I'm 3! Babs Bell Hajdusiewicz, 2014-10-15 Part of the Babsy B Board Book Series, *I'm 3!* is designed to suit the interests and cognitive development of children ages 3+ (Toddler 3s). Birthdays are special. This book celebrates the importance of growing bigger and older on the occasion of a child's third birthday, along with what it means to be one more. *I'm 3!* provides meaningful context for both 2s and 3s as they eagerly anticipate the fun and adventure in being the birthday honoree. The book also presents concrete examples that illustrate the number 3. Readers may point out the numbers 1, 2, and 3, all shown in varying colors, sizes, and fonts. In numerous ways, *I'm 3!* invites the reader to notice and talk about a birthday child's uniqueness. The story frequently taps into a Toddler 3's developing sense of self: The character views and talks about three self-images in a special store mirror and then again views a self-image at home while brushing teeth. In *I'm 3!*, the reader gets to share the character's joy in donning a party hat adorned with the number 3; comparing the numbers 1, 2, and 3 with alphabet blocks A, B, and C; going up and down stairs while counting three steps during a shopping trip; and counting three candles on a birthday cake. Whether read aloud or sung to an original tune, *I'm 3!* invites children to view

and to practice ways to hold fingers to show 3, and I'm 3! recognizes and celebrates the feeling of pride as a Toddler 3 announces: I used to be 2, but now I'm 3! The Babsy B Board Book Series includes eight books, two titles for each age category. Each book has its own catchy tune along with suggested additional book-related, engaging activities--all designed to appeal to the particular developmental milestones of children ages 0-3+. Other books in the Babsy B Board Book Series include: SO BIG!; Where Is Monkey?; I Can! Can You?; Who Chews?; VROOM! Honk-a! BOOM!; Whose Shoes?; and Giddy-up! Let's Go!

The House of Plain Truth Donna Hemans,2024-01-30 A lyrical, lush, evocative story about a fractured Jamaican family and a daughter determined to reclaim her home. When Pearline receives grave news about her ailing father, she abruptly leaves Brooklyn for her childhood home in Jamaica. But Pearline isn't prepared for a tense reunion with her sisters or for her father's startling deathbed wish that she repair their long-broken family legacy and find the sister and two brothers no one has seen in more than 50 years. Moving through time and place, from modern-day Brooklyn and Montego Bay to 1930s Havana and back again, *The House of Plain Truth* is a journey through generational secrets and a family coming to terms with its past. Inspired by the author's own history, this soulful novel explores a fascinating story of immigration, divided loyalties, and what one woman must sacrifice in her attempt to find home.

JUNIOR Jason Allday,2014-07-22 Society played a part in the death of my baby brother. The demand for perfection and what was deemed acceptable by our everyday standards helped mold a fragile frame in a young man's mind. The security and resolution I needed was never to be found within the realms of the everyday working world. I learned to reconcile with what you may unfairly call the ills of society. I found not only resolve, but also harmony within the world, a world that all members of our populace are exposed to in their lives and is part of a culture, even if you chose to ignore it, is one we all live in. I'm not only lucky enough, but also privileged to have been welcomed and accepted in this world, and here their stories will show that this syndicate are of the same making of us all. For me and my brothers none of our heroes wore capes.

Giddy-Up! Let's Go! Babs Bell Hajdusiewicz,2014-10-15 Part of the Babsy B Board Book Series, *Giddy-up! Let's Go!* is designed to suit the interests and cognitive development of children ages 3+ (Toddler 3s). Toddler 3s are adventure seekers, eager to dress

up, go places, and do things. The attire of the character in this story adds to and encourages imagination and suspense for both the reader and the stuffed animal. Toddler 3s like a sense of being in charge, and Giddy-up! Let's Go! provides just that: The story's character takes charge in knowing where they're going while also being in charge of a mysterious quiz presented to a stuffed toy--and to the reader! Toddler 3s who feel emerging independence may also notice how the character appears in charge of the adult! Readers can identify with the character's impatience while waiting. Toddler 3s' developed appreciation for details will help children point out picture clues that help to answer questions posed by the character. This book's pictures and text suggest additional topics of conversation, inviting the reader to talk about his or her own experiences about being in charge; animals he or she has seen; the fun and purpose of clowns and where one might see a clown; what a rodeo is and where one might visit a rodeo; how to give directions; or kinds of vehicles and modes of transportation people use to go places. Whether read aloud or sung to an original tune, Giddy-up! Let's Go! offers three-year-olds all sorts of opportunities to interact with others, both real and imaginary. The Babsy B Board Book Series includes eight books, two titles for each age category. Each book has its own catchy tune along with suggested additional book-related, engaging activities--all designed to appeal to the particular developmental milestones of children ages 0-3+. Other books in the Babsy B Board Book Series include: SO BIG!; Where Is Monkey?; I Can! Can You?; Who Chews?; VROOM! Honk-a! BOOM!; Whose Shoes?; and I'm 3!

Beyond Memory Max Mojapelo, 2008 South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. And if one peruses the books that exist on South

African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the musics of the black communities. *Beyond Memory: Recording the History, Moments and Memories of South African Music* is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of a man, Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a deejay at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries.
