*44 Soccer Striker Mistakes to Avoid* Mirsad Hasic,2015-09-01 **DISCOVER::** 44 Soccer Striker Mistakes That You Must Avoid, Today!Would you like to discover the mistakes that decides whether you are going to succeed as soccer striker or not? Playing striker is not an easy job, but there are mistakes that you must avoid at all cost.Those mistakes can either make or break your game which is why it is so critical to identify them early on and then take measurements against them. You see, as a striker you need to be aware of that you'll have a lot of pressure to bear.This includes opponents that will do anything they can to stop you to the responsibility of scoring goals. After all, that's what you are supposed to do as striker: score, score and then yes...score again!You may have heard the expression ...that player has a nose for the goal but let me tell you something: this is a total myth. The reason for why a player has nose for the goal is because he is able to eliminate the mistakes and turn them into his favor.Breaking Down The Mistakes is Critical for Your Success...One of the biggest mistakes soccer strikers face is not fighting for every ball, no matter if there is not even a realistic chance of winning it and scoring from it. I see this constantly in amateur soccer and it's something that separates the professionals from the amateurs. If you study professional soccer you'll notice that that strikers go for every ball no matter the chance of scoring.This needs to be your natural instinct because you can't hope for the ball to come to you, but you need to do everything your power to fight for that ball, even if the chances of winning it are beyond microscopic.By doing this you will develop a natural behavior that will help you score goals from thin air because by fighting for every ball you'll also be able to create scoring chances out of the impossible.**DOWNLOAD::** 44 Soccer Striker Mistakes to AvoidWhen you download 44 Soccer Striker Mistakes to Avoid, you'll learn... Coaching Strikers Wayne Harrison,2015-06-01 When we think of the great strikers in soccer history; players like Messi, Ronaldo, Pele, Maradona etc; the most prominent images convey the moments just before, during, and after a goal is scored. The shooting pose, the striker watching the ball fly past a beaten goalkeeper, the euphoric celebration. But what of the movement, the awareness, the cooperation with teammates, the quick decision making, the guile that led to the goal being scored? Striker play in soccer is an art. It requires an understanding of angles, a sense of timing, an awareness of space, great vision, close ball control and shooting skills, and of course the mysterious nose for goal. This book explores methods to develop great strikers through specific training routines, including: Shooting and Finishing Exercises Small Sided Games Functional Training and Phase Play Specific Movements and Formations Emphasis on Body Position Awareness Training

**'Striker!'** Tony Moffitt,2016-06-23 'Striker!' is a set of easy-to-understand rules for playing incredibly realistic miniature soccer / football matches on a tabletop. Each match plays just like a wargame, using Subbuteo sized figures or cardboard markers to represent players, and a couple of dice. 'Striker' can be enjoyed by two players, groups of players or completely solo! All you need to experience the game is a table. Fans of Subbuteo already have almost everything needed to enjoy 'Striker!' tabletop soccer / football. If you've ever wanted to capture all the thrills and tactics of the real game, the 'Striker!' set of easy-to-understand rules are the perfect answer.The rules are so realistic, and so true to the game, they can also be used by every soccer / football coach as a powerful grassroots teaching tool. Written and created by an experienced football coach (and an experienced wargamer) these rules let you enjoy the thrill of every big match... in your home... in miniature!The 'Striker!' rulebook has been deliberately low-priced to make it affordable to every fan that plays soccer / football, coaches, or simply loves the game.

**Sideways on Or Facing Forward Body Shape for Striker Position** Wayne Harrison,2016-06-22 This book includes in-Depth information on Striker Movement. Soccer is a sideways on sport -- players will have much more success when they are able to receive the ball at an angle. Being sideways on allows players, in advance of the ball, to be able to see peripherally advancing defenders. These exercises are excellent for developing this sideways on aspect of receiving and passing the ball. This aspect of play becomes particularly important when one touch soccer is required. Being able to have the body halfway turned enables attacking players to use a couple of maneuvers to get past defenders.
