ZACHARY SHUTE

📖 **SUPER FAKE LOVE SONG** David Yoon,2021-07-13 From the New York Times bestselling author of Frankly in Love comes a young adult romantic comedy about identity and acceptance. Perfect for fans of John Green and To All the Boys I've Love Before and now in paperback! When Sunny Dae--self-proclaimed total nerd--meets Cirrus Soh, he can't believe how cool and confident she is. So when Cirrus mistakes Sunny's older brother Gray's bedroom--with its electric guitars and rock posters--for Sunny's own, he sort of, kind of, accidentally winds up telling her he's the front man of a rock band. Before he knows it, Sunny is knee-deep in the lie: He ropes his best friends into his scheme, begging them to form a fake band with him, and starts wearing Gray's rock-and-roll castoffs. But no way can he trick this amazing girl into thinking he's cool, right? Just when Sunny is about to come clean, Cirrus asks to see them play sometime. Gulp. Now there's only one thing to do: Fake it till you make it.

📖 **SUPER NATURAL HOME** Beth Greer,2009-03-17 “An invaluable book, filled with practical solutions on how to eat healthier, breathe cleaner air, and transform your home into a safe haven, free from toxic chemicals.”—Deepak Chopra From eliminating chemicals in your food and water to choosing clean beauty products, let the Super Natural Mom teach you everything you need to know to “live clean” in a toxic world! Beth Greer had been living what she considered a healthy lifestyle when a medical crisis prompted her to reevaluate everything—from the food she ate to the personal-care products she used and the environment she lived in. Now, in Super Natural Home, she shows the alarming extent of the dangerous chemicals we unwittingly expose ourselves to every day. As she did in her own life, she invites readers to put their lives under a microscope. The straightforward, solutions-based approach of Super Natural Home—complete with quizzes to help identify and correct potential toxic hot zones—speaks directly to what environment-conscious consumers really need: ultra-practical advice on what they can do right now to limit exposure to the poisons that are endangering them and their children. At a time when impeccable scientific research points to an alarming correlation between common chemical compounds and cancers, allergies, psychiatric disorders, and birth defects, among other serious health concerns, Super Natural Home gives consumers the tools to start protecting themselves and their families. Praise for Super Natural Home “Beth Greer’s clear, comprehensive, and practical book is a godsend for anyone living in America who wants to make a real impact on reducing the pollutions and poisons that are ubiquitous in our surroundings. She’s full of good humor, yet will help you live a far cleaner and more wholesome life than you might have thought possible. Hats off to her. Read this book.”—Peter Coyote, actor and author “Making simple changes can often have a profound impact not only on you and your family’s health but also on the planet. Beth Greer has done a fabulous job of creating a practical resource that will let you know what these changes are and how to easily implement them.”—Joseph Mercola, DO, founder of Mercola

📖 **WRITE ABOUT YOU: A SMALL TOWN FAKE DATING ROMANCE** Jami Rogers,2023-02-21 I'm fake dating a romance writer. All he asked in return was that I promise not to fall for him. Whoops. Zane Rosey knows just about all there is about romance. Our town isn't very big, so I've seen him in action with women at the bar. He knows when to say the right thing, where to put his hands, when to kiss your neck or make you laugh. Asking him to fake date me until the guy I've crushed on for years finally notices me was a no brainer. I even laughed when he asked me not to fall for him. Yeah, okay, don't fall for the playboy romance writer. Check. I blame myself for the rest of our story. I knew what faking a relationship would mean, but I never actually thought about what it would be like when we put the plan in motion. When he'd have to hold my hand, or place his at the small of my back. When he'd kiss me, or hold me in his arms dancing. When we'd end up sharing a room. It's all for show. I know that. But somewhere in there I know that the guy he is with me, isn't the one he puts on display for everyone else. The man he is with me is the one making me question every choice in my life. My biggest question yet, am I making him question his? 📖 **ON THE SHORT WAVES, 1923-1945** Jerome S. Berg,2007-03-28 As radio developed in the early 1920s, the focus for most people was the AM band and stations such as KDKA, the first broadcast station. There was, however, another broadcast method that was popular among many early enthusiasts--shortwave radio. As is true today, the transmission of news and entertainment programs over shortwave frequencies permitted reception over great distances. For many in America and beyond, shortwave was an exciting aspect of the new medium. Some still tune the shortwave bands to enjoy the programming. Others pursue broadcasts for the thrill of the hunt. This book fully covers shortwave broadcasting from its beginning through World War II. A technical history examining the medium's development and use tells the story of a listener community that spanned the globe. Included are overviews of the primary shortwave stations operating worldwide in the 1930s, along with clubs and competitions, publications and prizes. A rich collection of illustrations includes many QSLs, the cards that stations sent to acknowledge receipt of their transmissions and that are much prized by long-distance collectors.
