The Wiser-Mouse Legacy Derek V. Everard,2012-05 It is quite rare to encounter an authentic Christian--living in obedience to Jesus' Word. This spiritual guide focuses on the practice of what Jesus taught in easy, non-religious terms. It explores how we may apply Jesus' principles to our everyday lives. He stated in John. 7:16, My doctrine is not Mine, but His that sent Me. This true life adventure includes a legacy of spiritual wisdom discovered in an abandoned cottage on the edge of Exmoor Forest. Some beautiful sketches of a Yellow-Necked mouse added to the intrigue of wondering why the scribe signed his work as Wiser-Mouse. Now, rescued from the ruin of dampness and decay--his messages are woven into the Legacy as, The Lost Notebooks of Wiser-Mouse. Spiritually mature Christians need to challenge the widespread, insidious teaching and practice of unsound doctrine. 1 Cor.2:15. Do we blindly follow the traditions of man and his churches? Or, do we obey the commands of God in the Holy Bible? They are distinctly different. But in vain do they worship Me, teaching for doctrines the commandments of men. Matt. 15:9. the Holy Bible is the final arbiter on all matters of Christian doctrine. It is utterly irrelevant as to WHO is right--authenticity is focused only on WHAT is right! the Wiser-Mouse Legacy is for those who seek to live the immutable doctrine of truth as taught by our Lord Jesus Christ.

Two decades ago, scientists learned that the core spins faster than the rest of the planet, storing up a cache of energy that, if released, could cause an earthquake that would obliterate human life. To begin mankind anew, Henry Peel is going to lead us to the stars. He gathers the world's leading physicists and engineers and asks them to design a spaceship large enough to safeguard a sample of humanity and durable enough to survive a thousand-year voyage. Money is no object, but time is short. The apocalypse is on its way.
