**The Discourse of Powerlessness and Repression** Hans J. Ladegaard, 2016-10-26 Drawing on a large corpus of narratives recorded at a church shelter for abused domestic helpers in Hong Kong, this monograph explores how the women discursively construct themselves in sharing sessions with other helpers. They see themselves as 'helpers' who have come to Hong Kong to help their families, to help the people in the city, and to serve God. A wide variety of competing identities are constructed in the narratives: submissive helper, sacrificial mother, daughter and wife, and powerless traumatised victim, but also resourceful indignant migrant women who, through sharing and peer support, become empowered to fight against abusive employers. This book provides a detailed discourse analysis of the women's narratives, but it also explores larger issues such as global migration, exploitation, language and power, abuse and the psychology of evil, intergroup communication, and peer support and empowerment.

**Just Call Me Stupid** Tom Birdseye, 2014-07-15 Fifth-grader Patrick can't read, but when the new girl next door encourages him to overcome his fears and try, he starts believing he isn't so stupid after all Patrick Lowe has always loved imagining his own fantastic stories of brave knights and dragons. Unfortunately, every time he tries to read, his father's voice pops up in his head telling him he's stupid, and the words on the page suddenly become too blurry to see. By his fifth grade year, Patrick has stopped trying to read altogether. He doesn't think he needs any friends, but his new next-door neighbor Celina just won't leave him alone. As Patrick and Celina slowly become friends, Celina starts reading *The Sword and the Stone* to him every afternoon. Patrick is entranced by this mythical world of white knights and vicious beasts, magic and adventure, but no matter how hard he tries, he himself still cannot read. But when Celina betrays his trust, Patrick finds himself betting to the class bully that he can read a story to the entire school. Patrick is determined to show everyone that he's no dummy, but can he get past his own fears and finally learn to read?

**The Daybreakers** Louis L'Amour, 2003-09-30 Tyrel Sackett was born into trouble but vowed to justice. After having to kill a man in Tennessee, he hit the trail west with his brother Orrin. Those were the years when decent men and women lived in fear of Indians, rustlers, and killers, but the Sackett brothers worked to make the West a place where people could raise their children in peace. Orrin brought law and order from Santa Fe to Montana, and his brother Tye backed him up every step of the way. Till the day the job was done, Tye Sackett was the fastest gun alive.

**Grounding Quinn** Steph Campbell,2012-12-06 Eighteen-year-old Quinn MacPherson's biggest fear has always been turning out like her mentally unstable mother or cold-hearted father. That is, until she meets Benjamin Shaw. Quinn thinks hooking up with Ben over summer vacation will be nothing more than a quick fling, and with his hot body and heart-breaking smile that's all she really wants from him. But she quickly realises that, Ben is not just some guy. He gets her - the real her, flaws and all - and that scares the hell out of her. So when Ben does the unthinkable and tells Quinn he's in love with her, she does what comes naturally: she pushes him away, breaking his heart, before he can break hers. Ben isn't prepared to let go that easily, he knows that Quinn is something special, and he'll do whatever it takes to make sure they're together. But will he be able to persuade Quinn to open herself up and allow Ben in to her life... and her heart?

**The Navigator's Dream** Julia A. Turk,2012-02 In this third and final volume of Julia Turk's Navigator's Dream series, the Navigator makes one final voyage into the realm of tarot to ultimately find enlightenment but it will be much more difficult than a simple turn of the cards for our psychiatrist-turned-philosopher and mystic. In Seetime, the hero ascends into the Major Arcana of the tarot deck via a sailboat led by the Higher Self of the Navigator, known as Guide. Joined together with a motley crew, the sailboat takes the Navigator and Guide deep within the islands, or Sephiroth, of the Mystic SEA. These are not tropical islands intended for peace and comfort; each island is different than the last, and each carries a mystery that must be unraveled. Although the Navigator has learned much amidst the tarot cards, has the hero learned enough to make it home? Externally, the Navigator has difficulties, but internally there are problems as well; as the riddles unravel, so do the deeply held psychological issues of the Navigator. By the end, the mysteries of the Major Arcana might be solved, but will the Navigator be able to heal the wounds built prior to the tarot adventure?

**The Daybreakers/Sackett** Louis L'Amour,2008-02-26 One of the most popular fictional creations of our time, the chronicle of the Sackett family is also one of Louis L'Amour's crowning achievements—and these two magnificent novels are proof . Sackett A drifter by circumstance, William Tell Sackett hungered for a place he couldn't name but knew he had to find. South of the Tetons, through a keyhole pass, he found it: a lonely yet beautiful valley—with a fortune in gold. Then he found an even greater treasure: Ange Kerry, a courageous and resourceful woman. But the harsh ways it takes

to protect his claim—and their lives—may be the one thing that drives Ange away. The Daybreakers Orrin Sackett had to be pushed into a fight. But Tyrel Sackett was born to trouble. The night Tye stepped between his brother and a bullet changed them both forever. Now their trail pointed west, to a lawless frontier town called Sante Fe. Orrin took the job of marshal, while Tye commanded respect without a badge. When a loose end from their past turns up, one brother will be forced to revert to his old ways—if the other’s dreams are to be realized....
