LIKE A VAMPIRE AT A SALAD BAR Jas

McKnight, 2011-04-19 A lighthearted collection of stories stemming from a life on Earth spanning two centuries. Residue from rubbing shoulders with luminaries and peons alike. Eulogies, essays, songs, poems, and even a very fine recipe for corn casserole stolen directly from the kitchen of our good friend, Evelyn Dick. A shamelessly self-promoting tome of epic proportions, considering my normal conveyance - a lousy two-page letter sent at Christmas time every year, without fail. PLEASE BUY THIS BOOK! We need to buy a beamer before the brother-in-law gets one. Yeah, that's shallow, but hey, isn't that CAPITALISM at its best!

How to Become a Modern Magus Don Webb, 2023-01-17

A detailed step-by-step program for building a magical practice • Offers a full 12 months of activities, rituals, spells, and exercises to help you acquire magical skills and knowledge and achieve your goals • Details the practice of Egyptian Soul Craft, including how to work with the KA and the BA and how to perform magical workings with Egyptian deities • Shares spells for

specific purposes, from manifesting wealth to summoning lost things to healing ailments, as well as providing templates to create your own rituals and custom spells. In this practical training guide, Don Webb lays out a detailed step-by-step program for building and sustaining a magical practice. Based not on Eliphas Levi's correspondence system but on an older form of Egyptian magic, as well as drawing on Chaos Magic, shamanism, and the secret techniques of the Temple of Set, the program offers a full 12 months of activities, rituals, spells, and exercises to help you acquire magical skills and knowledge and maximize your strengths over the course of a year. Beginning with the hows and whys of magic, as well as the real dangers of the occult and how to avoid or cure them, the author shares experiences from his 45 years of personal work and 30 years of teaching the magical arts. He presents the Inshallo Rite for creating a magical helper as the first step on the road to becoming a magician. Presenting a chapter-per-month curriculum, he explores the magical powers of elements, gods, and esoteric traditions, with weekly and daily exercises as well as emotional and mental training connected to each month's topic. He examines the four elements in depth, sharing rites, invocations, spells, and activities for working magically with each element. Based on more than three decades of magical teaching, Don Webb's guide to becoming a modern magus will help beginners start their magical journey and support experienced magicians to revitalize and balance their existing practice.

Null Witch Maria Schneider, 2023-05-16 There's a lot of magic in the world, but a single touch from me and any enchantment is ashes to ashes, dust to dust. People want me dead, but the homeless are hard to pin down. At least that was true until I made a foolish mistake and rescued a caged mountain lion shifter. My null is no threat to him, but those who wanted him captured are after me now. Carlos didn't realize the danger when he hired me to buffer him from magic that could put him back in a cage. I didn't realize the danger of being part of a partnership. Sure, it's better than being hungry on the streets, but it's more dangerous for both of us. Carlos is strong and fast; I'm quick and sneaky. But will Carlos trust me enough to keep me hidden when he finds out what I am? And can I stay free long enough to protect him?
