**MANIPULATION** Peter Carpenter,2021-06-05 55% discount for bookstores! Now at \$37.99 instead of \$44.99 Do you start each day pondering the purpose of your life? I feel you... Sometimes you may look at your day's activities and wonder if you are getting to where you choose to be. Some days everything is pretty good, then suddenly you may experience unfulfillment, an emptiness, or a sense of not enough... ... it could be related to your partner, your work, your

family, or your friends. Hey, stop that train of thoughts now: you are not alone. It feels especially lonely and it is easy to fall into the trap of thinking that you are the only one facing these questions. But you are not. Are you ready for being the best version of yourself? The brain is wired to remember bad experiences, emotions, and engage in unhealthy behaviors more easily than positive ones. Sometimes, it is easier to withdraw from the potential of what life can be than to deal with other people who seems to make everything harder. In order to understand and overcome this, Mental Toughness studies how Manipulation works in people. Manipulation examines the tactics used by malicious people to motivate, persuade, manipulate, or coerce others into acting in ways that are beneficial to themselves, and potentially detrimental to the other person. In addition, Mental Toughness builds on this knowledge by providing information and techniques that train you to: - Reprogram your mindset to one that transforms, revitalizes, and empowers you - Build a path leading you to success with self-discipline and willpower - Create healthy habits that boost confidence and discover your potential and possibilities - Overcome and remove negative thought; further cementing your motivation and reinforcing healthy habits - Lead conversations and be a figure of persuasion - Analyze people and situations, and create an outcome that is to your advantage - Step out of your comfort zone and face challenges with newfound strength and vigor - Setting the path to experience success in every area of your life - Lead every day with fulfillment and happiness The day to envision a life you have always wanted starts right now.
