**There Is No Good Card for This** Kelsey Crowe, Emily McDowell, 2017-01-17 The creator of the viral hit Empathy Cards teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular Empathy Cards, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, *There Is No Good Card for This* isn't a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. *There Is No Good Card for This* features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research, including her popular Empathy Bootcamps that give people tools for building relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, *There Is No Good Card for This* teaches you how to be the best friend you can be to someone in need.

**Welcome to the Grief Club** Janine Kwoh, 2022-02 Welcome to the Grief Club - a place where one human who experienced a terrible loss, Janine Kwoh, is at the door to welcome other humans who are grieving. It is not an instruction manual, or a step-by-step playbook, or a memoir. It is, rather, a fresh, empathetic approach to all of the surprising, confusing, brutal, funny, and downright bizarre parts of grief. Combining her own experiences with grief - the author's partner died when both were in their late 20s - with what she learned from others in her 'grief club', Kwoh uses brief writings and observations, hand-drawn illustrations, and diagrams to explore all the different ways grief happens. Plus, wisdom and understanding in every line - there is no right or wrong way to grieve - and permission to grieve in whichever ways you need, for however long you need to. What to do when

the world is your grief trigger. Signs you have grief brain. And gentle assurances: Grief isn't linear, but it does change and will soften over time. It is a book to put into the hands of anyone who is grieving, because from its very first page, that person will know they are no longer alone.

*Miss Manners' Guide to Excruciatingly Correct Behavior (Freshly Updated)* Judith Martin,2011-02-07 An indispensable manual to navigating life from birth to death without making a false move. Your neighbor denounces cellular telephones as instruments of the devil. Your niece swears that no one expects thank-you letters anymore. Your father-in-law insists that married women have to take their husbands' names. Your guests plead that asking them to commit themselves to attending your party ruins the spontaneity. Who is right? With all those amateurs issuing unauthorized etiquette pronouncements, aren't you glad that there is a gold standard to consult about what has really changed and what has not? The freshly updated version of the classic bestseller includes the latest letters, essays, and illustrations, along with the laugh-out-loud wisdom of Miss Manners as she meets the new millennium of American misbehavior head-on. This wickedly witty guide rules on the challenges brought about by our ever-evolving society, once again proving that etiquette, far from being an optional extra, is the essential currency of a civilized world.

*Colors of Goodbye* September Vaudrey,2016-03-18 2017 ECPA Christian Book Award Finalist (Biography and Memoir category) What happens after the worst happens? Before May 31, 2008, September Vaudrey's life was beautiful. But on that day, with one phone call from the ER, her whole world—everything she knew and believed—was shaken to the core. Katie, her 19-year-old artist daughter, had been in a car accident and would not survive. How does a family live in the wake of devastating tragedy? When darkness colors every moment, is it possible to find light? Can God still be good, even after goodbye? With the depth of C. S. Lewis's *A Grief Observed* and the poignancy of Joan Didion's *The Year of Magical Thinking*, *Colors of Goodbye* offers a moving glimpse into a mother's heart. Combining literary narrative and raw reflection, September Vaudrey walks through one of life's worst losses—the death of a child—and slowly becomes open to watching for the unexpected ways God carries her through it. It's a story of love and tragedy in tandem; a deeply personal memoir from a life forever changed by one empty place. And at its core, *Colors of Goodbye* calls to the deepest part of our spirits to know that death is not the end . . . and that life can be beautiful still.
