*Beyond Swagg for Teens* David M. Johnson,2010-08 Do you know what swagg is?Do you have swagg?Do you know how YOUR unique swagg can help you achieve success?Are you ready to go 'Beyond Swagg'?Within this motivational and informative book, David leads you to be able to say yes to each question above. With personal stories of trials and victories, he walks you through some helpful information about 'Teenage Evolution' and what it takes to go Beyond Swagg. It's time to build your confidence to the point where impressing yourself becomes more important than impressing others. You already have swagg; it's time to start using it to help you become the epitome of success. I always thought that my swagg wasn't up to par. I learned quickly that wasn't the case. Now it's your turn to make that same realization and learn that some of the things you may think you know about swagg aren't true. I'm going to take you through some of these misconceptions so that you can move forward into using your swagg to help you reach beyond your sight and develop a boundless mentality. This book is real. It has real stories about my friends and me, the good and bad times we had and how we learned and persevered through it all. Each of us goes through tough times during our teenage years, but only some use those experiences to learn and benefit from them. I wrote this book because I believe that if I had these tools growing up, I would have enhanced my confidence and achieved success even sooner. You have that chance, now. David M. Johnson

He knows something. He knows what's coming. And he knows how to stop it. So if SWAGG can't bring him back before he disappears forever into the blackness, it's going to spell disaster - and not just for Gideon and SWAGG, but for everyone on Earth.
