Waggin' Tales Brian Basset, 2012-11-06 It's a sweetly funny strip, reminiscent of the relationship of Charlie Brown and Snoopy or Calvin and Hobbes. . . . Just the book to pick up when you need a booster shot of the warm fuzzies.—Syracuse Post-Standard Why are readers so dedicated to this simple comic about a boy and his dog? That simplicity itself is one of the best-loved characteristics of the strip. Ten-year-old Red and his lab-mix mutt, Rover, are a metaphor for friendship, and their shared adventures hearken back to a simpler time that holds a strong nostalgic appeal for modern readers. The other feature of Red and Rover that draws fans to the strip is the realness of its character. Rover is not a talking dog; he and Red communicate through thought bubbles. Moreover, Rover's facial expressions and body language are drawn with an authenticity, recognized and lauded by dog lovers, that communicates volumes about what he's thinking and feeling. As proclaimed on the popular family-oriented Web site infodad.com, Well focused, well thought

out, and well drawn in something of a 'retro' style, Red and Rover is the most heartwarmingly funny new comic strip in years. Cynics, go elsewhere. Red and Rover is for the rest of us.

The Complete Guide to Basset Hounds Cheryl Jerabek, 2020-10-27 Find out the answers to your most pressing questions about Basset Hounds, such as: Is a Basset Hound the right breed for my lifestyle? What should I expect from a Basset breeder or rescue group? How do I prepare my home for a curious, nose-driven pup? Which training methods are most effective for training Basset Hounds? The Basset Hound has an unmistakable profile. They have the long, square snout, muscular body, and loose skin of their Bloodhound ancestors, but with short legs and a long, sabre-shaped tail. The olfactory ability of this breed is second only to the Bloodhound itself, and they are unrelenting once they have caught a scent. Both the short legs and the long, upwardly curved tail—which is tipped in white—are designed to make these stout hounds easier for hunters to follow on foot. Although they are enthusiastic hunters in the field, they tend to be calmer and more relaxed at home, sometimes to the point of laziness. Bassets are particularly agreeable animals, both with people and with other dogs, and they make excellent family companions as well as exemplary hunting hounds. They are typically gentle with young children, have a very pleasant disposition, and are comfortable in the role of everyone's best friend and confidant. Basset Hounds aren't right for everyone, however, as they can be stubborn, tend

to be highly skilled counter-surfers, and frequently howl when left alone for long periods. The Complete Guide to Basset Hounds is a treasure-trove of information about this distinctive breed of hound dog. Everything you need to help ensure that your friendly Basset Hound pup develops into a well-behaved, healthy, and confident canine companion can be found within these pages. From your first search for a breeder to your precious pooch's senior years, the indispensable knowledge compiled within will have you reaching for this extensive guidebook over and over again. This comprehensive book covers nearly every aspect of raising a Basset Hound, including: The history of the Basset Hound The challenges of living with a scenthound Where to find a good Basset Hound breeder or rescue Choosing the right Basset Hound for you Preparing your home for a new dog—inside and out What to expect the first few days home The importance of rules and boundaries in the Basset's life Best practices for grooming your Basset Hound Diet and nutrition for the Basset Hound Dealing with separation anxiety and other problem behaviors Exercising and training your stubborn Basset Hound Breed-specific health and wellness information for all stages How to resist the Basset Hound's legendary "sad eyes" Caring for the aging Basset Hound Basset Hounds are one of the most amicable of dog breeds, but not always the most cooperative. They are both exceptional tracking dogs, steadfast in their ability to follow a trail, and excellent family companions, calm, affectionate, and not overly boisterous. They are stubborn, slobbery, and worth every second. This exhaustive manual will give you all the tools you need to ensure your Basset Hound's health and happiness, from their first day with you until their last. This comprehensive guidebook is a must-have addition for anyone considering bringing a Basset Hound into their lives.

Tasting Victory Gerard Basset,2020-03-19 This the memoir of Gerard Basset, OBE, the greatest wine professional of his generation. A school dropout, Gerard had to come to England to discover his passion. He threw himself into learning everything he could about wine, immersing himself in the world of Michelin star restaurants and beginning the steep climb to the top of the career ladder. Tasting Victory charts his business successes: co-founding and selling the innovative Hotel du Vin chain and founding, with his wife Nina, the much-loved Hotel TerraVina. It recounts in detail just how he managed to earn his unprecedented sequence of qualifications; Gerard is the first and only individual to hold the

famously difficult Master of Wine qualification simultaneously with that of Master Sommelier and MBA in Wine Business. But it is his pursuit of the most important award of all that forms the core of this book – how, at his seventh attempt, and after a training regime that would shame most Olympic athletes, the fifty-three-year-old Gerard Basset was finally crowned the Best Sommelier of the World, and acknowledged as the greatest sommelier of his generation. Gerard's memoir is not only the story of how a champion is made, but also a record of how fine dining and hospitality changed in England, going from stale and unexciting to the world-leading sector it is today. Above all, it's a book about succeeding against great odds: in typical fashion it was when he was diagnosed with cancer of the oesophagus that Gerard responded by deciding to write Tasting Victory, which he completed shortly before his death in January 2019.
