**Longhorn Canyon Box Set Books 1-3** Carolyn Brown,2021-01-05 Don't miss a special collection from the Queen of Cowboy Romance, the New York Times and USA Today bestselling author Carolyn Brown! Cowboy Bold Every summer, Cade Maguire looks forward to opening his Longhorn Canyon Ranch to underprivileged city kids. But this year he's having no luck finding a counselor for the children—until Retta Palmer walks through his door. Nurturing and sweet, Retta is perfect for the position. Plus, one summer of work will give her enough money to pay the last of her father's medical bills and finally leave town. But the sparks between Retta and Cade are absolutely undeniable. And Cade and Retta may just find that the best way to heal is with each other. Cowboy Honor Levi Jackson has always taken in strays—cats, dogs, bunnies, you name it—probably because, as an orphan, he often felt like a stray himself. So when Claire Mason and her niece end up stranded on the Longhorn Canyon ranch during a Texas blizzard, he doesn't just rescue them, he offers Claire a job at the ranch until her SUV can be repaired. For the next few weeks, he loves feeling like part of a family. But when Claire's brother returns will Levi be able to convince Claire her true home is with him? Cowboy Brave Though born and raised on a farm, Emily Baker has worked hard to distance herself from that rough-and-tumble life. But when the seniors at the nursing home where she works beg for a ranch retreat, she caves and heads up to the Longhorn Canyon spread. And one glance at sexy Justin Maguire has her thinking that playing cowgirl might not be so bad after all. But no matter how attracted she is to Justin, there's no way, no how she's falling for a cowboy.

**College Curriculum at the Crossroads** Kirsten T. Edwards,Maria del Guadalupe Davidson,2017-11-22 College Curriculum at the Crossroads explores the ways in which college curriculum is complicated, informed, understood, resisted, and enriched by women of color. This text challenges the canon of curriculum development which foregrounds the experiences of white people, men and other dominant subject positions. By drawing on Black, Latina, Queer, and Transnational feminism, the text disrupts hegemonic curricular practices in post-secondary education. This collection is relevant to current conversation within higher education, which looks to curriculum to aid in the development of a more tolerant and just citizenry. Women of color have long theorized the failures of injustice and the promise of inclusion; as such, this text rightly positions women of color as true experts in the field. Across a variety of approaches, from reflections on personal experience to application of critical scholarship, the authors in this collection explore the potency of women of color's presence with/in college curriculum and emphasize a dire need for women of color's voices at the center of the academic process.

Buzzcocks - The Complete History Tony McGartland,2017-05-04 BUZZCOCKS | THE COMPLETE HISTORY is the bible for fans of the legendary Manchester band who gave birth to the independent record movement and released some of the greatest punk records of all time. By distinctively combining sardonic wit, romanticism and timeless tunes, they produced such classics as 'Orgasm Addict', 'What Do I Get?' and 'Ever Fallen in Love?' Their split in 1981 only heightened their reputation as one of the brashiest and most melodic bands ever, and the widespread acclaim that has greeted their reformation and subsequent new material has solidified their reputation as perhaps the most relevant punk band of today. THE COMPLETE HISTORY draws on years of research and numerous interviews with the band and associates, and contains meticulous detail of every gig, record release, rehearsal, recording session, bootleg and line-up, including an entire history of the band members' many and varied solo projects. In addition, a complete discography of Buzzcocks material, as well as photographs of every line up (including many previously unseen shots) complete the ultimate collectable for any fan. This revised and updated edition picks up where the last left off in 1995 and gives Buzzcocks fans a unique, in-depth and complete piece history of the British punk icons.

Hands Free Mama Rachel Macy Stafford,2014-01-07 “Rachel Macy Stafford's post The Day I Stopped Saying Hurry Up was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by.” --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living “Hands Free” If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it’s no wonder we’re distracted. But this isn’t the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society’s answer to finding balance in a media-saturated, perfection-obsessed world. It doesn’t mean giving up all technology forever. It doesn’t mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.
