William Trevor

**Love and Summer** William Trevor, 2009-09-17 It's summer and nothing much is happening in Rathmoye. So it doesn't go unnoticed when a dark-haired stranger appears on his bicycle and begins photographing the mourners at Mrs. Connulty's funeral. Florian Kilderry couldn't know that the Connultys are said to own half the town: he has only come to Rathmoye to photograph the scorched remains of its burnt-out cinema. A few miles out in the country, Dillahan, a farmer and a decent man, has married again: Ellie is the young convent girl who came to work for him when he was widowed. Ellie leads a quiet, routine life, often alone while Dillahan runs the farm. Florian is planning to leave Ireland and start over. Ellie is settled in her new role as Dillahan's wife. But Florian's visit to Rathmoye introduces him to Ellie, and a dangerously reckless attachment begins. In a characteristically masterly way Trevor evokes the passions and frustrations felt by Ellie and Florian, and by the people of a small Irish town during one long summer.

**Days of Yore** Betty Hamby Gripentog, 2013-10-16 I started to write a story about my parents and grandparents that I knew and remembered. I especially wanted to write about the changes in the way they lived and how so many things have changed even in my lifetime. I was born in 1931, in a different world than my grandchildren live in today. The changes and inventions that have occurred in the last 100 years and the ways they have changed the way we live are remarkable. The more research I did, the more involved and interested I became in history. No longer were

the Puritans and Quakers just people that came to this country seeking religious freedom they were our grandparents. They helped to settle this great country of ours, endured all the hardships making it and us what we are today. I found many events that I had skipped over in history or had forgotten, but when you find your ancestors were there living those times they take on a different meaning. Fern Lancaster, my Uncle Jacks wife, was a Mormon or Latter Days Saint member and they are very big into genealogy. She was working on the Lancaster ancestry and my sister Donna and I assisted her in helping our parents and grandparents to remember. She would give me copies of the records she had made and I would toss them into a desk drawer, thinking someday I would like to do a little more on them. A Bob Hamby came thru Paducah, Kentucky and called our brother Bill, aka Sonny, and asked what his grandfathers name was? Bob explained he was a long distance truck driver and every time he went to a different city, he would look up the Hambys to see if they were related. He was from Florida. Bill told him he did not know his grandfathers name as he had died about the time he was born, but his sister, Donna, could give him that information. They exchanged telephone numbers. Donna and Bob played phone tag for several months, one day they connect. She told him her grandfather was William Logan Hamby. Bob told her, he had his ancestry and would mail it to her. Donna received the information and since she now lived in Kentucky and most of the Hambys had moved to Kentucky years and years before and stayed there, she was in the right place for researching. Donna started checking with people especially Dee Kunnecke. Every time I made a trip to Kentucky we checked censuses, graveyards and libraries to see what more we could find. Unfortunately, most of it was tossed into that drawer with all the other papers to work on at another time. Fern and Donna passed away and I thought if this is going to get done, I had better get busy: as I am not getting any younger. About a year and a half ago, I got out the drawer with all

the papers and started trying to assemble them. I heard about Ancestry.Com and started looking up family trees. Some had very good information, others not so good, but helpful to say the least. Pretty soon I was an Ancestry.com junkie! (Note; not all the info is correct, you have to pick and choose.) My children gave me an I Pad for my birthday and a new world opened up to me. I found Google! Between Ancestry.Com and Google I used reams of paper copying and comparing everything. I hope some of you will read my book and get as excited as I have been and continue to add to it for future generations. I have enjoyed writing this book, but what I have learned from the research about our families, ancestry and history of our country and how it was settled are too numerous to write. I feel that I have gotten to know these people and they are no longer just names. As I am computer illiterate, this book would never have gotten finished had it not been for the help that daughter Linda Nelson, granddaughter Candice Nelson-Hayes and grandson Jeff Workman gave me. They came running every time I yelled for help! Thank You! My daughter, Gail Kaiser, came to my aid with the pictures and captions, Thank you. Please do not grade me on my typing or grammar. Hopefully this book will give you a

A Summer of Adventure Jacqueline White Unruh, 2015-04-25  
Teenage Toby lived with his grandmother. When she died suddenly, arrangements were made for him to spend the summer in Dallas, Texas, with his only living relative, his uncle Mike. They were clearly scared and Toby wanted to help if he could Toby convinced Cindy and her brother, Tommy, to come with him to Dallas, where he was sure Uncle Mike would know what to do. There was a long wait before their bus departure time, so the three kids ran back to Cindy and Tommy's house where they quickly packed some clothes and found what money they could. **Beyond the Boundaries** Larry Lankton, 1999-05-06

Spanning the years 1840-1875, *Beyond the Boundaries* focuses on the settlement of Upper Michigan's Keweenaw Peninsula, telling the story of reluctant pioneers who attempted to establish a decent measure of comfort, control, and security in what was in many ways a hostile environment. Moving beyond the technological history of the period found in his previous book *Cradle to the Grave: Life, Work, and Death at the Lake Superior Copper Mines* (OUP 1991), Lankton here focuses on the people of this region and how the copper mining affected their daily lives. A truly first-rate social history, *Beyond the Boundaries* will appeal to historians of the frontier and of Michigan and the Great Lakes region, as well as historians of technology, labor, and everyday life.

PUMPKIN PICKING WITH MURDER Speaking of love affairs, the other passenger in the boat—and only witness to the elderly Mr. Masterson's swan song—is not his wife. It's Erica's beloved and feisty "aunt," Tweety, who quickly becomes the prime suspect. Vowing to clear Tweety, Erica teams up with her sassy BFF and self-appointed security expert Freddie Ng to solve the murder—despite the objections of Grady, who's convinced the amateurs are going overboard in their investigation. And he just may be right. But as Erica and Freddie start to dredge up long-kept small-town secrets, will they heading straight into troubled waters? *Pumpkin Picking with Murder* is the second book in Auralee Wallace's Otter Lake Mystery series!

**The Jester's Bells** Carol E. Abraham, 2000-08 Events jolting and stirring, historic and whimsical, come to life thick and fast in *The Jester's Bells*. Filled with irony, satire, and caricature, it is the story of Carol Enid Abraham, a Depression Baby, growing up in Brooklyn during the lean, war-torn 1940s and the A-bomb scare of the 1950s. It reflects the pendulous swing of morals and ethics, gender and racial advances, radical religious thinking, inspired silliness and profound creativity that shaped her life, leaving permanent yet invisible scars. Live in the atmosphere of this vibrant, hard-charging century as her family comes full circle from its origin in the shtetls of Europe to an American generation of assimilation.

**The Love of a Good Woman** Alice Munro, 2009-09-23 WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013 In eight new stories, a master of the form extends and magnifies her great themes--the vagaries of love, the passion that leads down unexpected paths, the chaos hovering just under the surface of things, and the strange, often comical desires of the human heart. Time stretches out in some of the stories: a man and a woman look back forty years to the summer they met--the summer, as it turns out, that the true nature of their lives was revealed. In others time is telescoped: a young girl finds in the course of an evening that the mother she adores, and whose fluttery sexuality she hopes to emulate, will not sustain her--she must count on herself. Some choices are made--in a will, in a decision to leave home--with irrevocable and surprising consequences. At other times disaster is courted or barely skirted: when a mother has a

startling dream about her baby; when a woman, driving her grandchildren to visit the lakeside haunts of her youth, starts a game that could have dangerous consequences. The rich layering that gives Alice Munro's work so strong a sense of life is particularly apparent in the title story, in which the death of a local optometrist brings an entire town into focus--from the preadolescent boys who find his body, to the man who probably killed him, to the woman who must decide what to do about what she might know. Large, moving, profound--these are stories that extend the limits of fiction.

**The Rest of the Story** Sarah Dessen,2019-06-04 From #1 New York Times bestselling author Sarah Dessen comes a big-hearted, sweeping novel about a girl who reconnects with a part of her family she hasn't seen since she was a little girl—and falls in love, all over the course of a magical summer. Emma Saylor doesn't remember a lot about her mother, who died when Emma was twelve. But she does remember the stories her mom told her

about the big lake that went on forever, with cold, clear water and mossy trees at the edges. Now it's just Emma and her dad, and life is good, if a little predictable...until Emma is unexpectedly sent to spend the summer with her mother's family that she hasn't seen since she was a little girl. When Emma arrives at North Lake, she realizes there are actually two very different communities there. Her mother grew up in working class North Lake, while her dad spent summers in the wealthier Lake North resort. The more time Emma spends there, the more it starts to feel like she is also divided into two people. To her father, she is Emma. But to her new family, she is Saylor, the name her mother always called her. Then there's Roo, the boy who was her very best friend when she was little. Roo holds the key to her family's history, and slowly, he helps her put the pieces together about her past. It's hard not to get caught up in the magic of North Lake—and Saylor finds herself falling under Roo's spell as well. For Saylor, it's like a whole new world is opening up to her. But when it's time to go back home, which side of her—Emma or Saylor—will win out?
