Finishing Strong Steve Farrar,2000-10-09 Bestselling author Steve Farrar has good news for the average man: it doesn't matter if you've had a great start in the Christian life, or a rough one. It doesn't matter if you've stumbled time and again, or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his kids, and his Lord is an exception these days. Finishing Strong, now in trade paperback, offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an

essential tool.

**Building Strong Banks Through Surveillance and Resolution** Mr.Charles Enoch,Mr.Dewitt Marston,Mr.Michael Taylor,2002-09-18 Since the mid-1990s, economic observers have kept a watchful eye on the financial sector because of its potential to spark economic crises. Banks in particular have come under close scrutiny. This book offers guidance on setting up regulatory and supervisory regimes that can help to prevent crises, and on dealing with turmoil, should a crisis erupt. It contains a collection of essays on a wide range of issues useful to bolstering the banking and financial sector.

**Words of Wisdom from Women to Watch** Business Insurance,2016-12-27 Learn from some of the most respected women in insurance and risk management Women to Watch presents the advice, guidance, and lessons learned from the most successful women in risk management and insurance. For the past 10 years, Business Insurance has highlighted key women in the field—women noted for their skills, accomplishments, courage, wisdom, and everyday steel. In this book, these women present their stories in their own words; through essays and anecdotes about key issues, key moments, and crucial lessons, former Women to Watch honorees provide a glimpse into what it takes to make it. They've battled obstacles, hurdles, and institutionalized career impediments—and they've come out on top; their stories provide inspiration, motivation, and concrete, real-world guidance for all women who seek advancement in the insurance and risk management fields. Business Insurance receives several hundred Women to Watch nominations every year; of those, they honor only 25. These women are the cream of the crop, and their unique insights into all-too-common experiences can help us all rise to the top. Shatter the glass ceiling and close the wage gap Shift your perspective on what work/life balance means Celebrate and navigate the workplace's changing demographics Learn how successful women get it done The insurance and risk management fields look very different today than they did even 10 years ago; there is much to celebrate, but even more still left to be done. There is no substitute for the wisdom of experience, and the best lessons come from those who have navigated the path successfully. Women to Watch provides unique insight into the women who have conquered the field, and critical perspective for those who will follow.
