Korean Grammar for Speaking 1 songwon, 2018-12-06 Free Korean Class available here: <https://www.youtube.com/thewonkorean> Song Won's Korean Grammar for Speaking is the quintessential text for learning how to speak and write Korean. As a proven, passionate, and dedicated teacher, Song Won has perfected his language learning system in the classroom. Now, he's finally put those same methods into an informative, easy-to-understand textbook. Korean Grammar for Speaking is methodically organized and broken down into separate units. In the beginning, students will build a foundation by learning how to read, write, and pronounce Hangul (the Korean alphabet). From there, students will learn everything from the counting systems and present tense verbs to more complex and complicated grammatical concepts. Within each unit, there will be vocabulary lists, a wide variety of practice problems, and end-of-unit quizzes. This comprehensive language-learning textbook will have you speaking, reading, and writing Korean in no time! Along with Korean grammar, this textbook will teach students important vocabulary words that are useful in many common, everyday situations. It will also highlight Korean slang and colloquialisms, as well. Song Won's language learning method is different from classic, traditional textbooks. This book will have students thinking and responding organically in Korean. The goal of Korean Grammar for Speaking is to make students fluent in Korean within six months. Although learning Korean will be a challenge, it's a challenge that will reward students many times over.
