*Sunset Sunrise* Redwood Writers,2020-09 From the beginning of a love affair to the end of a marriage, from the start of a journey to the end of the road, from the first signs of life to the very last breath, this anthology of stories by members of the Redwood Writers regional writing club shares tales of beginnings and endings, shining a light on the sunset or sunrise of a moment in fiction or memoir form. Ralph Waldo Emerson said, Every sunset brings the promise of a new dawn. In this collection of short stories, discover the promises in each ending, and the hope in each beginning.

*Sunrise, Sunset* Kim Weiss,2014-10-14 Much like life, the stage changes even when our vantage point doesn't. And so it is with the rising and setting sun, no two are ever the same. Every picture tells another color, shape and shadow story . . .

**Sunrise, Sunset a Book of Poems** Nichola K. Wallace,2012-12-20 You, bringer of sunshine to the rain, Like an ancient pearl in the ocean, Once found, but kept to oneself, Because it was too precious to let go.

*Sunrise, Sunset* R. A. Douglas,2021-07-14 From civil war to turf wars, the Srithier twins go from the ruins of Jaffna, Sri Lanka to the suburbs of Canada in search of a new life. The struggle to survive versus the struggle to fit in, intercepted by new friendships, bad company, and budding romances, turn their lives into an almost typical high school drama. Will they survive? More importantly, will they fit in? Will Akil ever win the heart of the perfect La Reine Jacob? Relive those high school butterflies and teenage dilemmas through this coming of age story, while taking a trip from the Pearl of the Indian Ocean, to the boroughs of Toronto.

*Sunrise, Sunset* Sheldon Harnick,Jerry Bock,2005-10-11 An illustrated version of the well-known song about the passage of time, from the musical *Fiddler on the Roof*.

*SunriseSunset* Bill Wittliff, 2019-10-03 For the past several years, photographer, screenwriter, and author Bill Wittliff has been placing photographic paper inside beer cans, tubes made of PVC, and other cylindrical containers and affixing them to posts, trees, and other vertical supports on his Plum Creek Ranch near Luling, Texas. Wittliff pokes pinholes in the containers and allows the sun to “paint” on the paper over periods that can last anywhere from a few days to a year. The resulting solargraphs are, as art photographer Kate Breakey suggests, a record of “the slow turning of the earth, without the details: the gradual passing of time at Plum Creek.” In *SunriseSunset*: Solargraphs from Plum Creek, this relentlessly inventive writer and artist has gathered some of his favorite creations, offering them as a visual tribute to the interaction of a particular place within the great arc of the cosmos. He shares with readers his delight upon discovering the technique through a chance encounter. He confesses an infectious enthusiasm for harvesting such unpredictable products of light and time as he roams with his canine companion Louie across a locale he describes as “a continuous miracle. . . . I want to see new worlds on a piece of paper . . . I want to be astonished . . . I’m always greedy for another miracle.” Kate Breakey’s foreword sets an affectionate, thoughtful tone for this stirring artwork, followed by the literary observations of photographer, educator, and artist Keith Carter. But the bulk of *SunriseSunset* is given over to page after page of mysterious, other-worldly, evocative images etched by “the slow turning of the earth” and the fertile imagination of the author.

**Sunrise at Sunset** Bj Barnes, 2021-01-04 June in Sunset Beach is supposed to be a time for sun, fun and family. This June it was going to be anything but for the families in this beautiful beach town. Little did anyone realize this North Carolina town would be forced into the national spotlight. Terrorism, murder and intrigue had come to visit. Vacationing Sheriff TJ Sloane was out of his

jurisdiction but not out of his element. The intrigue quickly became personal and this career law enforcement officer was going to be pushed further than he had ever been pushed before. Sunrise at Sunset is the first of a trilogy as part of the Defender Series. This first book deals with murder, and terrorist activity that is supposed to happen in other places around the world, not Sunset Beach, North Carolina. The players are from around the globe but Washington, DC seems to be the epicenter of what's wrong with America's Intelligence community, and Sunset Beach is where it begins. Will the country survive?

**Sunrise, Sunset and Everything in Between** Victoria Rogers, 2009-09-01 The preceding pages were written as a release of the pressures and pleasures of surviving and living life. The words in this book was out of moments both precious and painful, and served as outlets of inspiration that shaped each page with heart, faith, and love.

**His Sunrise My Sunset** Jan Hurst, 2016-05-12 Jan Hurst is a widow, mother, and retired executive, who built a business career over 30 very eclectic years in multiple business disciplines. She and her husband, Steve, were married 44 years, the first 24 years following his Air Force career. They had two daughters, who both became accomplished professional women and dedicated wives and mothers. Jan enjoyed her early marriage as a homemaker, until their younger daughter started school. As returning adult students, Jan and Steve both completed college while working and supporting a family. Once Steve retired from the Air Force, Jan began her career, no longer having the interruptions of moving and job hopping. She continued her education to earn an MBA and PhD in Business Administration Management. Jan focused on a personal ministry in business to lead organizations and share management approaches to incorporate Christian values. Having grown up as an Air Force dependent, her passion was to show people that clicks and good ol' boy approaches

are not as productive or rewarding. She and her husband were both passionate about helping others and worked to live as they believed. They shared a special respect and admiration for each other up until the day they were parted. Jan is a witness willing to share her faith, love of God, and story. Losing her husband did not diminish her faith. Her faith has strengthened.

**Sunrise, Sunset** Kim Weiss, 2014-10-14 The same vista. Never the same sun. Much like life, the stage changes even when our vantage point doesn't. And so it is with the rising and setting sun, no two are ever the same. Every picture tells another color, shape and shadow story . . . whatever unfolds each day reveals the diversity and beauty of life. Birds, insects, reptiles, trees, sandy shores—all thrive under the majesty of the sun. Weiss offers all of this as a show of gratitude, a tribute to the awe of each new day. *Sunrise Sunset* is replete with glorious photographs of different days and different suns captured from the very same vantage point, the very same terrace. Complementing her photographs are meditations, passages, poetry, reflections and contemplations from some of the bestknown and loved inspirational leaders of our time: Jack Canfield, Marci Shimoff, M.J. Rose, Arielle Ford, Don Miguel Ruiz, Jr., Richard Bandler, Lisa McCourt, Betsey Chasse and many more. This is the ultimate gift book for saying 'thank you', sharing a blessing or offering an oasis for spiritual awakening. From sunrise to sunset, this will be a perennial bestseller.

**Sunrise at Sunset** Jaz Primo, 2010-10 We vampires are focused and tend to shape our own realities. My name is Katrina Rawlings, and I am a vampire. I declare that with neither pride nor ego. I am simply nature's most dangerous predator. On occasion, it's a very helpful quality. It helped me

protect Caleb Taylor one day when he was very young. But that single, traumatic day is behind him now; wiped from his memory, or so I hope. He has finally matured into a rather striking young man, and believe me, I like what I see. I'm feeling hopeful for our future together, in fact. But an adversary from my past has returned to haunt me, and she's trying to get back at me through Caleb. That was her first...and last...mistake. I'll protect my Caleb at all costs, and I'll make her regret the day she was born. So, I suppose that I'm not just a vampire. I'm about to become someone's worst nightmare.
