Stammering Benjamin Nathaniel Bogue,2021-07-19 I was laughed at for nearly twenty years because I stammered. I found school a burden, college a practical impossibility and life a misery because of my affliction. I was born in Wabash county, Indiana, and as far back as I can remember, there was never a time when I did not stammer or stutter. So far as I know, the halting utterance came with the first word I spoke and for almost twenty years this difficulty continued to dog me relentlessly.

Stammering: the cause and cure William Wahab CAZALET,1857

Stuttering Oliver Bloodstein,1993 The author presents an objective, research-oriented, and evenhanded approach to understanding the nature and treatment of stuttering. It is the first book to contain a full chapter on stutterer's self-help programs and contains the clearest and most up-to-date review of brain research on stutterers.

The Cause and Cure of Speech Disorders James Sonnett Greene,Emilie J. Wells,1927

Stammering Benjamin Nathaniel Bogue,2018-01-13 Excerpt from Stammering: Its Cause and Cure I have spent a life-time in studying stammer ing, stuttering and kindred speech defects. I have written this book out of the fullness of that experience - I might almost say out of my daily work. I have made no attempt at literary style or rhetorical excellence and while the work may be homely in expression the information it con tains is definite and positive - and what is more important - it is authoritative. Stuttering Edward G. Conture, 2001 This highly readable, clinically oriented book combines theory and therapy and examines all facets of stuttering, from

possible etiologies through assessment to treatment. While considerable uncertainty still exists regarding the precise cause(s) of stuttering, Conture provides the reader with an even-handed coverage of fundamental knowledge, methodology, and procedures for effectively dealing with stuttering in children, teenagers, and adults. The book goes beyond a how to manual. Rather, Conture's clinical handbook provides both students and clinicians a source for principle-based procedures and strategies for the management of stuttering. Focusing on people who stutter as people first and people who stutter second, the material covers assessment and management of stuttering within the realities of everyday living, concomitant speech and language problems and clinical practice. For those in the fields of communication science and disorders and speech pathology.

No Miracle Cures Thomas David Kehoe, 2006 Stuttering is caused by at least five factors: genetics, two neurological abnormalities, responses to stress, and speech-related fears and anxieties. But most stuttering therapy programs address only one issue, such as breathing a certain way, or not hiding your stuttering. Each might help you in some situations, but you still stutter in other situations. No Miracle Cures instead guides you through treatments for all five factors that contribute to stuttering. You'll find the best treatments for children, teenagers, adults who stutter mildly, and adults who stutter severely. Stuttering may seem like one big problem to you. No Miracle Cures breaks down stuttering into many small problems and shows you how to solve each one.

Stuttering Barry Guitar, 2013-01-29 Stuttering: An Integrated Approach to Its Nature presents the most comprehensive textbook on the topic today, providing an overview of the etiology and development of stuttering and details, appropriate approaches to accurate assessment and treatment. Exploring a variety of practice settings, this core introductory book grounds

all topics in a firm basis of the disorder's origin and nature. This edition has been thoroughly updated to address all current methodologies.

Self-therapy for the Stutterer Malcolm Fraser, 2002 Malcolm Fraser knew from personal experience what the person who stutters is up against. His introduction to stuttering corrective procedures first came at the age of fifteen under the direction of Frederick Martin, M.D., who at that time was Superintendent of Speech Correction for the New York City schools. A few years later, he worked with J. Stanley Smith, L.L.D., a stutterer and philanthropist, who, for altruistic reasons, founded the Kingsley Clubs in Philadelphia and New York that were named after the English author, Charles Kingsley, who also stuttered. The Kingsley Clubs were small groups of adult stutterers who met one night a week to try out treatment ideas then in effect. In fact, they were actually practicing group therapy as they talked about their experiences and exchanged ideas. This exchange gave each of the members a better understanding of the problem. The founder often led the discussions at both clubs. In 1928 Malcolm Fraser joined his older brother Carlyle who founded the NAPA-Genuine Parts Company that year in Atlanta, Georgia. He became an important leader in the company and was particularly

outstanding in training others for leadership roles. In 1947, with a successful career under way, he founded the Stuttering Foundation of America. In subsequent years, he added generously to the endowment so that at the present time, endowment income covers over fifty percent of the operating budget. In 1984, Malcolm Fraser received the fourth annual National Council on Communicative Disorders' Distinguished Service Award. The NCCD, a council of 32 national organizations, recognized the Foundation's efforts in adding to stutterers', parents', clinicians', and the public's awareness and ability to deal constructively with stuttering.
