Confessions of a Stripper Lacey Lane,2004 What really goes on ... inside the mysterious VIP Room? Find out first-hand, as career stripper Lacey Lane unlocks the doors to the secret sanctums at the center of the action in gentlemen's clubs across America. Confessions of a Stripper puts you in the middle of the VIP Room, where freaks, fetishists, scammers, and even normal guys match wits with the dancers. Here, outlandish fantasies are bought and sold, and almost nothing is beyond the realm of possibility. This sizzling memoir also offers instruction on tipping, finessing the bouncers, negotiating for services, avoiding sucker traps, and--yes--even scoring a date with a dancer.

How to Not Be a Dick in a Strip Club Jacqueline Frances,2017-04-24 You might think strippers are awesome but strip CLUBS are intimidating! YOU ARE NOT ALONE. Read on to see how you can be a stoked and respectful patron of the naked-and-dancing babe arts.

Strip Club Kim Price-Glynn,2010-09-14 Stripper chic is in these days: you can watch celebrities strippercize on Oprah or do it yourself at your local gym, but this popular face of stripping hides another side of the industry, one that is far less glamorous. In Strip Club, Kim Price-Glynn takes us behind the scenes at The Lion's Den, a rundown club where women are compelled to strip out of economic need rather than as a means of liberation, and a place where strippers' stories often reflect drudgery and dismay. Strip Club reveals the intimate working lives of not just the women up on stage, but also the patrons and other workers who make the place run: the owner-manager, bartenders, deejays, doormen, bouncers, housewives, and cocktail waitresses. Price-Glynn spent fourteen months at The Lion's Den working as a cocktail waitress. Her uncommonly deep access reveals a conflict-ridden workplace fuelled by competing interests and agendas and stereotypical ideas about women, men, sexuality, race, labour, and economic value. Full of rich insights into the world of a single club, Price-Glynn argues that the club environment reproduces gender inequalities through the everyday interactions of customers and workers as well as the broader organizational structure and culture of the modern day workplace. Taking a novel approach to this controversial and often misunderstood industry, Price-Glynn draws a fascinating portrait of life and work inside the strip club.

If You Fall on Stage @HartofaStripper,2020-10 Dear Diary... Everything I ever needed to know, I learned at the strip club... Naïve but not quite innocent, a self-proclaimed nerd-turned-stripper bares it all on the pages of her diary. These essays and diary entries written over an eleven-year period of time reflect on stripper life and the world inside the double doors of a strip club. In this sobering tale of humanity in the sex industry, Brittney shares her heart and dishes the dirt on everything from why body lotion is banned in strip club dressing rooms to what really happens in the champagne room. This is a story about strippers, strip club employees, and customers but it's also a story about friendship, love, and the strength of the human spirit.

Corsett Chronicles Charles Meier,2014-01-31 Adult humor at its finest. A window into the life of a strip club manager, and the lives and antics of some of the strippers that have worked for him. These are true Stories of actual events that have taken place in a Key West adult entertainment nightclub. This is the real definition of where the weird turn pro. Managing strippers is like herding cats or nailing Jell-o to a tree. Then you add the customers! This ranting is filled with profanity, stupidity, drunken debauchery, some photographic evidence of a few of the key players in action with very little left to the imagination and copious amounts of stripper drama. Not for the faint of heart or easily offended.

The Gentlemen's Club Journals Sandra Strike,2020-05-09 Kate's life seemed to end when she found a videotape of her husband, now her ex, having sex with a stripper. She obsesses over the tape, masturbating nightly. Her friend Maureen tries to get her out of her funk with good, clean, casual sex; and thus begins Kate's journey of sexual discovery that will lead her sex with a stranger, her first lesbian sex, her first threesome, and even to a glory hole where she'll please strangers she can't ever see. It all leads up to her final confrontation with Elektra, the young stripper who slept with her husband. This girl has secrets of her own, and Kate's journey to this point doesn't prepare her for the rough, reluctant gang bang she witnesses! Warning: This ebook contains very explicit descriptions of sexual activity during increasingly daring sexual encounters. It includes stranger sex, lesbian sex, mff threesome sex, glory hole sex, forced deep throat, rough sex, anal sex, double team sex, and double penetration. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.

Hell Is Full of Strippers Isaac Ho,2012-08-22 I'll never forget the look of horror on her face when I told her I loved her. After failing to upgrade his friendship status into a romantic relationship, a young man finds himself served with a temporary restraining order. He Found Love in the Strip Club Traci B,2017-02-09 Yasmine 'Hennessi' Tate is a senior at Clark-Atlanta University. She is determined to be successful, even if it means sliding down a pole to make ends meet. Though she never has plans of becoming one of Atlanta's top dancers, she is left no other option when her parents are left paralyzed after a car accident. Knowing that she has mouths to feed and bills to pay, she knows that she needs to make fast money. Her motto is - she needs those bills to pay her bills - which she strictly lives by. Hennessi prides herself on the fact that she doesn't have to do anything out of the ordinary to make it to the top. However, this is the exact reason she is envied amongst other dancers. If her status isn't enough to cause envy, Bucks forcing himself into the picture really exposes how envious other girls can be. Jarvis 'Bucks' Banks is the owner of an elite car dealership. He definitely earns his street credentials, but he wears the businessman title so much better. In his spare time, he goes down to Magic City for entertainment. There, he lays eyes on Hennessi. Every man knows that Hennessi is off-limits, including Bucks. Since Bucks feels like he is not the average client who frequents Magic City, he feels he's above the rules. After a few private dances, Bucks is ready to take things to the next level with Hennessi. There is just one problem, Hennessi and Bucks are both taken. To him, taken is simply a title that can be changed at any time. For Hennessi, it is more than that. She values her relationship with her high school sweetheart - Andre. Even still, Andre isn't enough to stop Bucks from pursuing Hennessi. Sometimes, all it takes is that one person to show what you've been missing out on. Will Bucks win Hennessi over with his consistency or will Hennessi stick with the man she's loved since a teenager?

Stripped Samantha Bailey,2012-04-05 When Sam Bailey tells people that she used to take her clothes off for money, three questions usually follow. The first is 'Why?' The simple answer is that she enjoyed it. She liked showing off, being desired and earning a lot of money. The second is 'How did you get started?' Sam was 17, had a poorly paid job that she hated and couldn't bear to think that was all there was for her in life. The third question is: 'So, Sam, what was it like?' In Stripped, Sam Bailey reveals all about her experiences, taking us behind the scenes and introducing us to the other strippers and the punters, aged 18 to 80. She recounts a series of episodes that shine a light on the simultaneously sexy and seedy, glamorous and grotty world of lap-dancing clubs. Stripped takes you down the steps and through the double doors to reveal some of the night's darkest secrets and expose the reality of life in the strip-club underworld.
