let me leave and I continue to crave him. He makes my body sing; his lovemaking is superlative. My desire for his complete love is so strong. I can't control my desire for him even when I hate him. His touch thrills me so, yet his attitude and disposition elude me. All I want is for it to be true, honest, and devoted. Then I ask myself: Is this love or addiction?

A white father. Two murdered sons. A quest for vengeance. Ike Randolph has been out of jail for fifteen years, with not so much as a speeding ticket in all that time. But a Black man with cops at the door knows to be afraid. The last thing he expects to hear is that his son Isiah has been murdered, along with Isiah's white husband, Derek. Ike had never fully accepted his son but is devastated by his loss. Derek's father Buddy Lee was almost as ashamed of Derek for being gay as Derek was ashamed of his father's criminal record. Buddy Lee still has contacts in the underworld, though, and he wants to know who killed his boy. Ike and Buddy Lee, two ex-cons with little else in common other than a criminal past and a love for their dead sons, band together in their desperate desire for revenge. In their quest to do better for their sons in death than they did in life, hardened men Ike and Buddy Lee will confront their own prejudices about their sons and each other, as they rain down vengeance upon those who hurt their boys. But what if he doesn't come home? What if he makes the decision, while deployed, that he no longer wishes to be reunited with the family he left behind? This is one such story of many too often repeated, one of a faithful wife, abandoned by her soldier, left to fend for herself and pick up the tattered pieces of what remains of her life, without an understanding of what became of the man she once knew and loved. War has many consequences, not only for the people who enlist to fight it, but for the people who are left behind and whose lives are forever changed as a result.

**Crying into the Saucepan** Nikki Hayes, 2017-10-06 Well-known DJ Nikki Hayes has lived most of her life with Borderline Personality Disorder (BPD), a serious mental disorder marked by a pattern of ongoing instability in mood, behaviour, self-image and functioning. BPD is also associated with severe functional impairment and high rates of suicide. Nikki should have been diagnosed aged fifteen the first time she came in contact with the mental health services with anorexia; or aged nineteen, after an attempted suicide; or aged thirty-four when she was diagnosed with post-natal depression. Instead, each time she was given a different diagnosis, none fully explaining her symptoms or actions. Nikki believes her illness went undetected for so long because a lot of how she was feeling and acting was easily explained away by lumping it under the umbrella term of 'depression', or by simply attributing it to attention seeking or just being a little out of control. By sharing her story Nikki hopes to help others see that they are not alone and encourage greater support for people suffering with mental health issues in Ireland. #StrongerTogether
