Stacey Ackerman

Supermom Stacey Ackerman, 2011-04-27 When your plate is too full, it eventually tips. Welcome to the world of a Supermom. When an overachieving, successful businesswoman tries to be perfect in every role of her life, it leads her onto a dark road of postpartum anxiety and panic disorder with psychotic features. A poignant memoir written with humor and heartache, this autobiography details the other side of postpartum depression: anxiety, panic, and psychosis. Ackerman gently walks readers through her terrifying journey of how a seemingly charming life unfolds into a nightmare of physical and mental breakdown, ending with inspirational, heart-wrenching inner strength that gives hope to a world of women. Stacey Ackerman, otherwise known as Supermom, is an overachieving, type-A personality who survived a serious and debilitating mental health disorder after the birth of her third child. She shares her story in the hopes of helping other women survive a similar trauma. Her ordeal proves that a mental breakdown can happen to anyone, erasing the stigma of mental illness.

Moreland, 2014-06-26 Christina Moreland Presents: Secrets of the Super Mom, Part I Delivering What No Mortal Baby Book Has Done Before... The Ultimate Guide To Becoming A Super Mom (Without Losing Your Super Self!) This is not another 'mommy survival guide,' it's a practical playbook for thriving at life as a modern mother. - Michelle Rogers, Super Mom of two Secrets of the Super Mom is the definitive pediatrician-approved guidebook created from real life, in-the-trenches super mom experience -- not faceless academic studies. 1. Written with love and packed with useful, everyday action plans, quick tips and easy fixes to reduce your stress and help you bond better with your baby from delivery to 24-months. 2. What the popular parenting books leave out: The Super Mom Secret to balancing mommy time with ME time - without giving up precious moments with your baby... 3. Secrets

from other Super Moms just like you! Christina Moreland, Super Mom of two boys, felt a strong calling to write this book after a revelatory dinnertime experience with her then three-year-old who refused to eat. I realized in that moment how many times we parents improvise and come up with brilliant solutions on-the-fly to make our families work, she says. And right then, I thought, how many other moms would love to have this little trick up their sleeves right now? We all want to be Supermoms. But is it realistic? Lying in bed that night after dinner, I yearned to call my best girlfriend and ask her how she had done it so well, and how I would know if I was doing OK... and how to avoid making horrible mistakes that would affect my child's life forever. Suddenly, a mission called to me so strongly, I couldn't sleep. That's when it hit me... we moms need each other! And what could be better than a guidebook for helping us new mothers anticipate surprises and see exactly what those supermoms would do, without needing to call and ask at three in the morning -- or anytime we need it? An easy-access guide based on years of experience passed along from mom to mom... Secrets of the Super Mom hands you the best tips, secrets and quick fixes real moms like you use to look, act, and feel invincible even in the face of three-alarm chaos. If you're one of those stressed out new moms wondering how to manage it all, Secrets of the Super Mom is for you! Topics included in Secrets of the Super Mom, Part I, include: Delivery & First Days Home, Breastfeeding & Weaning, Fuss Busting, Sleep time, Playtime & Chores, Best Behavior, Nutrition. (Foreword written by Dr. Secily Torn, Blue Fish Pediatrics)

Confessions of Super Mom Melanie Lynne

Hauser, 2006-08-01 According to my thirteen-year-old son, every superhero has an origin. My origin is a little embarrassing. I wasn't put into a rocket and sent to Earth by my parents. I wasn't bitten by a radioactive spider. No, I was merely the innocent victim of a Horrible Swiffer Accident.... Strange things are happening to divorced mother of two Birdie Lee since the Horrible Swiffer

Accident. She can sense danger (for example, a carload of speeding teenagers not wearing their seat belts) and spring into action with superhuman speed. She can find out what her daughter is up to on the Internet without even having to snoop. And she's got cleaning powers ordinary women can only dream of.... Warm, witty, and full of heart, *Confessions of Super Mom* is the tale of a woman who dares to take a stand against everything from stubborn stains to smug exs to corporate CEOs—and winds up defeating evil in some very unexpected ways.

The SuperMom Myth Becky Kopitzke, 2015-12-01 This book isn't about raising kids. It's about raising Moms. . . says author, speaker, blogger, lunch packer, and sidewalk chalk artist Becky Kopitzke. In a Pinterest-perfect culture, moms sense an accelerated pressure to measure up. Then they either weigh themselves down with guilt or become resigned--desensitized, even--to this so-called failure. The Supermom Myth--with humor and grace, yet all the while maintaining a firm grasp on reality--aims to empower women to become the moms God created them to be. With 8 chapters, each personifying a dirty villain of motherhood, including The Grouch on the Couch (Anger), Worry Woman (Fear), and The Calendar Queen (Busyness), Kopitzke gently reminds moms to rest in the super power of our grace-filled God.

Super Mom Saves the World Melanie Lynne Hauser,2007-03-06
“Forget the laundry, forget the dishes, escape into the world of Super Mom for a few hours . . . You’ll be glad you did.”—Meg Cabot, author of The Princess Diaries and Queen of Babble Astro Park’s fearless maternal dynamo is back, battling evildoers—and her own panic, as her daughter learns how to drive and her son gears up for his first date. The action never stops for Birdie Lee, divorced mother of two who became a super-powered suburban avenger after a Horrible Swiffer Accident. Busily fundraising for a

brand-new stadium where the kids can play ball, she's also planning a wedding to her very own Super Man. But soon her Super Mom Sense warns her that something's wrong with the new stadium. And when she investigates, a shadowy figure tries to toss Super Mom out of the game for good.

Letting Go of Supermom Daisy Sutherland, 2012-08-07 You Are Not Alone Women today do it all...from leading Fortune 500 companies and managing large ministry organizations to running a tight ship at home. But keeping all those balls spinning can be an impossible task, and the pressure that we place on ourselves to be perfect can be overwhelming. Letting Go of Supermom is the definitive guide for everything you need to manage your life and your family's life with confidence and grace. No matter where you are or what your goals, you'll get loads of tips, tricks, and triumphs to help you find the authentic, balanced life you crave, including: Parenting and relationship tools Time-management and organization tips Keys to handling stress the right way Details on nutrition and wellness Ways to stay spiritually refreshed, and more. So give up the fight to be perfect in every way, never letting things fail, and always being there for everyone. It is time to quit trying to be supermom and start becoming the person God made you to be.

So You're Not Supermom... . It's Ok! J. N.

Supermom, 2020-04-13 This is a continued compilation of short rants from a foul mouthed mom with some little words of wisdom! The not normally spoken words of everyday life raising kids. This will let you know you're not the only parent who feels they have failed some days. This is just how I feel about raising children! No judgement! We aren't perfect! Nobody is! Raising kids isn't easy, especially now a days, there are so many expectations not just from society, but most of all ourselves! In my opinion if they are still alive, fed, clothed and roof over them, you're doing just fine! Keep at it! One day at a time!

Tales of a Slightly Off Supermom Deb DiSandro, 2003-01-31
Humor essays from a radio host and syndicated columnist who is the “Erma Bombeck for a whole new generation of frazzled moms and dads” (Amy Carr, Daily Herald). Disguised as an average soccer mom, she’s faster than a speeding toddler, more powerful than a teenage temper tantrum, and able to leap loads of laundry in a single bound! Deb DiSandro is here to save the day. Her hilarious, heartfelt essays on the ages and stages of motherhood are sure to help families everywhere see the humor in their own foibles. From bringing home the new baby to dog training and the thermostat wars, Supermom has seen it all. She has negotiated peace over paint finishes, she has overthrown the powerful regime of the kitchen gadgets, and she has even pinned down the elusive wild teenager in the farthest reaches of suburban malls. But this mom is slightly off: she finds humor in her teenager’s unintelligible mumbling, in the dog’s flagrant disobedience, and in her husband’s merciless drive for the perfect dimmer switch. “Deb DiSandro is not slightly off—she is straight on target. Her essays bubble with wit, freshness, and ever-so-real life.” —Jacquelyn Mitchard, #1 New York Times–bestselling author of *The Deep End*

of the Ocean “Anyone thinking of committing to parenthood needs to read Deb DiSandro. Her humor and wisdom on the subject of child-raising may help you appreciate the many advantages of getting a Yorkie instead.” —D. L. Stewart, author of *Paternity Ward* “Deb DiSandro’s instincts about family life are sound and her perspective refreshing.” —William H. Doherty, author of *Putting Family First*

You Are a Super Mom Gina Fontaine, 2021-06-25 Gina Fontaine tried to do everything right. She sacrificed her time, her health, and her happiness for her family. But in the blink of an eye, she found herself divorced, with rebellious kids that pushed back at every turn; to the point where she had to call the cops on her own son. Like so many other moms, she was pushed to the point of breaking and knew there had to be a better way. So Gina embarked on a journey to find that ever-elusive balance of being happy, healthy, and a great mother. She discovered five core myths to motherhood that nearly every mom falls for, yet are the very misconceptions that keep mothers from thriving. Through sharing her own vulnerable stories of conflict and failure, Gina helps every mom realize she's not alone. In this life-changing book, Gina outlines these five myths and gives you tools to negotiate them; allowing moms everywhere to finally thrive and be the very best version of themselves. Whether you are a single mom, a working mom, or a mom who feels you're being pushed to the breaking point and are wondering how you'll ever find time to feel happy, healthy, and balanced again; this book is your blueprint to learn how to thrive.

Supermom Breaks A Nail Kristen Thomas Easley,2010-11-17

What happens when a perfectly content, married woman adds children to her orderly world? Her life is turned into an absurdist comedy. One in which the characters throw tantrums glue their sleeves to their pant legs. *Supermom Breaks a Nail* is a humorous account of one modern mother trying to navigate her way through the avalanche of child-rearing advice as best she can. Can't children just get together for a few hours - or must we sacrifice an entire day to a "playdate"? Exactly how many IQ points does childbirth delete? What happened to names like "Sue" and "Bobby"? And what happens if we buy into the whole mythology? Sometimes motherhood is more about trusting your own instincts than subscribing to the actions of others -- and always have a bottle of wine at the ready.

Supermom 2 0 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Supermom 2 0 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Supermom 2 0 has opened up a world of possibilities.

Downloading Supermom 2 0 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading

Supermom 2 0 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Supermom 2 0. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be

cautious while downloading Supermom 2 0. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Supermom 2 0, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Supermom 2 0 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
