**Groundswell** Charlene Li,Josh Bernoff,2011 Offering a strategy to winning in a world transformed by social technologies (blogs, podcasts, and social networking sites), the authors have designed a four-step process for building these technologies into a business.

*The Interpreter's Tale* E. M. Epps, 2015-01-14 As a linguist and military interpreter, Eliadmaru Faraa has always been a supporting character in other people's stories. And so far, that's been just fine with him: it's words he loves, not swordplay or affairs of state. Now he's been asked for help by the Emperor's nephew. Together, along with an irritating ambassador and a sorceress with a secret and a high sex drive, they aim to save an ailing princess and stop the trade of weapons to the border war. Which is more difficult-not disgracing himself during a touchy negotiation, winning back his boyhood sweetheart, or translating his lovelorn teenage boss's amateur poetry? He'll soon find out.... THE INTERPRETER'S TALE is the only fantasy novel ever told from the perspective of a diplomatic interpreter: a role both ubiquitous and vital in the real world, but thoroughly neglected in both realistic and speculative fiction-until now.

**Callista** Anonymous, 2018-10-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. *Gilgamesh the Warrior King* Claude Jonnard, 2018-09-16 A long time ago, when words were pictures etched in clay and gods reigned supreme, a young prince named Gilgamesh ruled Uruk, a walled city in Mesopotamian Sumer where the Euphrates and Tigris rivers met as one to flow through a delta to the sea. Promised the possibility of eternal life by the gods for his great deeds, he nevertheless seeks the affections of Siduri, a dead Amorite chief's daughter. Not only is she from a people who do not worship Gilgamesh's patron gods and goddesses, the Amorites are sworn enemies of the Sumerians. Siduri has an inn by the sea whose vineyards produce wine sold in Uruk through the temple of Ishtar, the goddess of love, sex and war. She is protective of Siduri although she is also attracted to Gilgamesh, leaving him in emotional turmoil. Encountering Siduri at an open-air market, he professes his love for her, knowing all the while that Ishtar may be angered. He leaves Siduri when he is called to fight foreign armies bent on destroying Uruk and its league of Sumerian city-states, and Siduri, mindful of his promise, follows him. Blessed by the gods, he defeats Uruk's enemies only to become a target of assassins. He finds out before long, especially after his parents are murdered, that he has enemies from within who are protected by different gods and threaten the lives of those he has sworn to protect. Fast thinking and acting helps him trap the killers, sidestep further attempts on his life and defuse wars threatening to destroy the universe, humanity and the gods. The struggles among humans and between the gods at last behind him, Gilgamesh has finally earned the respect of the gods, and life forever more is now his for the taking. Does he accept this gift from the gods, or does he renounce eternal life to save Siduri's life and spend the rest of his days with her, the woman he loves?

Open Leadership Charlene Li, 2010-04-27 An essential guide for leaders who want to use social media to be open while maintaining control Be Open, Be Transparent, Be Authentic are the current leadership mantras-but companies often push back. Business is premised on the concept of control and yet the new world order demands openness-leaders do not know how to be open and be in control. This must-have resource will help the modern leader understand how to lead in the new open world-where blogging, twittering, facebooking, and digging are becoming the norm. the author lays out the steps that leaders must take to transform their organizations and themselves into being open - and exactly what that will mean. Shows how to use social media to become an open organization Offers basic advice for leaders who are adapting to the new era of openness in the marketplace The author Charlene Li is one of the foremost experts on social media and technologies In easy-to-understand language, this book will help leaders orient themselves to social networking and other technological advances.

Worthy McGuire Tim McGee, 2013-05 Retired businessman Worthy McGuire knows he cannot put it off any longer. Time is not on the side of the gruff World War II veteran racing to fulfill a promise he made amid the horrors of the D-Day invasion. As he plans a pilgrimage from Michigan to the site of both his best and worst day, Worthy now must rely on the those he trusts the least-his family. With no one else to help him meet the physical demands of the trip, Worthy grudgingly includes his two grandchildren, David and Shannon, who are each battling their own insecurities. As his controlling son, Ted, and his manipulative daughter-in-law, Angela, follow Worthy and his grandkids to France, they have one goal: to drag the aging man home where they hope to take command of his finances and place him in a nursing home. As Worthy searches for a family from his past, only time will tell if he can patch the crumbling relationships with his family before it is too late. In this historical tale, a World War II veteran takes a journey of honor and courage as he sets off to complete the most important mission of his long life.

From Times Square to Timbuktu Wesley Granberg-Michaelson, 2013-08-18 In the last century, amazingly, world Christianity's center of gravity has effectively moved from Europe to a point near Timbuktu in Africa. Never in the history of Christianity has there been such a rapid and dramatic shift in where Christians are located in the world. Wesley Granberg-Michaelson explores the consequences of this shift for congregations in North America, specifically for the efforts to build Christian unity in the face of new and challenging divisions. Centers of religious power, money, and theological capital remain entrenched in the global, secularized North while the Christian majority thrives and rapidly grows in the global South. World Christianity's most decisive twenty-first-century challenge, Granberg-Michaelson argues, is to build meaningful bridges between faithful churches in the global North and the spiritually exuberant churches of the global South. Watch the trailer:

Clover Adams Natalie Dykstra, 2012 A revelatory life of Clover Adams, casting a lens on her iconic marriage to historian Henry Adams and her fatal embrace of photography in her last months.

**The Insider's Guide to the Colleges** Yale Daily News, 2000-08 Now in its 27th year, The Insider's Guide to the Colleges is an intelligent, sometimes irreverent, compilation of student-written articles about every aspect of college life, from cafeteria food to academics to the campus social scene.

*The Skinner Organ* Ernest M Skinner & Co, 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
