2600 Tennis Quiz Questions Roger Wilthrop, 2021-04-27 Tennis is Awesome! One of the world's most beloved sports, and definitely the fastest growing spectator sport, tennis occupies a unique place among other ball sports in the modern world. From a fitness point of view, it is one of the highest RoI body wellness occupations there is. From an excitement point of view, few experiences are as nailbiting as a fifth set tie break. Fans of tennis - millions and millions of them - are usually educated about the sport they love. They will debate the comparative historical merits of Borg vs. Agassi, and Court vs. Williams, all while waiting for the break between sets in a Nadal vs. Djokovic or Federer vs. Nadal five setter. With the recent explosion in popularity of tennis over the past decade, the future looks very bright for this sport. This book is a celebration of the men and women who have taken tennis to the pinnacle of sporting fandom that it occupies today. Through the pages of this book, you will battle through hundreds of trivia challenges designed to test your knowledge of tennis legends, ATP tour fixtures, and Grand Slam Champions like no other quiz book can: the tennis player icons featured in this book range from people who built up the sport before the First World War, when it was nothing like the global juggernaut it is today, to people like Naomi Osaka, one of the brightest young stars in all of world sport in the year 2021. If you can score consistently above 80% in the trivia challenge sets in this book, I salute your superior knowledge. Regardless of how you perform, this book will give you many hours and weeks of pure clean fun: it will take you back to games, sets, and matches that had you biting your nails at the edge of your seat, as you willed your favorite player to take that one elusive point and win the tie break that would add one more Grand Slam to their kitty. Tennis is awesome, and this book will remind you of the achievements of the tennis players who kept the sport awesome all these years. Let us play!

Famous and not-so-famous sporting firsts, great winners and great losers assemble here in a book to brighten up the dreariest locker room, cheer up the dullest game and keep readers on their toes from start to finish.
