Credit Builder Secrets Jason White, 2018-01-17 Credit Builder Secrets is your gateway to better credit. In this book you'll find reasoning, tactics, and strategies to help you improve your credit score up to 200 points! In my profession, I know it all I attempt to tell me or my clients all the time how to fix and improve credit. Often, the myth they share is to just pay your bills on time and that will improve your credit score. Little do they know, that's not true. Don't get me wrong, of course paying your bills on time is important, but just paying your bills alone will NOT improve your credit score. In this book, I dispel that myth and share how to really improve a credit score the right way. I don't know about you, but I'm tired of unqualified people giving bad advice. So please do me a favor. If you ever come face to face with one of these loud mouths who try to tell you how to live your life

but don't take their own advice, promise me you'll run the opposite way.
