How to Start a Home-Based Event Planning Business Jill S. Moran, 2015-07-02
Event planning continues to be a thriving business area for the motivated entrepreneur. Jill S. Moran is a certified special events professional with twenty-five years of experience in the field and the owner of an award-winning event-planning company. This fourth edition of her popular book includes updated ideas about creating business plans, balancing home and work, building a client base, and a more in-depth discussion on the role of social media in your event planning business.

You Should Become an EVENT PLANNER Rebecca Nowak, 2020-02-21
Event Planning Business Startup Are your friends and family always looking for you to plan the perfect party? Are you detail-oriented? Do you thrive on knowing what's going on and making it happen? Do you take pride in providing the best experience for your guests? You should become an EVENT PLANNER! You can start an event planning business from home with little startup funds. Yes, you really can! This book shows you exactly how to do just that, step-by-step, even if you have little to no business experience. People observe special events all the time - weddings, graduations, birthdays, bachelorette parties, baby showers - there's always something to celebrate. Each of these events requires someone to plan them. If you have what it takes, maybe they should be paying you to plan them? The event planning industry is on the rise, with the average salary of an event planner in the United States topping over \$50K a year. If you have a laptop, cell phone, and have access to the internet, you can start this lucrative career from the comfort of your home. This book is meant to serve as a step-by-step guide and navigation tool for opening an event planning business. We will cover everything from the paperwork involved in establishing a business to startup costs management, and much, much more. In this book, I will show you exactly how to go about starting, running, and growing your new event planning company. We'll discuss topics such as: What this business really is like Examine the pros and cons of starting an event planning business How much event planners can actually make What certifications and education would be helpful to you How to find a niche in the industry Defining your ideal client How to determine your market How to compete well in that market Tips for how to conduct sound market research Advice for naming your business How to create your business entity What your startup costs look like Conditions to consider when starting your business Extensive advice about crafting a cunning business plan How to keep your finances in order How to set your pricing How to be a keen negotiator PLUS- an extensive appendix of resources for you to use The research is already done for you in this book!

The Business of Event Planning Judy Allen, 2002-07-09
Practical tools and expert advice for professional event planners Before planning an event, there is much that must be done behind the scenes to make the event successful. Before any thought is even given to timing or location of the event, before the menus are selected and the decor designed, there are proposals to be written, fees and contracts to be negotiated, and safety issues to be considered. This book takes you behind the scenes of event planning and explains every aspect of organizing and strategic planning. This book will be of value to both the professional event planner and to clients who are dealing with planners. Its comprehensive coverage includes: how to prepare winning proposals, and how to understand them if you are the client; how to

determine management fees; negotiating contracts; safety issues; designing events in multicultural settings; and new technology that makes operations more efficient (such as online registration and response management, database project management tools). The book also includes practical tools such as sample letters of agreement, sample layouts for client proposals, forms, and checklists. Professional event planner Judy Allen offers first-time or professional event planners all the top-class advice they need to make their special events come off without a hitch.
