Wayne Harrison

Coaching Strikers Wayne Harrison,2015-06-01 When we think of the great strikers in soccer history; players like Messi, Ronaldo, Pele, Maradona etc; the most prominent images convey the moments just before, during, and after a goal is scored. The shooting pose, the striker watching the ball fly past a beaten goalkeeper, the euphoric celebration. But what of the movement, the awareness, the cooperation with teammates, the quick decision making, the guile that led to the goal being scored? Striker play in soccer is an art. It requires an understanding of angles, a sense of timing, an awareness of space, great vision, close ball control and shooting skills, and of course the mysterious nose for goal. This book explores methods to develop great strikers through specific training routines, including: Shooting and Finishing Exercises Small Sided Games Functional Training and Phase Play Specific Movements and Formations Emphasis on Body Position Awareness Training

From the Heart Sandy Clark,Scott Burns,2012-04-30 In From the Heart, Sandy Clark tells the story of his headline-grabbing career in football as a striker, manager, coach and now much-respected pundit. From his early days with his hometown team Airdrie, Sandy Clark was a prolific scorer and notched more than 100 goals for the Diamonds. He caught the eye of both Sir Alex Ferguson and Celtic who tried to prise him away and was later named PFA Player of the Year before heading south to West Ham to star alongside Trevor Brooking, Billy Bonds and Tony Cottee. Sandy reveals why he then returned to Rangers and how he helped a young Ally McCoist through those difficult early days, before they went on to help the Light Blues to Skol Cup glory. He also reveals the pain and agony of the 1985-86 season when, with Hearts, he missed out on a league and Scottish Cup double. And he relives his Tynecastle memories, from his derby day glories to Wallace Mercer asking him to value all the Hibs players ahead of his controversial attempt to buy their capital rivals.Sandy speaks openly about his own managerial stint at Tynecastle, where he had to controversially sack Justin Fashanu and for the first time he talks about his heartbreak when Chris Robinson showed him the door and why he later turned down the chance to manage Hearts for a second spell. Clark tells all from his time at St Johnstone, where he led them to third spot, a cup final and back into Europe, where they took on the might of Monaco and also lifts the lid on the drugs nightmare with George O'Boyle and Kevin Thomas and how he believes it led to his eventual sacking. He went on to work under Jimmy Calderwood and Jimmy Nicholl at Dunfermline, Kilmarnock and Aberdeen and says why he believes an Aberdeen legend was behind their controversial Pittodrie departure. Controversial, honest and full of brand new anecdotes, From the Heart is an unmissable football story.

Drinks All Round Kevin Drinkell,2013-02-21 Kevin Drinkell has always put himself in the firing line. Now he lifts the lid on his rollercoaster life in football – as a striker, manager and top football agent. ‘Drinks’ was one of the most prolific forwards in the British game and his scoring exploits had top managers like Terry Venables and Alex Ferguson vying for his signature. Kevin reveals his pride as he fired Grimsby Town up the leagues and then his hurt and anger as his hometown team blocked his move to the big-time. He recalls his action-packed spell at Norwich City, where he was Player of the Year for two consecutive seasons, how he knocked back a move to Manchester United and was denied a dream switch to Spurs. Drinks also admits for the first time how he made a major mistake in quitting Rangers after he had finished as the SPL’s top scorer and helped the Ibrox giants take their first step on the road to Nine-in-a-Row. Kevin then returned to England and now tells of his catastrophic move to Coventry, his falling out with his former Rangers captain Terry Butcher and why he returned to Scotland to help lead Falkirk and Stirling Albion to glory. Drinks All Round is an honest, revealing, no-holds-barred account of a footballer who scored goals wherever he went.

It Shouldn't Happen to a Manager Harry Redknapp,2016-11-03 After 40 years in football management, there's not a lot I haven't seen. There've been big highs, but a fair share of lows too. When I have to make difficult decisions, I make a point of avoiding newspapers, phone-ins, Twitter – all of it. But there's always a load of armchair-pundits waiting to start on me. Being a manager has never been easy, but between the fans and the media it often feels impossible to get it right. In *It Shouldn't Happen to a Manager*, I talk about how different the job is now from what it was like when I used to play. For one, managers used to drive up and down motorways all day to scout for players – now there's so much analysis and global scouting. It's a different thing, completely. In this book, I share everything I've learnt from a lifetime of both wins and losses, and wisdom from greats like Cloughie and Ferguson. I'll tell you about what actually happens in the dressing room, including when Clough smashed the door off its hinges; the bust-ups at full-time, like when I kicked a tray of sandwiches on Don Hutchinson's head; and the times when I had to swap an arm round a player's shoulder for a boot up the arse. It's my guide to being a manager, the Harry way.

These triumphs—along with the managers, the goals, the games, and the fans are vividly brought to life, while Gray also explains how the game was evolving around him.
