Travel Light Sudoku Allister Penn, 2019-09-19 Enjoy working your way through this handy little book full of stimulating and challenging Sudoku puzzles. It's small enough you can take it just about anywhere you go. Travel Light Sudoku is compact enough to fit in most pockets, tote bags, purses, and backpacks; then all you have to do is grab a pen or pencil and start the fun. As soon as you work the first puzzle, you will discover this puzzle book is different from most all other books in that it gives you the answers on the back of the puzzle you are working on. Just turn the page and you have the help you need if you get stumped and when you are ready to check your answers (if you even need to). No more flipping to the back of the book to try and find those tiny little answer boxes with numbers so small you can barely see them--let alone read them. You won't have to worry about losing your place in the book because you're only a flip of a page away from the one you were working on. Plus, the answer puzzles are the same size as the blank ones, making them easy for your eyes to quickly spot the numbers you are looking for. This Sudoku puzzle book is very portable and features 5 various levels of difficulty. Progress through the levels of 1) Very Easy; 2) Easy; (3) Medium; (4) Hard; and (5) Harder for 9 x 9 puzzle grids. Plus, we have included some 16 x 16 grids as well to keep your brain happy. Whether you are a beginner or a seasoned player, don't make your brain wait another minute before it can enjoy these stimulating and challenging Sudoku puzzles in a convenient travel size. This puzzle book features: 5 levels of difficulty for each puzzle format - 9x9 and 16x16 Solutions for each puzzle are found on the next page instead of at the back of the book so you can easily check your answers and not lose your place 5 x 8 sized paperback makes it easy to take anywhere with you to play while you wait for school pickups, flights, appointments, etc. There

are ten (10) puzzles for each level of the traditional 9x9 grids and five (5) puzzles of the 16x16 sized puzzles for each Printed on cream colored paper so the glare is easier on your eyes and to help prevent answers showing through from the next page because it's slightly thicker than white paper 124 pages of fun Perfect size for carrying in your purse or tote bag, pocket, or backpack
