tracking down and destroying the opposing forces. Unaware of what or whom the opposing forces consist of, the team is launched into harm's way. One thing the government hadn't counted on was the opposing force's secret weapon, the team's obsession with beautiful foreign woman, which had been discovered through years of observation and detailed intelligence work. Lost in their strong obsession with beautiful women, the team is deeply entangled in deep erotic, sensual, seductive and sexual advances, which leads them to self-termination. As the team is forced to search for their true mission, their pre-assigned self-destructive mission explodes in their faces, destroying team members one by one. The team is forced to join up with people they were initially briefed to believe were enemies, and they must confirm the underhanded tactics and strongly supported organizational structure behind the scene. Betrayed by their own organization and those officials put in higher authority, Strike Force One continues their search for the hidden high-ranking officials behind the deceptive operation and plot. Throughout the plot a love story unravels between Kelley and Tom, chief of Strike Force One. Kelley was Tom's sole passion, his future, and the only woman who gave his life new meaning, but she betrays him with a trivial game of revenge that she plots against her kid's deadbeat father. Hurt and betrayed, Tom struggles to sift through the drama and eventually gives up his loyalty to defend all he has left - his pride. Confused, he loses all personal values unknowingly and goes on a sex binge with a few of the many women who are physically attracted to him.
