*The Sushi Chef* Mathew Tan,2007-09 Failure is never an option, especially for assassins caught in the mire and opposing forces of politics and ideology. While Hahn is in his home making love to a beautiful woman, undercover agents from the Washington DC police department are outside waiting for him. They suspect Hahn is connected to a recent homicide, and they need to figure out how. A hired killer working for a secret society, Hahn races to finish his latest job without getting caught. He is stuck in the isolation of being able to trust no one-not even his partner. Hahn struggles with the rewards and downsides of living a double life as a bartender in a sushi restaurant and an assassin for the Malaysian government. Money is the greatest of the rewards, but playing roulette with one's life is certainly the most depressing downside. While he understands the dual nature of his existence, Hahn believes he is vulnerable enough to lose his mind and soul to the dark epicenter of cruelty and heartlessness that comes with being a hired killer. But in this world of sin and betrayal, there is no room for failure. From Bulgaria to Mexico City to Washington DC, mystery, sex, and violence combine, with suspense woven throughout, in a world where assassins, drug lords, and politicians fight for dominance.

Eleven years later, Kelly found herself at the doorstep of a Minnesota agency, although this time as a teen mother giving her own child up for adoption. Kelly later married and had two more children. Then, in 2007, Kelly's husband found her original, Korean family, and so began a journey that reunited Kelly with the family whom she thought had abandoned her, and brought her face to face with the daughter she herself had lost twenty-five years before. Do you remember when the world was made up of continents? Well, on the 20th day of the 10th month 2030 (10/20/30) the world went to war when Iran launched a nuclear strike on Israel. On the 31st October 2030, eleven days into the conflict, the world just managed to step back from likely Armageddon. By the 8th December that year, the world map had changed forever; continents no longer existed and the world was divided into four zones: blue, red, yellow and white. When the war ended, extradition treaties that had been in place for many years simply ceased to exist. On the 15th January 2031, the blue zone countries created a judicial body, officially called The Justice Section. We call it Jay-Sec. A new justice for a new world.

**Princesses Wear Pants** Savannah Guthrie,Allison Oppenheim,2017-09-12 From NBC’s TODAY coanchor Savannah Guthrie and educator Allison Oppenheim comes an empowering fairy tale with a twist. In the tradition of Not All Princesses Dress in Pink and Princess in Black, Princesses Wear Pants follows the unflappable Princess Penelope Pineapple, who knows how to get the job done while staying true to herself. Princess Penelope lives in a beautiful palace with a closet full of beautiful dresses. But being a princess is much, much more than beauty. In fact, every morning Princess Penelope runs right past her frilly dresses to choose from her beloved collection of pants! What she wears each day depends on which job she has to do. Will she command the royal air force sporting her sequined flight suit? Will she find her zen in her yoga pants and favorite tee? Or, will she work in the kingdom’s vegetable garden with pocketed overalls for all of her tools? Unfortunately for Princess Penelope, not everyone in the Pineapple Kingdom thinks pants are always appropriate princess attire. When the grand Lady Busyboots demands that Princess Penelope must wear a gown to the annual Pineapple Ball, the young royal finds a clever way to express herself. Penelope’s courage (and style choices) result in her saving the day! In their debut children’s picture book, Savannah Guthrie and Allison Oppenheim team up for a savvy and imaginative story that celebrates fashion and girl power. Perfect for fans of Nickelodeon’s Nella the Princess Knight, Princesses Wear Pants challenges gender stereotypes in the name of individuality, showing girls it’s not how they look but what they do that matters.
