Applied Ballistics for Long Range Shooting Bryan Litz,2015

Gentle Propositions J. S. Economos,2014-04 Nearly a decade in the making, *Gentle Propositions* is a Vietnam War odyssey as experienced through the eyes of a young Special Forces soldier who volunteers to run recon with MACV-SOG out of Command and Control Central (CCC) at the beginning of 1969. This novel is a work of historical-fiction which includes a unique blend of both

imaginary characters and real people who take part in both real and fictional events in time. Foreword by Lynne M. Black Jr.

Affective Health and Masculinities in South Africa Hans

Reihling, 2020-04-03 *Affective Health and Masculinities in South*

Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as

recovery cross-culturally. With a focus on three male protagonists

living in very distinct urban areas of Cape Town, this comparative

ethnography shows that men's struggles to become invulnerable

increase vulnerability. Through an analysis of masculinities as

social assemblages, the study shows how affective health

problems are tied to modern individualism rather than African

'tradition' that has become a cliché in Eurocentric gender studies.

Affective health is conceptualized as a balancing act between

autonomy and connectivity that after colonialism and apartheid has

become compromised through the imperative of self-reliance. This

book provides a rare perspective on young men's vulnerability in

everyday life that may affect the reader and spark discussion about

how masculinities in relationships shape physical and psychological

health. Moreover, it shows how men change in the face of distress

in ways that may look different than global health and gender-

transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

The Engagement of Professional Services Barry Butcher, David Coker, 1995

The Biblically Defined Process That Brings Fear of the Enemy Into A Person's Life Rachel Little Dove, 2009-03-16 This is Volume Two of The WAR ON FEAR Series. In this book, you will find out what the Bible says about how FEAR originated with mankind. And, you will also see God's foundational solution to FEAR found in the Scriptures. This book was written because we want you learn how to become free from the operation of fear in your life. God Bless you!

Guy Laliberté Ian Halperin, 2009 Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his

passion for life, the Cirque, and women.

Shadowed Isabel Wroth, 2018-02-12 When an orbital prison is torn through a wormhole and crashes on an unknown planet, it's every woman for herself to escape the wreckage. As though savage beasts and harsh, alien climates aren't enough, the survivors discover the world isn't uninhabited and must face new challenges--risking not only their lives but their hearts. DEJA thought she could fear nothing more than the daily treatments she received during her imprisonment on the Concord. The horrible experiments which rack her body with unimaginable, searing pain. But she discovers the true meaning of terror as she clings to life pod's harness while plummeting toward the surface of an unknown planet. Struggling to outrun the beasts hunting her, fighting to outrun the light, Deja hastens for the only cover she can find -- between the feet of a giant stone statue. Only statues aren't supposed to move, or wrap you in their arms and carry you off INTO SHADOW...Welcome to Sonhadra. The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book is a standalone, containing its own Happy Ever After, and can be read in any order. For total satisfaction, it is BEST read as part of the SERIES.

Frommer's EasyGuide to Lima, Cusco and Machu Picchu

Nicholas Gill, 2016-06 Frommer's books aren't written by committee, or by travel writers who simply pop in briefly to a destination and then consider the job done. Frommer's author Nicholas Gill has been covering Peru for over a decade and this book hits all the highlights, from iconic Machu Picchu to Lima's vibrant dining scene. He's checked out all of the country's best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget, whether you're a backpacker or on a splashy honeymoon. Most importantly, he's not shy about telling readers what to see, and what they can skip without regret. The book includes a fold-out map, plus detailed maps throughout the guide, exact pricing, opening hours, and other important details that will make your trip smoother and less hectic. It features smartly conceived itineraries for travelers of varying types, along with savvy, sometimes sneaky, tips for saving money in ALL price ranges, whether you need to pinch pennies or are able to splash out a bit. This book has it all from budget to luxury and everything in between.

Spectral Sea Stephen G. Nichols, Joachim Küpper, Andreas Kablitz, 2017 The essays in this book lay bare the dynamics of

cultural confrontation between Europe and the Mediterranean world from medieval to modern times.

Feminism and Social Change Heidi Gottfried,1996 Fresh, original, and brings together in one place a set of authors who are

very important to the field. -- Mary Margaret Fonow, coeditor of *Beyond Methodology: Feminist Scholarship as Lived Research*

Finally, a collection dedicated to demonstrating precisely what it means to do feminist research -- Madonna Harrington Meyer, University of Illinois at Urbana-Champaign

How likely is feminist research to promote change in society? Are some research methods more successful at bringing about change than others? Contributors to this volume discuss principles of feminist inquiry, providing examples from their own experience and evaluating research practices for their potential to promote social change. The twelve chapters cover methodologies including ethnographic study, in-depth interviewing, naming, and going public. Also explored are consultative relationships between academic researchers and activist organizations, participatory and advocacy research processes, and coalition building.

Love in Case of Emergency Daniela Krien, 2021-04-06

Fans of Sarah Dunn, Elisabeth Egan, and Isabel Gillies will relate to the multifaceted lives of Krien's characters, brilliantly rendered in her vivid voice. -- Booklist

Writing with the wry realism of Sally Rooney, one of Germany's most promising literary talents demonstrates her incisive understanding of the complexities of relationships and the

depths of the human heart in this witty and compulsively readable novel about five very different women whose lives intersect. What happens when women fulfill their roles as wives, mothers, friends, lovers, sisters, and daughters? What comes next? Award-winning author Daniela Krien explores these questions in this powerful novel of friendship, love, loss, and everything in between. Krien explores the hopes, ambitions, challenges, and disappointments that shape modern women's lives, offering intimate insights on motherhood and childlessness, bereavement, infidelity, and divorce. At the heart of the novel are five very different women who find themselves hurtling towards a new way of living without knowing quite how they got there. A fresh take on women's lives, *Love in Case of Emergency* is a punchy yet sensitive novel that takes the notion of aspiring to find happiness and connection to new and exhilarating heights. Translated from the German by Jamie Bulloch
