

# Strasbourg En Poche

Maurice Jean Kniebihler

**René Schickele and Alsace** Áine McGillicuddy, 2011 Born into a German-French bilingual environment, the once renowned German-language author Ren Schickele (1883-1940) grew up in the Alsace region - today located in eastern France - during its annexation to the German Empire when links to French culture were frowned upon. In the aftermath of the First World War the situation was reversed when Alsace was reclaimed by the French Republic. In both these phases of its troubled history, Schickele insisted on the importance of Alsace's right to retain its double cultural heritage between the borders of its powerful rival neighbours and on its potential, as mediator between France and Germany, to promote peace in Europe. These issues are addressed in a critical discussion of a range of Schickele's works. His controversial wartime drama *Hans im Schnakenloch* affords a wry but penetrating insight into issues of identity in Alsace under German rule up to the war, while his socio-political essays and a novel trilogy, *Das Erbe am Rhein*, were written against the backdrop of the malaise alsacien and life under French rule. The historical background to the work is examined in detail as it is intimately bound up with the issues of cultural identity that Schickele explores in his writings.

**Alsace to the Alsatians?** Christopher J. Fischer, 2010-03-30 The region of Alsace, located between the hereditary enemies of France and Germany, served as a trophy of war four times between 1870–1945. With each shift, French and German officials sought to win the allegiance of the local populace. In response to these pressures, Alsatians invoked regionalism-articulated as a political language, a cultural vision, and a community of identity-not only to define and defend their own interests against the nationalist claims of France and Germany, but also to push for social change, defend religious rights, and promote the status of the region within the larger national community. Alsatian regionalism however, was neither unitary nor unifying, as Alsatians themselves were divided politically, socially, and culturally. The author shows that the Janus-faced character of Alsatian regionalism points to the ambiguous role of regional identity in both fostering and inhibiting loyalty to the nation. Finally, the author uses the case of Alsace to explore the traditional designations of French civic nationalism versus German ethnic nationalism and argues for the strong similarities between the two countries' conceptions of nationhood.

**Writing Between the Lines** Eric Robertson, 2023-12-11 This book is the first major study in English of René Schickele's work. Hailed by his contemporaries as one of the foremost German-language novelists of the inter-war period, and celebrated for his Expressionist poetry and his controversial First World War drama *Hans im Schnakenloch*, Schickele also produced socio-critical essays and pioneering editorial work for the pacifist journal *Die Weißen Blätter*. From his literary débuts in fin-de-siècle Strasbourg to the French and German prose fiction of his anti-Nazi exile, Schickele's work reflects his bilingual, bicultural upbringing: his vision of Alsace as a symbolic broker of Franco-German peace finds its clearest expression in the trilogy of novels *Das Erbe am Rhein*. Schickele remains a paradoxical figure, in his own words, a 'citoyen français und deutscher Dichter' (French citizen and German poet). Through readings of all the major texts, Eric Robertson's study situates Schickele's

work within its socio-political and historical context. Particular attention is paid to the personal and political implications of his adoption of German as literary idiom and his reversion to the French mother tongue during the 1930s; Schickele's copious diaries and his correspondence with fellow writers including Thomas Mann, Heinrich Mann and Stefan Zweig are shown to be especially revealing. Schickele's œuvre holds a unique and hitherto underrated place in the European writing of his era.

Bibliothek der neueren Sprachen, oder Verzeichniss der in Deutschland besonders vom Jahre 1800 an erschienenen Grammatiken, Wörterbücher, Chrestomathien, Lesebücher, und anderer Werke, welche das Studium der lebenden europäischen Sprachen betreffen, (Supplement-Heft enthaltend die Literatur vom Anfang des Jahres 1841 bis zur Mitte des Jahres 1849.). Wilhelm ENGELMANN (of Leipsic.),1842

**Mémoires d'un octogénaire** Maurice Jean Kniebihler,2018-12-03 France, juin 1940, l'armée française est bousculée par le Blitzkrieg, la guerre éclair menée par la Wehrmacht. Le Corps expéditionnaire britannique n'occupe plus qu'une zone réduite autour de Dunkerque, la situation des alliés est hautement critique. Le rembarquement du corps expéditionnaire britannique, approuvé par le gouvernement de sa Majesté, est alors décidé. Opération Dynamo sera le plus grand rembarquement de l'histoire militaire, en neuf jours 370 000 combattants, dont un tiers de français, seront évacués dans des conditions inouïes et ramenés sur le sol anglais, réduisant ainsi le danger d'un débarquement allemand face auquel le Royaume-Uni aurait difficilement résisté. Wilfred Beaucamp, britannique par sa mère et français par son père, figure parmi les rescapés. Une circonstance qui changera radicalement sa destinée.

*Women of Valor* Ellen Hampton,2021-03-24 Women in an armored division! General Leclerc had never heard of such a thing. But if he wanted the 19 brand-new ambulances, he would have to take their women drivers too. Known as the Rochambelles, their courage won the admiration of their comrades and changed many minds. These women learned to drive through mortar fire, to pull men from burning tanks, to stanch blood and ease pain. Above all, they learned that no matter who was doing the shooting, the greater enemy was hatred. Only three of the fifty-one women who served in the group published a memoir, and their stories have been all but lost. This book, newly revised and updated, reveals their daring and accomplishments, from Normandy to Berchtesgaden.

**Yvan Goll** Andreas Kramer, Robert Vilain, 2006 This is the first complete bibliography of the writings of Yvan Goll (1891-1950), the French-German poet, novelist, dramatist, journalist and translator. The first part gives full details of Goll's publications during his lifetime, and includes books and pamphlets, contributions to periodicals, newspapers and anthologies, books and journals edited by Goll, translations by Goll, and his published letters. The second part makes it possible to trace the dissemination of Goll's work, with posthumous first publications, posthumous reprints in periodicals and anthologies, translations of Goll's works by others (into twenty languages) and musical collaborations and settings. A comprehensive index of titles or first lines allows the user to trace single works through the various sections; there are also indexes of writers translated by Goll and letters by recipient. This bibliography documents the huge scope of the writings of an author who wrote in three major languages and published in many countries. It contains a wide range of references to texts hitherto unknown, many of them items in journals and newspapers, and is by far the most reliable source to date of what Goll actually wrote.

*Troubling Arthurian Histories* James R. Simpson, 2007 Drawing on a range of approaches in cultural, gender and literary studies, this book presents Chrétien de Troyes's *Erec et Enide* as a daring and playful exploration of scandal, terror and anxiety in court cultures. Through an interdisciplinary reading, it locates *Erec et Enide*, the first surviving Arthurian romance in French, in various contexts, from broad cultural and historical questionings such as medieval vernacular 'modernity's' engagement with the weight of its classical inheritance, to the culturally fecund and politically turbulent histories of the families of Eleanor of Aquitaine and Henry II Plantagenet. Where previous accounts of the tale have not uncommonly presented Chrétien's poem as a decorous 'resolution' of tensions between dynastic marriage and fin'amors, between personal desire and social duty, this reading sees these forces as in permanent and irresolvable tension, the poem's key scenes haunted - whether mischievously or traumatically - by questions and skeletons from various closets.

**Les enjeux de la nomination des langues** Andrée Tabouret-Keller, 1997 Ce premier tome de la série *Le nom des langues*, *Les enjeux de la nomination d'une langue*, présente une dizaine d'études de cas concernant: 1. les enjeux scientifiques de la nomination (en anglais, les emplois du terme *language* lui-même, puis la nomination, le classement, le dénombrement des langues en français, du XVIII<sup>e</sup> siècle à aujourd'hui); 2. les enjeux de l'institution d'une langue (études dans les cas de la langue française-romane, de celui du kurde dans les textes législatifs turcs, de celui de la dénomination des langues chez les parlementaires français en 1994); 3. les enjeux politiques et idéologiques de la nomination (pour l'Europe: cas du breton, des langues en Alsace, des emplois de *deutsch* et *nederlands*, et cas du macédonien; pour l'Hispano-Amérique: cas du *pano*; pour l'Afrique: cas du nom des langues au Mali); 4. les investissements singuliers (nommer le latin et dire ce terme; le récit

mythique de la nomination de l'occitan par J. Deteil, dans La Deltheillerie). La categorie de langue resulte d'une elaboration, d'une construction qui ne denote pas un objet naturel: il s'agit en somme de savoir qui a procede a l'acte de delimitier et de nommer l'entite linguistique consideree, dans quelles circonstances et dans quel but. Le nom d'une langue est arbitraire et chacun se revele un mille-feuilles de significations. Ce feuilletage est sans fin car chacun - de l'homme de la rue au linguiste, a l'homme politique - y ajoute ou bien en retranche ce qui arrange la fin qu'il poursuit. Le nom d'une langue est susceptible de mener une trajectoire independante de l'histoire de cette langue, des parlers ainsi designes, et des locuteurs qui la parlent et qui, dans certains cas, manient sa ou ses formes ecrites. Le nom d'une langue est ainsi toujours le nom d'une autre realite, geographique, ethnique, linguistique, institutionnelle, sociolinguistique, et ainsi de suite.

**New Social Strategies and the Criminal Justice System** European Committee on Crime Problems, Council of Europe, 1994-01-01 Behaviour. Report by F. Bailleau and G. Garioud

**Modern French Drama 1940-1980** David Bradby, 1984-09-06 In the years since 1940, French theatre has been transformed both institutionally and artistically. This book compares all the major traditions and tendencies at work in French theatre since the outbreak of the Second World War, not only in Paris, but also in the Centres Dramatiques and Maisons de la Culture. Previous books have stopped short at the end of the fifties when the influence of Artaud was strong and the Absurd Theatre had become the new orthodoxy. David Bradby reassesses Beckett, Ionesco, Adamov and Genet and challenges the notion that the sixties and seventies were a period of decline in French theatre. The book proceeds chronologically, offering a critical survey of the principal directors, actors and companies as well as of the playwrights, who are its major concern. Important productions are illustrated with black and white photographs. The political background is explained and all quotations are in English.

Eventually, you will totally discover a extra experience and achievement by spending more cash. yet when? reach you agree to that you require to get those all needs in the same way as having significantly cash? ## Strasbourg En Poche Introduction

In today's digital age, the availability of Strasbourg En Poche books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Strasbourg En Poche books and manuals for download, along with some popular platforms that offer

these resources. One of the significant advantages of Strasbourg En Poche books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Strasbourg En Poche versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Strasbourg En Poche books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Strasbourg En Poche books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Strasbourg En Poche books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Strasbourg En Poche books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Strasbourg En Poche books and manuals for download and embark on your journey of

knowledge?

## FAQs About Strasbourg En Poche Books

**What is a Strasbourg En Poche PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Strasbourg En Poche PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Strasbourg En Poche PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Strasbourg En Poche PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Strasbourg En Poche PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
