Spin Tom Lodziak,2020-08-21 Table tennis is a weirdly addictive sport. All over the world, an army of amateur table tennis players compete in leagues, tournaments, pub battles, work challenges and 'friendly' family games. A 78-year-old can beat a 28-year-old. A 10-year-old can make a grown man cry. To win, you need ninja-like reflexes, the control and coordination of a tightrope-artist, and the tactical dexterity of a chess grandmaster. In this book, coach Tom Lodziak will help you improve your table tennis skills, win more points and win more matches. Tom shares tips on training, service, returning serves, winning points, tactics, playing matches and continual improvement. These are tips which work at amateur level. Tips which are achievable. Tips which will make a difference, even if you only play one hour per week. Are you ready to transform your table tennis game?
