Lord Sugar Charlie Burden,2011-08-01 Sir Alan -- or Lord Sugar as he now is -- has the power to inspire anyone to succeed. His story is a template for all who want to achieve. An incredible story, told in a way that will provide maximum tips for those who want to follow him -- how Sugar grew up in an East End council flat and boiled beetroots for the local greengrocer, built his empire, became Sir Alan Sugar and a fixture on the Sunday Times Rich List and television star. Brimming with piercing insight and entertaining anecdotes, this brand new biography reveals the secrets that took Sugar to the top and shows how to learn from his soaring career. The author identifies and analyses the Great British values that made Lord Sugar one of the country's wealthiest men including courage, honesty, hard-work and fair play. Never afraid to tear up the rule-book, Sugar has an unconventional and eccentric streak. In his personal life too, he displays the best of British characteristics, always remaining a loyal family man. In recessionary times, this is a timely and unmissable account of an incredible man. Sugar is also enormously generous, supporting numerous charitable and cultural ventures. This bulldog businessman has proved to be a beacon of light. Partly a biography, this has all the elements of the most practical kind of self-help guide -- showing through the example of the man appointed to be the government's enterprise tsar how anyone can overcome the odds to achieve greatness.

Sir Alan Sugar - The Biography ,2010-08-10 From a humble background, growing up in an East London council flat, Sir Alan Sugar has become a business success story and television sensation, amassing a net worth of GBP830 million. Charlie Burden traces his rags-to-riches story from a childhood boiling beetroots for the local greengrocer to his knighthood and seat at the table of power. His company Amstrad went public in 1980, setting him on the road to riches with a string of successful businesses. In the 1990s, Sir Alan became chairman of Tottenham Hotspur and he has also become famous for his generous nature, which has seen him support Great Ormond Street Hospital, the Jewish Care charity and he has played a key part in the resurrection of the Hackney Empire.

Carbivore Phoebe Lapine,2024-03-26 Put carbs back on the table and dispel pervasive myths about carbs with this cookbook featuring 125 recipes that show you how to combine ingredients for the healthiest (and delicious) carby dishes you love. Diet trends come and go, but over the last decade, no one food group has been vilified and misunderstood as much as carbs. A hundred years ago, our relatives got more than 50 percent of their nutrients from carbs, and yet the chronic conditions we grapple with today were rare. The good news is that carbs don't have to be the enemy of your blood sugar or hormone health, nor are they the secret agents of inflammation. Carbivore is a new way to reclaim your favorite comfort foods without the consequences. Whether you're suffering from keto-fatigue, have been told carbs are off the table because of health issues, or just want to embrace food freedom without fear, Phoebe Lapine offers a delicious solution with 130 completely fiber-forward (gluten-optional) recipes that are organized by your favorite type of carb—noodles, grains, loaves, spuds and more. As she did in her invaluable gut health guide, SIBO Made Simple, Phoebe will cure your carb confusion and show you how to “have your cake and eat it too” with strategies like her signature “carb companions.” This book is a mouth-watering culinary adventure that will allow you to balance your blood sugar, support hormone health, and limit autoimmune symptoms, all while embracing the foods you love.
