

# Sunrise On The Caribbean Beach

Yijin Wang

Caribbean Sunrise Edna Bell-Pearson, 2012-11-01 While on a mid-winter holiday in the Yucatan Peninsula—a graduation gift from her parents—Megan Lockridge finds herself stranded on an idyllic tropical beach. Playa Gloriosa provides everything she dreamed of in a vacation—friends, fun and games—and romance. Two incredibly attractive gentlemen vie for her attentions; Francisco, an amorous Latino who arouses emotions she never dreamed she was capable of and Kevin, a handsome New York advertising agent who, she suspects, might turn out to be the love of her life. Megan, however, finds it difficult to relax and enjoy her holiday because of several strange incidents, not the least of which is that, for some mysterious reason, she is prevented from leaving. Frustrated and desperate, she finally escapes only to find herself taken hostage by a drug lord. A wild car chase follows resulting in an accident. As Megan recuperates in a luxurious Caribbean seaside villa her true love is revealed by an unexpected turn of events.

*Sunrise Over the Volcano* Todd Norwood, 2019-10-10 Three years have passed since Bamboo Bob packed up his life and moved to Key West to run his tropical radio station Coconut Island. While he has found success, the non-stop Florida Keys party scene has begun to take a toll on his life. From picking up the pieces of ruined romance to nursing depleted finances, Bob is in search of a change. When his newly-reformed cousin Steve shows up with a foolproof plan to launch his radio station into the big leagues – hosting his very own Bamboo Fest at a resort in Costa Rica, complete with all of Bob's

favorite performers - it's a tropical concoction that he absolutely must sip. Joining Bob and Steve on their Central American journey is their ailing Aunt Trish, her boozy best friend, and a beautiful tropical singer in search of her own island dreams. Bob learns that nothing goes according to plan, even if you are in the middle of Paradise. Their journey takes them from the heart of Key West to the beaches of the Pacific and deep into the Central American jungle. Bob will learn answers to the secrets of his past and discover the life that has been waiting for him under the Volcano. Featuring appearances and song lyrics from a number of Trop Rock artists, including Sunny Jim, Thom Shepherd, Donny Brewer, Mark Mulligan, Kelly McGuire and Jimmy Parrish, *Sunrise Over the Volcano* is the perfect beach read which finally answers the question: What happens after you Chase the Sun?

**DK Eyewitness Travel Guide Caribbean** DK Eyewitness, 2019-12-17 Escape to islands infused with vivacious culture. Whether you want to join the world's biggest street party in Trinidad, cruise around the Virgin Islands or admire Havana's yesteryear architecture, your DK Eyewitness travel guide makes sure you experience all that the Caribbean has to offer. Bradt Travel Guides - Colombia Sarah Woods,2012-01-20 The most in-depth guide available to one of South America s undiscovered gems.

*Derek Walcott's Encounter with Homer* Rachel D. Friedman, 2024-03-23

Derek Walcott's *Encounter with Homer* puts Derek Walcott's epic poem *Omeros* in conversation with Homer, especially the *Odyssey*, to show how reading them against each other changes our understanding of the poems of both poets. It explores Walcott's conscious use of the *Odyssey* and the Homeric persona of *Omeros* to explore his own deepening relationship with his craft and his identity as a Caribbean poet. Walcott's ability to serve as the vessel of history for his people and their landscapes rests on his transformation into (and self-perception as) Homer's contemporary and equal. Central to the project of *Omeros* is thus an account of his shift from a diachronic to synchronic relationship with Homer: over the course of the poem his poetic persona, the Poet, and Homer come to occupy the same temporality and creative space. By locating the poems of Walcott and Homer in a zone of vibrant and unexpected encounter, Rachel Friedman demonstrates how they can be seen as mutually informing texts, each made richer in the presence of the other. The argument follows two intertwined thematic threads. The first focuses on the poems' landscapes and seascapes and the ways in which *Omeros* reworks the *Odyssey*'s affective geography. While the *Odyssey* represents the sea as a dangerous space and valorizes life on land, Walcott reverses this trajectory from sea to land, bearing witness to the painful histories carried in the St Lucian soil and relocating homecoming to the space of the Caribbean Sea, a space which accommodates diasporic histories and the imagining of fluid forms of emplacement. The second thread focuses on Walcott's poetic persona: his journey in and out of the poem and his positioning of himself as a tribal poet like Homer. Central to the project of *Omeros* is the Poet's account of the processes by which he becomes the poet who can adequately give voice to

the histories of his people and the archipelago they inhabit.

*Fodor's Essential Caribbean* Fodor's Travel Guides, 2022-09-06 Whether you want to stay at an all-inclusive resort, find the best beach, or snorkel around some of the world's best coral reefs, the local Fodor's travel experts in the Caribbean are here to help!
