Ben Mezrich

Bringing Down the House Ben Mezrich,2002-12-02 The #1 national bestseller, now a major motion picture, 21—the amazing inside story about a gambling ring of M.I.T. students who beat the system in Vegas—and lived to tell how. Robin Hood meets the Rat Pack when the best and the brightest of M.I.T.'s math students and engineers take up blackjack under the guidance of an eccentric mastermind. Their small blackjack club develops from an experiment in counting cards on M.I.T.'s campus into a ring of card savants with a system for playing large and winning big. In less than two years they take some of the world's most sophisticated casinos for more than three million dollars. But their success also brings with it the formidable ire of casino owners and launches them into the seedy underworld of corporate Vegas with its private investigators and other violent heavies.

Blackjack-33 James C. Donahue,2010-05-19 "You have to react instinctively. In this game there's no second place, only the quick and the dead." In Vietnam, Mobile Guerrilla Force conducted unconventional operations against the Viet Cong and North Vietnamese Army. Armed with silencer-equipped MK-II British Sten guns, M-16s, M-79s, and M-60 machine guns, the men of the Mobile Guerrilla Force operated in the steamy, triple-canopy jungle owned by the NVA and VC, destroying base camps, ambushing patrols, and gathering the intelligence that General Westmoreland desperately needed. In 1967, James Donahue was a Special Forces medic and assistant platoon leader assigned to the Mobile Guerrilla Force and their fiercely anti-Communist Cambodian freedom fighters. Their mission: to locate the 271st Main Force Viet Cong Regiment so they could be engaged and destroyed by the 1st Infantry Division. Now, with the brutal, unflinching honesty only an eye witness could possess, Donahue relives the adrenaline rush of firefights, air strikes, human wave attacks, ambushes, and attacks on enemy base camps. Following the operation the surviving Special Forces members of the Mobile Guerrilla Force were decorated by Major General John Hay, Commanding General, 1st Infantry Division.

Bringing Down the House Ben Mezrich,2004 Cheating in casinos is illegal: card-counting - making a record of what cards have so far been dealt to enable the player to make some prediction of what cards remain in the deck - is not. This book tells the true story a successful scam, in which teams of young mathematicians and physicists won millions of dollars from the casinos of Las Vegas.

The Kelly Capital Growth Investment Criterion Leonard C. MacLean,Edward O. Thorp,W. T. Ziemba,2011 This volume provides the definitive treatment of fortune's formula or the Kelly capital growth criterion as it is often called. The strategy is to maximize long run wealth of the investor by maximizing the period by period expected utility of wealth with a logarithmic utility function. Mathematical theorems show that only the log utility function maximizes asymptotic long run wealth and minimizes the expected time to arbitrary large goals. In general, the strategy is risky in the short term but as the number of bets increase, the Kelly bettor's wealth tends to be much larger than those with essentially different strategies. So most of the time, the Kelly bettor will have much more wealth than these other bettors but the Kelly strategy can lead to considerable losses a small percent of the time. There are ways to reduce this risk at the cost of lower expected final wealth using fractional Kelly strategies that blend the Kelly suggested wager with cash. The various classic reprinted papers and the new ones written specifically for this volume cover various aspects of the theory and practice of dynamic investing. Good and bad properties are discussed, as are fixed-mix and volatility induced growth strategies. The relationships with utility theory and the use of these ideas by great investors are featured.

Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire,

Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

I Know Why the Caged Bird Sings Maya Angelou, 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Tales from the Pit David G. Schwartz, 2016 Dealing in a casino presents challenges and rewards not seen in many workplaces. With hundreds of thousands of dollars at stake every minute, table games pits are high-stress workplaces. Managing a workforce of dealers and attending to the needs of players brings stresses of its own. In 2015, the University of Nevada, Las Vegas's Center for Gaming Research received a grant from the UNLV University Libraries Advisory Board that enabled it to undertake an oral history project intended to capture the stories of table games managers, including both those currently working in the field and those who have retired. Drawn from these interviews, Tales from the Pit provides an overview of how the interviewees felt about a variety of topics, ranging from their experiences breaking in as new dealers to their transitions to management and the changes the industry has seen over their careers. The current and former managers speak candidly about the owners, bosses, dealers, and players who made each day challenging. This book illuminates the past several decades of casino history through the words of those who lived and made it.

How to Make \$100,000 a Year Gambling for a Living David Sklansky, Mason Malmuth, 1997 Is there really such a thing as a professional gambler? The answer is an unequivocal, Yes! This book's authors are but two examples. Many thousands of people around the country make a good living exclusively from gambling. It is not easy, but it can be done. The key is to understand which games are beatable and know how to beat them. David Sklansky and Mason Malmuth have spent many years writing about the finer points of poker, blackjack, and other beatable games. As you will see in the book, those other games are horses, sports, progressive slots and video poker, casino tournaments, and special promotions. They don't include craps, roulette, keno, or baccarat for reasons they'll explain. This book, was written for the not quite as experienced aspiring gambler. It shows you everything you need to learn and do if you want to gamble for a living from both the practical and the technical standpoints. The rest is up to you.

A Thousand Bones P. J. Parrish, 2007-06-26 A woman cop. A haunting memory.... The only female detective in the Miami PD's Homicide division, Joe Frye has memories that haunt her, and a past that not even her lover, detective Louis Kincaid, truly knows. It began when Joe was an ambitious rookie cop in a small Michigan town called Echo Bay.... The bones found in the woods were the first clue in a string of unimaginably brutal murders of young women. Plunged into a heated investigation -- and caught between the dictates of a reluctant local sheriff and the state police -- Joe soon uncovers the chilling truth: In the dead of winter in the Michigan woods, she must face down a predator who has chosen her as a worthy opponent -- or become his next victim.

Trumped! John R. O'Donnell ,James Rutherford,2016-03-23 ON TOP OF THE WORLD ... IN A HOUSE OF CARDS The tabloids tracked his every move. The business magazines predicted his demise. And the public couldn't get enough. But the only people privy to Donald Trump's real story were the members of his inner circle—men such as Jack O'Donnell, a top executive at Atlantic City's Trump Plaza Casino until April, 1990. For three years O'Donnell witnessed the goings-on in the House of Trump that the people only guessed at. Now he reveals what he saw. Here's the inside story of Trump's legendary tirades, his convenient forgetfulness, and the infamous Donald Trump ego. O'Donnell tells how the Plaza staff catered to Trump's personal whims, and to those of his mistress—and how the man who built the largest gambling hall in the world knew little about running a casino. From the hypocrisy, bad deals, and the monumental debt to the untold tales of Marla and Ivana, **Trumped!** rips the mask off the mighty Trump facade—revealing a man whose castle is about to collapse.
