*Student Loan Solution* David Carlson,2019-03-15 Eliminate your student debt and start building wealth with this step-by-step guide to financial freedom by the author of Hustle Away Debt. Student loans are complicated. College financial aid terms like “federal direct subsidized” and “GRAD Plus” mean little to most of us. Each type of student loan is slightly different, with its own set of rules and repayment options. In Student Loan Solution, personal finance expert David Carlson explains what student loan borrowers need to know and what they should be focusing on. Carlson provides a 5-step approach to help you understand your loans, your repayment options—including opportunities for loan forgiveness—and your greater financial life. The strategies he covers will help you make and save more money while paying down your student loans faster. Student Loan Solutions will teach you how to:Pay off your student loan debtPersonalize your student loan repayment planLive a happier, financially smarter life

**CliffsNotes Graduation Debt** Reyna Gobel,2013-11-05 With updated information that reflects the myriad changes in the student loan industry that affect students and their parents burdened with student loan debt, CliffsNotes Graduation Debt, Second Edition provides a step-by-step road map for effectively managing student loan debt and having a successful financial life. Reyna Gobel has accumulated tens of thousands of dollars in student loans, recovered from student loan default, and set herself on a mission to help others who face a seemingly insurmountable student loan burden, with a powerful message about taking a step-by-step approach and not being overwhelmed by the sheer weight of student loan debt. Divided into small subsections geared toward those neck-deep in debt, this book is easily digestible to students who aren’t inclined to focus on their finances. Readers are encouraged to take action steps, such as finding long-lost student loans that may have gone into default, discovering payment plans they can afford, consolidating loans when it makes sense to do so, saving money on eating out and groceries, improving credit scores, tweaking their debt-to-income ratios so they can buy a home, and discussing their student loan and non-student loan debt with their significant others. By the end of the book, readers will be on the road to financial stability, with extra money for vacations and other fun stuff, too.

**The White Coat Investor** James M. Dahle,2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non

**How to Pay for College** Student Loan Hero,2011 According to College Board, a year of tuition at a public four-year school in 1987 cost \$3,190. Now, a year at that same school would cost \$9,970. College prices are increasing, and going to school is more expensive than ever before. But that doesn't mean you have to resign yourself to borrowing hundreds of thousands of dollars to earn a degree. We at Student Loan Hero created this guide to a complicated financial aid system so that you know all your options and can make informed choices. I hope this encourages you to explore as many scholarship and grant opportunities as possible and navigate through the process of applying for federal and private student loans.

**The Optometrist's Guide to Financial Freedom** Aaron Neufeld,Dat Bui,2019-10-09 Fueled by the popular and rapidly growing ODsonFinance Facebook community of Optometrists and companion website, Co-founders Drs. Dat Bui and Aaron Neufeld created this comprehensive blueprint on techniques to overcome financial obstacles facing optometry students, residents, practicing doctors and other high-earning professionals. This book strives to teach both young and experienced optometrists financial topics that were never taught in school, ranging from strategies on how to use a high-income salary to attack massive student debt, budgeting and saving for retirement, avoiding predatory advice from financial advisers, using tax strategies to save money, creating passive income, stepping into private practice ownership and how to build wealth through long-term investing in an ever-changing optometric world. Clinical anecdotes and straightforward advice will keep students and new graduates entertained page after page while teaching important financial lessons to avoid potential pitfalls. This Book will cover topics such as: The harsh reality of Optometry and finding the right optometric career for you How to save money while in school and ways to attack student debt How to save for retirement and build wealth for the future through investing and real estate Practice ownership and creating a profitable practice Insurance and tax strategies, and when to hire professional help How to create your own side hustle Praise for the The Optometrist's Guide to Financial Freedom: This is it! The guide that every single optometrist should be reading! Why weren't we taught this in school? -Dr. Angela Wong O.D An amazing high-yielding personal finance guide for doctors and other high earning professionals! Very practical and straight to the point. -Dr. Andy Vu D.D.S. I've been following Dr. Dat and Dr. Aaron online for a while now, and I couldn't wait to pick up their new book! The financial advice they give is very practical and easy to follow. This is a must-read for any health care professional who wants to manage their money more efficiently. Highly recommended! -Dr. Austin Ofreneo, O.D. The ODsonFinance guys have done a great job in teaching young doctors how to tackle the unique financial issues that plague physicians! I felt so lost and helpless before I read this and now this book is a guiding light for my future wealth-building. -Dr. Rose Wei M.D.

*Student Loan Planning* Ryan H. Law,2018-08-13 Despite federally mandated entrance and exit counseling about student loans, research shows that the majority of borrowers are confused about their debt and the terms they are borrowing on: ●64% of students worry about having enough money to pay for school ●65% misunderstood aspects of their loans, including the repayment terms, the amount of their monthly payment, or the interest rate ●2/3 of borrowers do not understand the difference between federal and private loans ●60% of students have more student loan debt than they expected to have ●2/3 of borrowers are not sure they will be able to pay off their student loans The purpose of this book is to give you a baseline understanding of student loans. We will review how to minimize student loans, types of loans, repayment plans, delinquency and default, forgiveness programs, and strategies to pay off debt as quickly as possible.
