Gordon Falk Bloom, F. Marion Fletcher

Supermarket Bobby Hall, 2019-03-26 #1 NEW YORK TIMES BESTSELLER The stunning debut novel from one of the most creative artists of our generation, Bobby Hall, a.k.a. Logic. "Bobby Hall has crafted a mind-bending first novel, with prose that is just as fierce and moving as his lyrics. Supermarket is like Naked Lunch meets One Flew Over the Cuckoo's Nest—if they met at Fight Club."—Ernest Cline, #1 New York Times bestselling author of Ready Player One Flynn is stuck—depressed, recently dumped, and living at his mom's house. The supermarket was supposed to change all that. An ordinary job and a steady check. Work isn't work when it's saving you from yourself. But things aren't quite as they seem in these aisles. Arriving to work one day to a crime scene, Flynn's world collapses as the secrets of his tortured mind are revealed. And Flynn doesn't want to go looking for answers at the supermarket. Because something there seems to be looking for him. A darkly funny psychological thriller, Supermarket is a gripping exploration into madness and creativity. Who knew you could find sex, drugs, and murder all in aisle nine?

*Supermarket!* Charlotte Doyle, 2004 A toddler creates chaos while shopping with his mother at the supermarket.

The Secret Life of Groceries Benjamin Lorr, 2021-11-09 A deeply curious and evenhanded report on our national appetites. --The New York Times In the tradition of Fast Food Nation and The Omnivore's Dilemma, an extraordinary investigation into the human lives at the heart of the American grocery store The miracle of the supermarket has never been more apparent. Like the doctors and nurses who care for the sick, suddenly the men and women who stock our shelves and operate our warehouses are understood as 'essential' workers, providing a quality of life we all too easily take for granted. But the sad truth is that the grocery industry has been failing these workers for decades. In this page-turning expose, author Benjamin Lorr pulls back the curtain on the highly secretive grocery industry. Combining deep sourcing, immersive reporting, and sharp, often laugh-out-loud prose, Lorr leads a wild investigation, asking what does it take to run a supermarket? How does our food get on the shelves? And who suffers for our increasing demands for convenience and efficiency? In this journey: We learn the secrets of Trader Joe's success from Trader Joe himself Drive with truckers caught in a job they call sharecropping on wheels Break into industrial farms with activists to learn what it takes for a product to earn certification labels like fair trade and free range Follow entrepreneurs as they fight for shelf space, learning essential tips, tricks, and traps for any new food business Journey with migrants to examine shocking forced labor practices through their eyes The product of five years of research and hundreds of interviews across every level of the business, The Secret Life of Groceries is essential reading for those who want to understand our food system--delivering powerful social commentary on the inherently American quest for more and compassionate insight into the lives that provide it.
