What I Talk About When I Talk About Running Haruki Murakami, 2009-08-11 From the best-selling author of *The Wind-Up Bird Chronicle* and *After Dark*, a rich and revelatory memoir about writing and running, and the integral impact both have made on his life. In 1982, having sold his jazz bar to devote himself to writing, Haruki Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, not to mention triathlons and a slew of critically acclaimed books, he reflects upon the influence the sport has had on his life and—even more important—on his writing. Equal parts training log, travelogue, and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and includes settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston among young women who outpace him. Through this marvellous lens of sport emerges a cornucopia of memories and insights: the eureka

moment when he decided to become a writer, his greatest triumphs and disappointments, his passion for vintage LPs and the experience, after the age of fifty, of seeing his race times improve and then fall back. By turns funny and sobering, playful and philosophical, *What I Talk About When I Talk About Running* is both for fans of this masterful yet guardedly private writer and for the exploding population of athletes who find similar satisfaction in distance running.

Talking to My Hand Arthur G. Typermass,2008-03 New York City native Arthur G. Typermass shines along with his outrageous cast of characters in a collection of seven short stories laced with wit, wisdom, and misadventures. When the future of a beloved Florida zoo hangs in the balance, a surreptitious group of supporters devises a plan with far-reaching consequences. Sometimes it is the seemingly quietest factions that carry the loudest, most convincing voices. A desperate executive on the run from himself embarks upon a frantic odyssey and into a web of his own creation. Santa Claus gives serious consideration to selling his toy business and retiring. After the president of the United States dies in a freakish manner, one woman is awarded the final parking space in the country. The award turns out to be a dubious honor. In the 1950s, a summer intern at a New York City advertising

agency learns that his input at the firm is more valuable than what he is initially told. *Talking to My Hand* is a collection of stories full of laughter and poignancy that touches on many intriguing human experiences.
