Proposed Master Plan Update Development Actions, Seattle-Tacoma (Sea-Tac) International Airport, King County , 1996

Federal Way , 2008 Located on Puget Sound between Seattle and Tacoma, the site that became Federal Way was first settled by loggers, who in the 1860s began using the shore along Puget Sound for easy access to the extensive timber available inland. By the 1880s, about 50 homesteaders had filed claims in the Greater Federal Way area. Five small communities with individual school districts were established. When the five school districts consolidated in 1929, the new school was given the name Federal Way School because of the recently built, federally funded highway that passed nearby. Eventually the entire community came to be known as Federal Way. Still a relatively rural place up until the 1950s, Federal Way has grown

exponentially since that time and is now the eighth largest city in Washington.

Federal Taxation of Real Estate Exchanges Richard A. Robinson,2004 Federal Taxation of Real Estate Exchanges is a crash course in the art of the deferred real estate exchange. Learn easy steps to sell old real estate and buy new without paying federal income taxes by using IRS safe-harbor exchange rules. It's the definitive guide to taxation of real estate exchanges for real estate investors and serious professionals who are seeking a growing sophistication and appreciation of how powerful the deferred exchange is in the fast changing world of real estate investments. Federal Taxation of Real Estate Exchanges was first born as a three-day continuing education seminar which author Rich Robinson wrote and taught to thousands of real estate agents, CPAs and investors from coast-to-coast. During this time Rich teamed up with real estate broker and Qualified Intermediary, Jim Maxwell. By combining Rich's years of experience as a CPA, writing and teaching federal taxation of real estate transactions and Jim's practical street smart knowledge and background in real estate exchanging, they created a new educational program presented at the National Association of Realtors(R) Annual Convention. This course is based on that highly successful program.
