Flirting with Forever Cara Bastone, 2021-01-26

Sometimes you get a second chance at a first impression Mary Trace is bright, bubbly and back in the dating pool in her midthirties. All of her closest friends are in love, and she refuses to miss out on romance. So when a regular customer at her trendy Brooklyn boutique wants to set Mary up on a blind date with her son, she gives a hesitant yes. John Modesto-Whitford is gorgeous and well-groomed, so maybe dinner won't be a total bust—until he drops a less-than-flattering comment about Mary's age. Desperate to be nothing like his snake of a politician father, public defender John Modesto-Whitford prides himself on his honesty and candor. But his social awkwardness and lack of filter just blew it with the most beautiful woman he's ever dated. Luckily, Mom's machinations keep Mary and John running into each other all summer long, and soon they resort to fake dating to get her to back off. When their pretense turns to real friendship—and some surprisingly hot chemistry—can these two stubborn individuals see past their rocky start to a rock-solid future together?

John, 2009-02-01 Babette Robinson changes careers and lovers as easily as she changes hairstyles. But after losing her last job, she's beginning to see that her feather-to-the-wind mentality can be unsatisfying in the long run. She's been helping a string of friends solve their relationship problems, and when one pal points out to Babette that she could make a career out of curing people's romantic ills, she decides to dub herself The Love Doctor -- a match-mender-for-hire. Living in Birmingham, Alabama, with its elite class of wealthy women, Babette has access to the ideal clientele, including the well-known Birmingham socialite Kitty Carelle. Having unceremoniously dumped her lover, Kitty now regrets her hasty decision and wants him back. Trouble is, the man Kitty seeks to recapture is none other than Jeff Eubanks -- Babette's ex! The carefree Babette of three years ago had written him off with a shrug, yet now she can't help remembering that he did give her the absolute best sex of her life...not to mention his charm, good looks, and brains. To save her newfound career and prove she can stick with something--if not someone--Babette is determined to mend Kitty and Jeff's broken

relationship, but Jeff has other plans. He was crazy about Babette when she suddenly bailed on their relationship, and after Kitty did the same he became convinced that no woman can ever commit. To prove his point, Jeff issues Babette a challenge: no flirting for a week, and he'll talk to Kitty. That is, if, after seven tempting nights on the beach with Jeff, it's still with Kitty that she wants him to reconcile.

Flirting with the Stranger Gia

Stevens, 2023-03-20 A spicy boss/employee, reverse age gap standalone novel by romantic comedy author Gia Stevens... Mistake the young, hot guy for a stripper? Sure did. Have a one-night stand with him? Heck yes. Find out he's my new boss? Ah, crap... The first time I saw Van, with his charismatic smile and stunning good looks, I enthusiastically shoved dollar bills into his waistband. The second time, he walked into my bakery introducing himself as the new owner. He knows nothing about baking and desperately wants to sell the business. If he does, I'll lose my dream job. Somehow, I have to persuade him to keep the shop running. But so far, there's only one thing he seems enticed by... me. Sure, the attraction igniting between us is hotter than a chocolate flambé. That doesn't change the fact that it's never a good idea to mix business and pleasure. He's younger than me, and if things between us sour it could cost me my livelihood. Even so, he's a delicious temptation I'm finding

impossible to resist... Flirting with the Stranger is a reverse age gap, strangers to lovers, boss/employee romantic comedy with a hero who has a real sweet tooth for something besides cupcakes. Iva Sturtevant, a soprano of some repute in provincial European opera houses, has returned to her childhood home to tend her ailing parents. Iva's brother, Leo Sturtevant, who has never left Josephine, Illinois, has recently been dismissed from his social service job, suspected of inappropriate behavior. Now, awaiting the

inevitable disappearance of the oldest generation, Iva entertains Leo with tales from her obscure romantic operas, and Leo entices his big sister to read an old 1960s paperback about the world's last heterosexual, a novel dear to him for its mirror image of his own plight in a tiny rural town. This old novel even inspires Leo to write something himself, in secret, a mystery story about twin boys, one of them accused of a violent crime.
