

Super Sleuth Angels Of Light

Robert D. Vandall

Daisy: Not Your Average Super-sleuth! Book 1, The Root of all Evil R T Green, An innocent rosebush, uprooted in the middle of the night, reveals a horrific secret. Determined to bring those responsible to justice, Daisy embarks on a dangerous trail that grows darker and darker with each unexpected turn. Essentially-English, almost-certainly quirky, and definitely a little crazy, come and meet our Norfolk-based R.E.D. (Retired Extremely Daisy) heroine, and find out why she's such a hit with readers of all ages. "One of the best cozy mysteries I've ever read!" "A real breath of fresh literary air!" Retirement to a sleepy East-Anglian village doesn't go quite as Daisy hoped, after a seemingly-insignificant event triggers something very significant indeed. A mystery to solve is the last thing she expects to stumble across in a sleepy village a few miles from Kings Lynn in Norfolk. To her surprise she's adapted to country life quite well, although she rather unkindly refers to the beautiful village of Great Wiltingham as the 'place people go to wilt'. According to Daisy, nothing is ever quite what it seems. In her case, that's the truest thing ever spoken. She's nothing like a pensioner is supposed to be. It could be something to do with the career she had before retiring... or perhaps because she wishes she'd never had to leave it behind at all. For some strange reason, trouble seems to follow her around. It's been a peaceful twelve months settling into village life, but that's about to come to an abrupt end... 'The Root of all Evil' is the first book in the long-running Daisy Morrow series. Check out the entire series on the new rtgreen website. While you're there, have a look at our 1920's historical series too, 'The Sandie Shaw Mysteries'. Take a break from the world around you, just for a while. Relax with a smile (or a cringe) and a truly original story. Enjoy!

Daisy: Not Your Average Super-sleuth! The First Bundle R T Green, 2023-11-11 It all begins with a rose bush, mysteriously uprooted in the middle of the night, revealing a horrific secret... If you've not met our R.E.D. (Retired Extremely Daisy) heroine yet, the first bundle is a great way to get to know her, and the hit series! Three full books for less than the price of two! Daisy moved to a village a few miles from Kings Lynn in Norfolk a year ago, after a very unfortunate incident in London made her decide village life was the best option. She's adapted to country life quite well, although she rather irreverently refers to the village of Great Wiltingham as the 'place people go to wilt'. She does have a wicked side, after all! "One of the best cozy mystery series I've ever read!" "A real breath of fresh literary air!" In the first book, after some strange goings-on and a murder in the village, Daisy and Aidan, together with a young police-woman called Sarah, whose curiosity gets the better of her, set about solving the mystery. It all begins with a rose bush, mysteriously uprooted in the middle of the night, revealing a horrific secret... In the second book, village life has reverted to as normal as it ever gets where Daisy is concerned. Then one morning everything changes, in a very tragic way. To begin with, Daisy believes someone from her past is responsible. Before she retired, she had a job very few people have, after all. Then a clue from a really unexpected source makes her wonder if it might be someone much closer to home. So once again she becomes the worm on the hook, much to Aidan and Sarah's horror. For Daisy there's no choice, because this time it's just about as personal as it gets... In the third book, following a surprise lead their daughter might have been sold by traffickers to someone in Africa three years ago, Daisy, Aidan and Sarah head for Uganda. But they've only been in the country a few minutes when a mysterious dying man thrusts a note into Daisy's hand. As he gasps his last breath, he begs her not to involve the police. She suddenly realises there isn't just one, but two mysteries to be solved! The extra mystery deepens as three different people confess to a murder that took place many years ago. But there's a silver lining to solving a case the local police closed in the nineteen-sixties, because it unearths an overgrown path that just might lead them to Celia. A path that could very well end in an international incident! Read all about Daisy, Sandie, and

everything else we do, on the new rtgreen website. Enjoy!

Daisy: Not Your Average Super-sleuth! Book 9, Some Like it Tepid R T

Green,2023-05-29 We're back in Norfolk, and our intrepid R.E.D. (Retired Extremely Daisy) heroine finds taking it easier doesn't come naturally! Jack takes on the last-minute responsibility of rescuing a stage production of 'Some Like It Hot', after it was cancelled because half the cast went down with a virus. It is to take place at the famous theatre on the end of Cromer Pier in North Norfolk. He ropes in his actor friend Will (who played Jack Sparrow in 'Pirates') and persuades Celia to take on the Marilyn Monroe role of 'Sugar Cane' from the movie, which she reluctantly accepts. By some miracle they make opening night, which is attended by Daisy and Aidan. It's all going well, but then the unexpected happens... during the performance, someone is murdered. Sarah (in her wheelchair) and Burrows are initially baffled by the motive, but then things take a much darker turn. The murderer isn't finished exacting revenge, takes several hostages, and threatens to blow up the pier. It becomes the first case for the newly-formed detective agency, as everyone is literally in the room when it happens! For Daisy, who watches the murder unfold from the audience, taking a back seat on the case and clicking away with crocheting needles goes out of the window, as the situation becomes more and more desperate. 'Some Like It Tepid' is a Norfolk-based adventure, set within one of the county's famous venues. Check out the whole Daisy series, and our other popular series 'The Sandie Shaw Mysteries' on the new rtgreen website Enjoy!
