Jane Grigson's Vegetable Book Jane Grigson, 2007-04-01 In *Jane Grigson's Vegetable Book* American readers, gardeners, and food lovers will find everything they've always wanted to know about the history and romance of seventy-five different vegetables, from artichokes to yams, and will learn how to use them in hundreds of different recipes, from the exquisitely simple ?Broccoli Salad? to the engagingly esoteric ?Game with Tomato and Chocolate Sauce.? Jane Grigson gives basic preparation and cooking instructions for all the vegetables discussed and recipes for eating them in every style from least adulterated to most adorned. This is by no means a book intended for vegetarians alone, however. There are recipes for ?Cassoulet,? ?Chicken Gumbo,? and even Dr. William Kitchiner's 1817 version of ?Bubble and Squeak? (fried beef and cabbage). ø *Jane Grigson's Vegetable Book* is a joy to read and a pleasure to use in the kitchen. It will introduce you to vegetables you've never met before, develop your friendship with those you know only in passing, and renew your romance with some you've come to take for granted. ø This edition has a special introduction for American readers, tables of equivalent weights and measures, and a glossary, which make the book as accessible to Americans as it is to those in Grigson's native England.

World is Full of Laughter, The Dolly Sen, 2011-06-14 Description This was Chipmunka Publishing's second book release, and one of the most important books on mental illness ever written. A book that in the words of the author, started out a suicide note and ended up a celebration of life. Dolly's outstanding memoir is the gripping tale of a woman's fight to come to terms

with abuse, family pressures, prejudice and severe mental ill health. Sen describes the horrible reality of being diagnosed with both manic depression and schizophrenia and the prejudice she faced. Add to this a series of horrific experiences in her life, and it is remarkable how she has the strength to come through such events, writing with such vigour, optimism and warmth. About the Author Author, poet and activist Dolly Sen lives in Streatham, South London. Born in 1970, she had her first psychotic experience aged 14 which lead her to leave school. After years of mental illness, probably bought on by an abusive childhood, Dolly decided she should write about her experiences. She was inspired to write her own story after reading Jason Pegler's autobiography 'A Can of Madness'. She has since written five books, become a successful performance poet who has toured throughout Europe and has set up two charities.
