Many workouts have physical benefits such as: -Cardio exercise -Improved range of motion and flexibility -Toned muscles -Ability to target specific muscle and joint groups - Growing career and make money as a dancer The part self-help book, part how-to guide, and part sales training manual, this is a 10-step handbook for achieving success as a stripper, whether that means graduating from college debt-free, launching a small business, or staying home to raise your kids. It has practical, hands-on advice that will benefit you whether you're a seasoned stripper or an aspiring dancer who has never set foot in a club. Written by a former dancer, this handbook walks women through the process and pitfalls of the dancing life, with an eye toward maximizing earnings
